## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Horizon Roofing, Inc. 401(k) Plan  
Waite Park, Minnesota

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Horizon Roofing, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Horizon Roofing, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Prior Period Financial Statements**

The financial statements as of and for the year ended December 31, 2022, were audited by Rogers & King, CPA, LLC, who merged with Abdo as of December 20, 2023, and whose report dated December 18, 2023, expressed an unmodified ERISA Section 103(a)(3)(C) opinion on those statements.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Horizon Roofing 401(k) Plan  
Notes to the Financial Statements  
December 31, 2023 and 2022

**Note 1: Description of Plan**

This description of the Horizon Roofing, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering eligible employees of Horizon Roofing, Inc. (the Company). Prior to July 1, 2023, employees were eligible to participate in the Plan upon attainment of age 21 and completion of 1 year of service. Effective July 1, 2023, the Plan was amended to provide that employees who had attained age 21 were eligible after completing 90 consecutive days of employment from their employment commencement date; however, if an eligible employee did not complete the stated number of consecutive days, the employee was subject to the 1 year of service requirement. Effective September 1, 2023, the Plan was further amended to reduce the age requirement from 21 to 18. Upon satisfying the eligibility requirements, prior to July 1, 2023, employees began participating in the Plan on the first day of the quarter coinciding with or next following the date requirements are met. Effective July 1, 2023, eligible participants enter the plan on the date eligibility requirements are satisfied.

The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Investment Committee is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions**

Each year, participants may contribute up to 100 percent of their eligible compensation, as defined by the Plan and subjected to various regulatory limitations, through a salary reduction agreement. These contributions may be made on a pre-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, otherwise known as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes an annual safe harbor matching contribution equal to 100 percent of the first 3 percent of each participant's eligible compensation. The Plan also allows for a flexible discretionary employer matching contribution, not to exceed 6 percent of eligible compensation. The matching contribution made on behalf of any participant for any plan year may not exceed 4% of compensation. Additional nonelective contribution amounts may be contributed at the discretion of the Company. During 2023, no flexible discretionary matching contributions or nonelective contributions were made.

The Company will also make prevailing wage (Davis Bacon) employer contributions in an amount necessary to meet the Company's requirements under a prevailing wage statute. The prevailing wage portion of the Plan provides contributions by the Company for a portion of the fringe benefit wages paid to employees for work on prevailing wage projects to meet the requirements of the Davis Bacon Act, the Service Contract Act, or similar federal, state, municipal or local statutes. Employees are eligible for Davis Bacon employer contributions immediately upon date of hire, and Davis Bacon employer contributions are always 100% vested. The Davis Bacon contribution made on behalf of a participant for a Plan year will reduce other employer contributions allocated or contributed on behalf of such participants.

Other employer contributions consist of qualified nonelective contributions incurred by the Company. Qualified nonelective contributions of \$23,591 are recorded as a receivable as of December 31, 2023 for various operational errors. See Note 10 for additional information.

All contributions are subject to certain statutory limits.

**Note 1: Description of Plan (Continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, allocation of the Company's contributions, and Plan earnings or losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations may be charged based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeitures**

Participants are vested immediately in their contributions and their Company safe harbor contributions, plus actual earnings thereon. Vesting in discretionary employer matching and nonelective contributions, plus actual earnings, is based on years of continuous service, as defined by the Plan. Participants are vested in Company contributions and related earnings according to the following schedule:

| Years of<br>Service | Percentage<br>Vested |
|---------------------|----------------------|
| 1                   | 0 %                  |
| 2                   | 20                   |
| 3                   | 40                   |
| 4                   | 60                   |
| 5                   | 80                   |
| 6                   | 100                  |

Forfeited non-vested amounts from terminated participants' accounts are used to reduce the Company's matching contributions or pay Plan expense, subject to the terms of the Plan. At December 31, 2023 and 2022, forfeited non-vested accounts were \$0 and \$537, respectively. During the year ended December 31, 2023, forfeitures of \$542 were used to reduce employer contributions.

**Notes Receivable from Participants**

Participants may borrow from the vested portion of their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the vested balance in the participant's account. Loan interest rates are 1 percent above the prime rate. Principal and interest are paid ratably through payroll deductions. Loan terms generally range from 1 to 5 years, with longer terms permitted when the proceeds are used to purchase a participant's primary residence.

**Payment of Benefits**

Participants may receive distributions upon death, disability, retirement, termination of employment, hardship, or certain in-service events. Distributions may be taken as substantially equal installments, partial withdrawals, or a lump sum equal to the participant's vested account balance. Active participants may withdraw employee contributions under the Plan's hardship provisions, and in-service distributions are permitted for participants age 59½ or older. Upon termination, participants with vested balances greater than \$5,000, excluding rollover amounts, may leave their balances in the Plan; vested balances of \$5,000 or less are automatically distributed.

## **Note 2: Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with principles generally accepted in the United States.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make scheduled repayments and the plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment is recorded.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Administrative Expenses**

The Plan's expenses are paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

### **Subsequent Events**

The Plan has evaluated subsequent events for recognition or disclosure through September 1, 2026, the date these financial statements were available to be issued.

**Note 3: Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data, by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Variable Annuities:* Valued using the daily unit values calculated by the annuity provider in accordance with the annuity contract. Unit values are based on the quoted net asset value (NAV) of the underlying mutual fund to determine the daily value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                           | Level 1 | Level 2      | Level 3 | Total        |
|---------------------------|---------|--------------|---------|--------------|

Notes to the Financial Statements  
December 31, 2023 and 2022

**Note 4: Fully Benefit-responsive Investment Contracts**

The Plan invests in the Empower Key Guaranteed Portfolio Fund, which is a fully benefit-responsive guaranteed investment contract. At December 31, 2023 and 2022, the fully benefit-responsive investment contract totaled \$92,719 and \$216,206, respectively. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest to the Plan. The crediting rate is reviewed quarterly for resetting. The crediting rate was 1.23% and 0.94% as of December 31, 2023 and 2022, respectively. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to its scheduled maturity date.

The contract meets the fully benefit-responsive contract criteria and is therefore reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (include complete or partial Plan terminations or mergers with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemptions under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation of the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

**Note 5: Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company (the custodians of the Plan).

Notes to the Financial Statements  
December 31, 2023 and 2022

**Note 6: Income Tax Status**

The Company adopted a plan which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the Plan is designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the regulatory authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits, and accordingly, account balances of participants in the Plan.

**Note 8: Related Party and Party-in-Interest Transactions**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2023, the Plan made direct payments of \$311 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan also received revenue sharing credits of \$13,570, which were used to offset Plan expenses. The Plan sponsor pays directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

**Note 9: Plan Termination**

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

**Note 10: Plan Errors**

During the year ended December 31, 2023, several operational failures were identified related to the determination of eligible compensation, timely remittance of participant contributions, timely payment of safe harbor contributions, and timely implementation of participant deferral elections. The Plan Administrator evaluated the errors, quantified the required corrections, including applicable lost earnings and excise taxes, and recorded the related receivables in the accompanying financial statements. These corrections are made from the assets of the Company, not those of the Plan.

**Note 11: Secure 2.0**

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no current impact on the Plan. Plan management will determine the optional provisions to elect in the future.
