Independent Auditor's Report

To the Plan Administrator and Management of
the Employee Benefit Plan of Paso Del Norte Children's Development Center

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employee Benefit Plan of Paso Del Norte Children's Development Center, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employee Benefit Plan of Paso Del Norte Children's Development Center's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter - Plan Merger

As discussed in Note 4 to the financial statements, effective December 31, 2025, the Plan merged into the Choice Pooled Employer Plan III (PEP). All assets of the Plan were transferred to the PEP on that date, and the Plan ceased to exist as a separate reporting entity. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employee Benefit Plan of Paso Del Norte Children's Development Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Paso Del Norte Children's Development Center's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Paso Del Norte Children's Development Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Paso Del Norte Children's Development Center's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Employee Benefit Plan of Paso Del Norte Children's Development Center (the "Plan") provides only general information. Interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan was originally adopted on May 1, 1999. The Plan is a defined contribution plan that covers substantially all employees of Paso Del Norte Children's Development Center (the "Center"). There is no minimum age or service requirement that must be met in order to participate. Employees are not eligible to participate in the Plan if they are leased employees, non-resident aliens, residents of Puerto Rico, or are highly compensated employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Transfer - The Plan changed its service provider in 2025 and, as a result, its custodian changed from Mutual of America Life Insurance Company to Transamerica Financial Life Insurance Company. In October 2025, assets totaling \$6,955,585 were transferred from Mutual of America to Transamerica. The Plan adopted a pre-approved prototype plan sponsored by Transamerica and the plan document was restated effective October 15, 2025.

Plan Merger - Effective December 31, 2025, the Plan merged into the Choice Pooled Employer Plan III ("PEP") sponsored by Transamerica Fiduciary Services, the Pooled Plan Provider. All assets of the Plan and related participant account balances were transferred to the PEP on that date, and the Plan ceased to exist as a separate reporting entity.

Contributions - Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, the Center may or may not make a contribution. The amount of the contribution, if any, is determined at the discretion of the Board of Directors on a year to year basis. For the years ended December 31, 2025 and 2024, the Board approved a 1.5% contribution on the wages earned by each participant. Contributions are subject to certain Plan and Internal Revenue Service (IRS) limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and the employer's contribution, if any, as well as an allocation of the Plan's earnings and administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

**Employee Benefit Plan of
Paso Del Norte Children's Development Center**

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN (Continued)

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Center's contributions plus actual earnings thereon is according to a graduated schedule based on years of service. Participants are fully vested in these contributions after six years of service.

Participant Loans - Loans are not permitted under this Plan.

Payment of Benefits - On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) shall have a nonforfeitable right to receive the full amount available for distribution from their account. Distributions are paid in lump-sum amounts or partial withdrawals.

Forfeitures - Forfeitures of the Center's contributions and earnings thereon resulting from participants leaving the Center prior to vesting are retained in a forfeiture account. During 2025, forfeitures of \$12,284 were re-allocated to plan participants, forfeitures of \$4,251 were used to reduce employer contributions and forfeitures of \$3 were used to pay plan expenses. During 2024, forfeitures of \$20,339 were re-allocated to plan participants and no forfeitures were utilized to pay plan expenses or reduce employer contributions. At December 31, 2025 and 2024, the forfeiture account totaled \$6,992 and \$12,940, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**Employee Benefit Plan of
Paso Del Norte Children's Development Center**

Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Plan's investment held in the interest accumulation account at December 31, 2024 is invested in a general account of Mutual of America Life Insurance Company and is valued at contract value, which is equal to fair value. The account is considered to be a cash equivalent and is not a fully benefit-responsive investment contract. Cash equivalents are excluded from the fair value hierarchy and disclosure requirement. The account earns interest at a guaranteed rate set annually that cannot be less than 0.15% or more than 3%. The interest rate was 2.85% for 2025 and 2.85% for 2024. There are no adjustments or charges that would affect the value of the account as a result of a withdrawal request. There are no reserves against the account value for credit risk.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Center. Expenses that are paid by the Center are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. For the years ended December 31, 2025 and 2024, the Plan paid \$11,423 and \$2,113, respectively, in administrative fees.

Risks and Uncertainties - The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Although the transfer to the PEP eliminated the Plan's investment exposure, participants remain subject to market risk within the PEP.

Subsequent Events - Subsequent events were evaluated through September 5, 2026, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements, including investments held at December 31, 2025 and 2024, and investment income for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan during the 2024 plan year and the 2025 plan year from January 1, 2025 to October 19, 2025, and Transamerica Financial Life Insurance Company, the custodian of the Plan from October 20, 2025 to December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

4. PLAN MERGER AND ASSET TRANSFER

On December 31, 2025, the Plan merged into the Choice Pooled Employer Plan III ("PEP") sponsored by Transamerica Fiduciary Services, the Pooled Plan Provider. All assets totaling \$7,053,944 were transferred to the PEP on that date. The transfer was executed at fair value, and the Plan had no remaining net assets as of year-end. This transaction is reflected as a transfer of net assets in the statements of changes in net assets available for benefits. The Plan will file a final Form 5500 for the 2025 plan year.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs.

5. FAIR VALUE MEASUREMENTS (Continued)

Level 1 Fair Value Measurements

The pooled separate account consists solely of investments in mutual funds registered with the U.S. Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded. The funds must publish their daily net asset value and transact at that price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Fair Value Measurements Using:</u>	
	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
<u>December 31, 2024</u>		
Pooled separate account	<u>\$ 6,363,418</u>	<u>\$ 6,363,418</u>
Investments at fair value	<u>\$ 6,363,418</u>	<u>\$ 6,363,418</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the prototype plan from which the Plan was drafted has received a favorable determination from the IRS. The Plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Effective December 31, 2025, the Plan merged into the Choice Pooled Employer Plan III ("PEP") sponsored by Transamerica Fiduciary Services, the Pooled Plan Provider. All assets of the Plan and related participant account balances were transferred to the PEP on that date, and the Plan ceased to exist as a separate reporting entity.

8. RELATED PARTY TRANSACTIONS

The Plan's investments were held by Mutual of America Life Insurance Company (during the 2024 plan year and the 2025 plan year through October 19, 2025) and Transamerica Financial Life Insurance Company (from October 20, 2025 to December 31, 2025), as custodians; therefore, investment transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodians for administrative expenses totaled \$11,423 and \$2,113 for the years ended December 31, 2025 and 2024, respectively. Fees paid by the Plan for the investment and account management services are a reduction of the return earned and are included in net appreciation in fair value of investments.

8. RELATED PARTY TRANSACTIONS (Continued)

Personnel and facilities of the Center, which are used by the Plan for its accounting and other activities, have been provided at no charge to the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. MISSED DEFERRALS

During the Plan's transition from Mutual of America to Transamerica, a number of participants made contribution changes to their 401k withholding. The Plan Sponsor was unaware of the changes and, as such, did not account for the change in deduction amounts. This resulted in missed deferrals totaling \$4,325. The Plan Sponsor will voluntarily correct the missed deferrals and pay in 50% of the missed deferrals plus earnings.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:
