The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and of delinquent participant contributions as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JEFFERS, MANN & ARTMAN PEDIATRIC AND ADOLESCENT
MEDICINE, P.A. RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2025 and 2024

(1) Description of Plan

The following description of Jeffers, Mann & Artman Pediatric and Adolescent Medicine, P.A., Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The Plan is sponsored by Jeffers, Mann & Artman Pediatric and Adolescent Medicine, P.A. (the “Company”).

(a) General

The Plan is a defined contribution plan available to all eligible employees of the Company who have completed 1 year of service and 1,000 hours and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan administrator is responsible for oversight of the Plan. The Plan's management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan administrator.

(b) Contributions

Participants may contribute up to 90% of annual compensation through voluntary deferral deductions. Participants may also contribute after-tax contributions along with qualified Roth contributions to the Plan, and may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company offers automatic enrollment at 1% for employees, unless otherwise elected by the participant. Contributions are subject to certain limitations as determined by the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan has a safe harbor employer contribution and currently makes a safe harbor contribution of 100% of participant deferrals up to 4% of the employee's gross compensation for the Plan year. The Company can also elect to make a discretionary matching or profit sharing contribution, to be determined by the Company annually. During 2025 and 2024, respectively, the Company made a \$250,000 and \$400,000, discretionary profit-sharing contribution to the Plan.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, the Company's safe harbor contribution, the Company's discretionary matching and profit sharing contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocation of expenses are based on the participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MEDICINE, P.A. RETIREMENT PLAN

Notes to Financial Statements, Continued

December 31, 2025 and 2024

(1) Description of Plan, Continued

(d) Vesting

Participants are vested immediately in their voluntary contributions, including amounts rolled over from other qualified plans, the Company's safe harbor contributions and the Company's discretionary matching contributions plus actual earnings thereon.

Vesting in the Company's discretionary profit sharing contributions and any actual earnings thereon is determined using a progressive schedule based on years of service. Vesting begins with one year of service and a participant is 100% vested after five years of credited service. For vesting purposes, a year of service is based on the Plan year, as defined by the Plan.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 of the vested portion of the participant account balance up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate at the time of issuance, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

(f) Payment of Benefits

Participants are entitled to receive lump-sum payments of all or any portion of their vested account balance upon attainment of age 59½. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an installment distribution solely to the extent necessary to satisfy required minimum distribution rules. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested interest does not exceed \$5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive payment. Participants are permitted to take hardship distributions from selected accounts, as defined by the Plan, upon demonstrations of financial hardship.

(g) Excess Contributions

Amounts payable to participants totaling \$11,219 as of December 31, 2025, for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to employee and employer contributions. The Plan distributed the 2025 excess contributions to the applicable participants in the subsequent year.

(h) Forfeited Accounts

As of December 31, 2025 and 2024, forfeited nonvested accounts totaled \$12,353 and \$29,604, respectively. Previously, these accounts could be used to reduce future employer contributions or pay administrative expenses. Effective April 1, 2023, these accounts can be used to pay administrative expenses or allocated to participants eligible to share in the profit sharing contributions. During 2025 and 2024, the Plan allocated forfeitures of \$29,710 and \$8,095, respectively, from forfeited nonvested accounts to eligible participants.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and present the net assets available for plan benefits and changes in those net assets of the Plan.

(b) Fair Value Measurements

For determining fair value measurements, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Management follows an established framework for measuring fair value. That framework provides a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs that may be used to measure fair value are described below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: one or more significant inputs or significant value drivers are unobservable or based on market assumptions

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market funds: Valued at the daily closing price as reported by the fund. The money market fund held by the Plan is an open-end mutual fund that is registered with the U.S. Securities and Exchange Commission ("SEC"). The fund is required to publish its daily net asset value ("NAV") and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(2) Summary of Significant Accounting Policies, Continued

(c) Investments

Investments are reported at fair value as described above. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. There are no unfunded commitments as of December 31, 2025 and 2024.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

(e) Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included with the loan principal amount in notes receivable from participants. Expenses not paid by the Company are paid using the Plan's assets and will generally be allocated among the accounts of all participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The method of allocating the expenses depends on the nature of the expense itself.

(f) Benefits

Benefit payments to participants are recorded when paid.

(g) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets available for plan benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

(3) Certified Financial Data

The following is a summary of the Plan's financial information and data certified by Reliance Trust Company, the trustee, as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of and for the years ended December 31:

(4) Investments and Fair Value Measurements

The following table sets forth by level within the fair value hierarchy the Plan's fair value measurements as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

(5) Related Party Transactions and Party-In-Interest Transactions

Fund management and custodial services, recordkeeping, transaction processing, and loan maintenance services are provided by Reliance Trust Company, a related party, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for these services are included in net appreciation (depreciation) in fair value of the investments or administrative expenses. The Plan sponsor directly pays any other fees related to the Plan's operations. The Plan receives revenue sharing payments from the mutual fund service providers, which offsets certain fees paid by the Plan. Fees in excess of revenue sharing are allocated to participant accounts and expensed. Revenue sharing in excess of fees is allocated to the accounts of the participants.

(6) Federal Income Taxes

The Plan adopted a prototype plan on December 1, 2020 sponsored by ADP, LLC. The prototype plan has received a determination letter from the Internal Revenue Service dated October 6, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

(10) Nonexempt Party-in-Interest Transactions

The Company did not remit certain participant contributions and/or loan payments to the custodian in a timely manner based on when the participant contributions were withheld from wages as required under DOL Regulation §2510.3-102. During 2025, such amounts withheld from wages totaling \$31,625 were remitted to the Plan and were pending correction for potential lost earnings as of December 31, 2025. The lost earnings amount, totaling \$3, was funded in June 2026. During 2024, such amounts withheld from wages totaling \$32,094 were remitted to the Plan and were pending correction for potential lost earnings as of December 31, 2024. The lost earnings amount, totaling \$187, was funded in July 2025.

(11) Subsequent Events
