INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST
San Juan, Puerto Rico

Opinion

We have audited the accompanying financial statements of **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST** as of December 31, 2025 and December 31, 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter – Correction of Prior Period Error

As discussed in Note 13 to the financial statements, the financial statements for the year ended December 31, 2024, were corrected by management to address an understatement of net assets available for benefits and an overstatement of excess contributions payable. Accordingly, the financial statements have been adjusted to present the correct balance of beginning net assets for the current fiscal year ended December 31, 2025. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material

INDEPENDENT AUDITOR'S REPORT, (CONTINUED)

misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Programa Head Start Iglesia Bautista de Quintana Retirement Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are

Auditor's Responsibilities for the Audit of the Financial Statements

presented and disclosed in the financial statements are in conformity with the plan's presented provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST's** internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT, (CONTINUED)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, Schedule H, line 4i - Schedule of Assets (Acquired

and Disposed within year) as of December 31, 2025 and Schedule H, line 4a (Schedule of Delinquent Participant Contributions) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT, (CONTINUED)

Supplemental Schedules Required by ERISA, (Continued)

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements

December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Programa Head Start Iglesia Bautista de Quintana ("Organization") **PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST** ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally adopted on February 1, 1993. This Plan was converted into a new Plan and Trust effective as of January 1, 2016. The Plan covers all employees of the Organization who have six (6) months period of continuous active employment, are age eighteen (18) or older and residents of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Puerto Rico Internal Revenue Code of 2011, as amended ("PRIRC").

Contributions

Each year, participants may elect to make contributions subject to the deferral amount limitations established under PRIRC and any limit defined in the Plan. Annual deferral amount under PRIRC 2011 was \$15,000 for the taxable years ended December 31, 2025 and 2024. Participants may elect to contribute through salary reductions from 1% of eligible compensation up to the limits established by the Puerto Rico Internal Revenue Code. The Employer may make discretionary matching contributions in an amount determined by the Employer, which amount is the same for each participant. The Employer may also make discretionary employer contributions, determined from year to year, that are allocated to eligible participants as a percentage of compensation.

Catch-up Contributions

Participants who have attained age 50 before the end of the Plan year are eligible to make an additional \$1,500 catch-up contribution after contributing to the Plan limit of their \$15,000 of their pre-tax annual compensation.

Participant Accounts

Each participant's individual account is credited with the participant's contribution, other voluntary contributions, transfers from other qualified plans, and allocations of (a) Organization's contribution, and (b) Plan's earnings (losses), (c) any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN, (CONTINUED)

Vesting

Participants are immediately vested in their elective deferrals, rollover contributions, and related earnings. Employer contributions for participants newly eligible after January 1, 2016 vest based on years of service as follows: 20% after 0-2 years, 40% after 3 years, 60% after 4 years, 80% after 5 years, and 100% after 6 years. Participants in this source as of January 1, 2016 were fully vested as of that date.

Notes Receivable from Participants

Participants are not allowed to borrow from their accounts.

Payments of Benefits

On termination of employment due to death, disability, retirement, or other reasons, participants or designated beneficiaries may elect to receive their accumulated plan benefits either a lump-sum amount or annuities. Participants' normal retirement date is when a participant attains age 60 up to a maximum of 65. The Plan permits an early retirement date for participants who have attained age 55 and completed at least ten (10) years of service.

Hardship Withdrawals

Under certain cases of immediate and heavy financial need, participants, while still employed by the Organization, are permitted to withdraw the participant's and Organization's contribution portion of their account balance up to amount necessary to satisfy the financial need. A Participant's right to make contributions as permitted under PRIRC making a hardship withdrawal from the Plan will be suspended for a period of twelve (12) months following the date of said withdrawal.

Special Disaster Distributions

As established in Puerto Rico Internal Revenue Code of 2011, as amended ("PRIRC"), in case of a disaster declared by the Governor of Puerto Rico, eligible distributions to the participant or his beneficiary, within the term established by the Secretary, to cover eligible expenses, shall be considered as special distribution up to \$100,000 subject to a reduced tax rate.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the PRIRC are recorded as accounts payable, with a corresponding reduction to contributions. As a corrective action of nondiscrimination test, as of December 31, 2025 and 2024, the excess contributions amounted to \$7,377 and \$5,369, respectively. The Plan will refund this amount to the participants defined in the test. Such refund distributions are taxable in the year in which they are paid.

1. DESCRIPTION OF PLAN, (CONTINUED)

Forfeited Accounts

As of December 31, 2025 and 2024, the Plan maintained an unallocated forfeiture/asset-holding account of approximately \$248,680 and \$202,722, respectively. During 2025, the account increased by approximately \$42,272 from forfeitures and \$3,685 from interests credited. The account is invested in the Key Guaranteed Portfolio Fund. In accordance with the Plan provisions, forfeitures of employer contributions are used to reduce Employer contributions in the Plan Year of forfeiture or, to the extent in excess of such contributions, in succeeding Plan Years.

