# Independent Auditors' Report

**To the Administrator**
**Hospital Employee Benefit Association Trust**
**Employees' Life Group Insurance Arrangement**

## *Opinion*

We have audited the financial statements of the Hospital Employee Benefit Association Trust Employees' Life Group Insurance Arrangement (the "Group Insurance Arrangement"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - modified cash basis as of September 30, 2025 and 2024, the related statement of changes in net assets available for benefits - modified cash basis for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Group Insurance Arrangement as of September 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended September 30, 2025, in accordance with the modified cash basis of accounting.

## *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Group Insurance Arrangement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Group Insurance Arrangement's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Group Insurance Arrangement, and determining that the Group Insurance Arrangement's transactions that are presented and disclosed in the financial statements are in conformity with the Group Insurance Arrangement's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Group Insurance Arrangement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Group Insurance Arrangement's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of September 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Other Matter - Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## NOTE 1 - GROUP INSURANCE ARRANGEMENT DESCRIPTION

The following is a description of the Hospital Employee Benefit Association Trust Employees' Life Group Insurance Arrangement (the "Group Insurance Arrangement"). Participants should refer to the plan document of their individual employers for a more complete description of the arrangement's provisions.

### General

The Group Insurance Arrangement is established for the benefit of multiple employers and their employees. The Group Insurance Arrangement is defined as a group insurance arrangement for the purpose of filing a consolidated Form 5500 on behalf of all participating employer plans. The purpose of the Group Insurance Arrangement is to provide group insurance benefits to the employees of the participating employers.

### Trust Arrangement

A trust is established as a conduit to receive premium contributions from participating employers of the Group Insurance Arrangement and subsequently to remit these premiums to the insurance carrier. The Trustee or its duly authorized representative, upon written direction of the Administrator, reserves the right to terminate the Group Insurance Arrangement, subject to the provisions set forth in the Trust document.

### Benefits

Benefits are fully insured by the insurance carrier and are therefore not included in these financial statements.

### Subsequent Events

The Group Insurance Arrangement has evaluated subsequent events through September 15, 2026, the date on which the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

### Cash and Cash Equivalents

The Company considers all highly liquid instruments that are purchased within three months or less of an instrument's original maturity date to be cash equivalents.

### Basis of Accounting

The Group Insurance Arrangement's policy is to prepare its financial statements on the modified cash basis. Therefore, income and expense items are recognized only as cash is received or paid, and receivables, payables (except amounts due to the insurance carrier) and accrued expenses are not reflected.

### Estimates

The preparation of financial statements requires the Group Insurance Arrangement Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Group Insurance Arrangement's Board of Directors determines the Group Insurance Arrangement's valuation policies utilizing information provided by the investment trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when posted to the Trust. Dividends are recorded on the ex-dividend date. Net appreciation includes the Group Insurance Arrangement's gains and losses on investments bought and sold, as well as held during the year.

### Contributions

Contributions from the Group Insurance Arrangement participants are recorded when received in accordance with the modified cash basis of accounting.

## NOTE 3 - INVESTMENTS

The Group Insurance Arrangement's investments are held in a selection of investments by The National Bank of Indianapolis, the Group Insurance Arrangement's Trustee ("Trustee"). The following table presents the fair value of investments as represented by the Trustee:

| | 2025 | 2024 |
|---|---|---|
| Investments at fair value: | | |
| Money Market Accounts | $ 244,241 | $ 240,758 |
| Fixed Income Securities | 1,838,800 | 2,239,317 |
| Mutual Fund - Large Cap Equity | 434,327 | 571,521 |
| Mutual Fund - Mid Cap Equity | 98,902 | 121,792 |
| Mutual Fund - Small Cap Equity | 33,292 | 40,975 |
| Mutual Fund - Foreign Equity | 80,175 | 65,605 |
| Mutual Fund - Emerging Markets | 19,739 | 16,202 |
| Exchange-Traded Funds (ETF)- Equities | 4 | 5 |
| Total Value of Investments | $ 2,749,480 | $ 3,296,175 |

## NOTE 4 - TAX STATUS

The Group Insurance Arrangement is established pursuant to Section 501 of the Internal Revenue Code and, accordingly, is exempt from income taxes. The Administrator believes the Group Insurance Arrangement is currently designed and being operated in accordance with applicable sections of the Internal Revenue Code.

## NOTE 4 - TAX STATUS (CONTINUED)

The Group Insurance Arrangement's trust pays taxes based upon the taxable income that is reported on the trust's Form 1041 that is filed on an annual basis. The trust taxes that are reported on the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis are the taxes that are allocated to the Group Insurance Arrangement.

Authoritative accounting standards require plan management to evaluate tax positions taken by the Group Insurance Arrangement and recognize a tax liability (or asset) if the Group Insurance Arrangement has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Group Insurance Arrangement is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Group Insurance Arrangement has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at September 30, 2025 and 2024.

*Money Market Accounts:* Valued using pricing models maximizing the use of observable inputs for similar securities.

*Fixed Income Securities:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Group Insurance Arrangement are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Group Insurance Arrangement are deemed to be actively traded.

## NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Group Insurance Arrangement's assets at fair value as of September 30, 2025 and 2024, respectively:

**Assets at Fair Value as of September 30, 2025**

| | Level 1 | Total |

## NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

The Group Insurance Arrangement investments are managed by the National Bank of Indianapolis. The National Bank of Indianapolis is the custodian and trustee of the Group Insurance Arrangement and, therefore, these transactions qualify as party-in-interest transactions.

A portion of administrative expenses are paid by the Group Insurance Arrangement to Gallagher Benefit Services and represent recordkeeping and fees, which amounted to $131,327 for the year ended September 30, 2025.