Date of Management's Review

The Plan Administrator evaluated subsequent events through September 7, 2026, which is the date the financial statements were available to be issued.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Accordingly, actual results may differ from those estimates.

Notes to the Financial Statements

December 31, 2025 and 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value is based on its beginning balance plus any deposit, credited interest, less any withdrawals, charges, or expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Empower Annuity Insurance Company of America, as the Custodian of the Plan, has provided and certified all information included in the financial statements related to investments of the Plan held at year-end, all changes in assets during the year and all investment transactions included in the schedules of assets held for investment purposes, assets acquired and disposed and of reportable transactions.

The following information included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to as complete and accurate by the custodian:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2025.
- Investment income, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN, (CONTINUED)

- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.
- Schedule H, line 4i - schedule of assets (acquired and disposed within year) as of December 31, 2025.

The Plan's independent auditors performed audit procedures related to the certified information in accordance with generally accepted auditing standards applicable to non-ERISA Section 103(a)(3)(C) audits. Such procedures included testing investment balances, investment transactions, and related disclosures included in the accompanying financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature (FASB ASC 820, *Fair Value Measurement*) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The three (3) levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

PROGRAMA HEAD START IGLESIA BAUTISTA DE QUINTANA RETIREMENT PLAN TRUST

Notes to the Financial Statements

December 31, 2025 and 2024

4. FAIR VALUE MEASUREMENTS, (CONTINUED)

Level 3 Prices or valuations that require inputs are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

<i>Mutual Funds</i>	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
---------------------	---

<i>Fixed Annuities</i>	Valued daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.
------------------------	--

<i>Collective Trust Funds</i>	Valued using pricing models maximizing the use of observable inputs from similar investments, generally obtained from the fund house or other investment provider.
-------------------------------	--

Due to the various unique investments that may be allowed in a collective trust fund, and the various redemption restrictions that may be imposed, the Plan sponsor individually reviews the prospectus and operations of each of these types of investment options. Per US GAAP guidance, investments which use a net asset value per share (NAV) practical expedient for fair value measurement, as defined in ASC 820, are removed from the leveling table, and shown as a reconciling item. In general, the use of the practical expedient requires that the NAV is not publicly available.

4. FAIR VALUE MEASUREMENTS, (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

4. FAIR VALUE MEASUREMENTS, (CONTINUED)

The following investments are measured using net asset value per share, or its equivalent, as a practical expedient and are therefore not classified within the fair value hierarchy:

December 31, 2025

Investment Category	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period	Redemption Restrictions
Putnam Retirement Advantage target-date and maturity collective trust funds	\$ 2,444,738	None*	Business days	Five business days' written notice	Trustee may suspend or defer withdrawals under specified unusual or volatile market conditions and may make payment in kind.
Total Investments Measured Using NAV Practical Expedient	<u>\$ 2,444,738</u>				

December 31, 2024

Investment Category	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period	Redemption Restrictions
Putnam Retirement Advantage target-date and maturity collective trust funds	\$ 1,827,908	None*	Business days	Five business days' written notice	Trustee may suspend or defer withdrawals under specified unusual or volatile market conditions and may make payment in kind.
Total Investments Measured Using NAV Practical Expedient	<u>\$ 1,827,908</u>				

The Plan invests in Putnam Retirement Advantage target-date and maturity collective trust funds. These investments are valued using net asset value per unit, or its equivalent, as a practical expedient. Plan-level withdrawals generally require five business days' written notice and are ordinarily settled in cash on the business day following the withdrawal date. Under specified unusual or volatile market conditions, the trustee may suspend or defer withdrawals or make payment in kind.

Gains and losses (realized and unrealized) are reported in net appreciation (depreciation) in fair value of investments in changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

PROGRAMA HEAD START IGLESIA BAPTISTA DE QUINTANA RETIREMENT PLAN TRUST

Notes to the Financial Statements

December 31, 2025 and 2024

5. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract with Empower, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the Plan's net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses.

At December 31, 2025 and 2024, the contract value attributable to participant accounts in the Key Guaranteed Portfolio Fund was \$2,148,750 and \$1,978,303, respectively. In addition, the Plan's unallocated forfeiture/asset-holding account, which is invested in the Key Guaranteed Portfolio Fund, totaled \$248,680 and \$202,722, respectively. Accordingly, total investments in the Key Guaranteed Portfolio Fund measured at contract value were \$2,397,430 and \$2,181,026, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their vested investment at contract value.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The crediting interest rate is established by Empower's management but may not be less than 1% annually. Such interest rates are reviewed and declared on a quarterly basis for resetting.

Certain events might limit the Plan's ability to transact at contract value with Empower. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The average yield earned by the Plan is the interest credited on the contract. The interest rate history for the contract is as follows:

	<u>2025</u>	<u>2024</u>
Average yields:		
Based on actual earnings	1.70%	1.60%
Based on interest rate credited to participants	1.70%	1.60%

Notes to the Financial Statements

6. FUNDING POLICY

The Plan is funded through participant elective deferrals and Employer matching contributions. Participant elective deferrals are withheld from participants' compensation and remitted to the Plan by the Employer. The Employer may make discretionary matching and other discretionary employer contributions as described in Note 1.

At December 31, 2025, the Plan reported total contributions receivable of \$130,889, consisting of \$126,332 of Employer contributions receivable and \$4,557 of participant contributions receivable. Included in these amounts were approximately \$45,252 of contributions relating to January through August 2025 payroll periods that had not been remitted to the Plan as of December 31, 2025, consisting of approximately \$43,544 of Employer contributions and \$1,708 of participant contributions withheld from payroll. These amounts were subsequently remitted to the Plan in full.

7. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments consist of funds that are administered by Empower Annuity Insurance Company, who is the recordkeeper for the Plan; contract administration services are provided by Retirement Legacy Managers; consulting and other services are provided by José Cruz Alveiro, LeafHouse Financial Advisors, LLC., and Gustavo Vélez Pizarro; the Administration Committee of the Board of Directors is the Plan Trustee. These service providers are each considered a party in interest to the Plan. The Plan or the Organization may make payment to the related parties for administrative expenses. These transactions qualify as party in interest transactions. As of December 31, 2025 and 2024, the Plan had transactions that are allowable party-in-interest transactions under ERISA and the regulations promulgated there under.

For the years ended December 31, 2025 and 2024, fees paid by the Plan for recordkeeping, contract administration, consulting and other services amounted to \$57,940 and \$48,034, respectively.

8. PROHIBITED TRANSACTIONS

In accordance with the Department of Labor's Regulation 2510.3-102, an employer is required to segregate participants' contributions from its general assets as soon as practical, when amounts are contributed by participants or withheld from the wages.

There were unintentional delays on the remittance of participants' contributions during the Plan year ended December 31, 2025 and 2024. The Organization has agreed to absorb any costs incurred by the Plan, including lost interest because of the untimely remittances of the participants' contributions.

PROGRAMA HEAD START IGLESIA BAPTISTA DE QUINTANA RETIREMENT PLAN TRUST

Notes to the Financial Statements

December 31, 2025 and 2024

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the regulations of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

10. TAX STATUS

On March 28, 2017, the Plan requested a qualified status under Section 1081.01 of the Puerto Rico Internal Revenue Code of 2011, as amended ("PRIRC") to be effective as of January 1, 2016. The Plan received an unwritten preliminary qualification by the Puerto Rico Treasury Department and is expecting to receive a favorable determination letter. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the PRIRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investments that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

12. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

As of December 31, 2025 and 2024, and for the years then ended, amounts per financial statement are equal to amounts of Schedule H of Form 5500.

13. PRIOR PERIOD ADJUSTMENT

The financial statements for the year ended December 31, 2024 were corrected by management as a result of an understatement of net assets available for benefits and an overstatement of excess contributions payable.

The financial statements were adjusted to present the correct balance of the beginning net assets for the current fiscal year ended December 31, 2025, as follows:

San Juan, Puerto Rico

The stockholders and staff of AJ Hernández & Co, CPA, PSC. are pleased to announce the successful completion of an independent peer review of our accounting and auditing practice. This review was undertaken as a condition of membership in the American Institute of Certified Public Accountants (AICPA), the national organization of CPAs in public practice, industry, government, and education.

In 1988, the members of the AICPA overwhelmingly approved a proposal to require members in public practice to participate in a practice-monitoring program. With the adoption of this proposal, the AICPA implemented a peer review program of unprecedented scope in the CPA profession or any other. Our participation in peer review demonstrates our firm's desire to measure up to the profession's high standards of professionalism and our commitment to maintaining and improving the quality of our practice.

In August 2000, the Puerto Rico Society of CPAs (PRSCPA) adopted a voluntary peer review program, which follows the lead established by the AICPA.

Our peer review was conducted by a team appointed by the PRSCPA. The reviewer first determined that we have an adequate quality control system and then checked to see that professional standards were followed in a representative sample of our accounting and auditing engagements.

After thorough study of our policies and procedures, the reviewer concluded our firm complies with the stringent quality control standards established by the AICPA and the PRSCPA. Our firm is committed to periodic peer reviews to foster quality performance.

Bankers, bonding agents, investors, suppliers, legal advisors and others use the financial statements our firm audits, reviews, or compiles. We think those people, our clients, and our own staff deserve independent quality assurance that our firm provides quality services. We are proud of our peer review results and would be happy to answer any questions you might have.

Sincerely,

Andrés J. Hernández Concepción

Report on the Firm's System of Quality Control

June 16, 2025

To the Stockholder of AJ Hernández & Co., CPA, PSC, and the Peer Review Committee of the Puerto Rico Society of CPA.

We have reviewed the system of quality control for the accounting and auditing practice of AJ Hernández & Co., CPA, PSC (the firm) in effect for the year ended December 31, 2017. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a system review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported on in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included an engagement performed under *Government Auditing Standards*, including compliance audit under the Single Audit Act; and an audit of employee benefit plans.
