Independent Auditor's Report

To the Plan Administrator of
Bouvier Beckwith & Lennox, Inc.
401(k) Plan
West Hartford, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bouvier Beckwith & Lennox, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Plan Administrator of the Plan approved a plan of liquidation effective December 31, 2025, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – (Form 5500) Schedule of Assets (Held at Year End) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN:

The following description of the Bouvier Beckwith & Lennox, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Termination:

On September 15, 2025, Bouvier Beckwith & Lennox LLC, Inc. (the Company and/or Plan Sponsor) entered into an asset purchase agreement (the APA) to sell certain assets, as defined, to Hub International New England, LLC. In connection with the APA, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. The Plan's termination also ceased employee and employer contributions into the Plan and the Plan Sponsor made its 2025 safe-harbor matching contribution in September 2025.

On December 22, 2025, the Plan Administrator adopted a plan amendment approving the termination of the Plan effective December 31, 2025, making liquidation of the Plan imminent. The Plan Administrator directed that distributions be made to participants and beneficiaries within a reasonable period following the termination date. All remaining assets of the Plan were distributed as of March 13, 2026.

General:

The Plan is a defined contribution plan, established on January 1, 2006, covering substantially all employees of the Plan Sponsor who have completed 90 days of consecutive service and are age 21 or older. Employees become eligible to participate on the first day of the month following the date they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's administrator oversees governance of the Plan, determines the appropriateness of the Plan's investments and monitors investment performance.

Participant Contributions and Investment Options:

Participants may contribute up to the maximum deferral allowed by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan allows participants to make voluntary after-tax contributions and permits participants ages 60 through 63 to make enhanced super catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan with various objectives and degrees of financial risk. The Plan currently offers various pooled separate accounts as investment options for participants.

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN (Continued):

Employer Contributions:

Each year, the Plan Sponsor makes a safe-harbor matching contribution equal to 100% of the first 4% of eligible participant earnings. The Company may also make a discretionary nonelective profit sharing contribution to the Plan. This contribution, if made, would be allocated to all employees eligible to participate in the Plan. Employer safe-harbor matching contributions were \$432,648 for the year ended December 31, 2025. There was no discretionary nonelective profit sharing contribution made to the Plan during the year ended December 31, 2025.

Participant Accounts:

Each participant's account is credited with the participant's contribution and Company's safe-harbor matching contributions, as well as an allocation of the Company's discretionary nonelective profit sharing contribution, if any. Participant accounts are also credited with an allocation of investment earnings or losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are fully vested immediately in their voluntary contributions and safe-harbor matching contributions, plus actual earnings thereon. Participants vest in the Company's additional discretionary nonelective profit sharing contributions based on years of continuous service, as defined. A participant will receive partial vesting of 20% per year between years two through six and will be 100% vested after six years of service.

In connection with the closing of the APA, all participants became fully vested in their accounts.

Notes Receivable from Participants:

The Plan does not allow participant loans.

Forfeitures:

Forfeitures typically represent unvested employer contributions and will first be used to pay any administrative expenses and any remaining forfeitures may be used to reduce future employer contributions. There were no forfeited non-vested amounts for the year ended December 31, 2025.

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN (Continued):

Payment of Benefits:

Prior to Plan termination, on termination of service due to death, disability, or retirement, a participant or their beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A partial withdrawal is permitted upon termination of service due to disability or retirement for participants or their beneficiaries who must receive required minimum distributions as defined by the Code. Participants with a vested account balance of \$5,000 or less will receive a lump-sum amount equal to the value of the vested portion of their account. The Plan allows for in-service distributions of the participant's vested accounts upon reaching the age of 59 ½ or due to hardship, as defined by the Plan.

In connection with the closing of the APA, all participants became eligible to receive lump-sum distributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). The financial statements as of and for the year ended December 31, 2025 have been prepared on the liquidation basis of accounting and the financial statements as of December 31, 2024 have been prepared on the ongoing basis.

Use of Estimates:

The preparation of financial statements in conformity with US GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

As of December 31, 2025, the Plan's investments are stated at liquidation value, which approximates fair value. As of December 31, 2024, the Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Unit Values:

Participants do not own specific securities or assets in the various funds, but have an interest represented by units within the account. Unit values are calculated on a daily basis. Contributions to and withdrawals from each fund are converted to units by dividing the amounts of such transactions by the unit value as last determined, and the participant's accounts are charged or credited with the number of units properly attributed to each participant.

Reclassifications:

Certain 2024 amounts have been reclassified to conform to the 2025 presentation. Such reclassifications had no material effect on the financial statements.

Subsequent Events:

Management has evaluated subsequent events through September 16, 2026, the date the financial statements were available to be issued.

NOTE 3 – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024.

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 4 – CERTIFIED INVESTMENTS:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024 and net appreciation in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the Custodian of the Plan).

NOTE 5 – FAIR VALUE MEASUREMENTS:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, as of the measurement date. Authoritative guidance establishes a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The following summarizes the fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value (NAV) practical expedient are not required to be reported within the hierarchy.

BOUVIER BECKWITH & LENNOX, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued):

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Valued as determined by the investment manager which represents the NAV. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Included in the pooled separate accounts is a stable value fund which represents participant units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities' liquidations will be carried out in an orderly business manner. Certain events may limit the ability of the Plan to transact at contract value with the collective trust fund (for example, partial or complete termination of the Plan or its merger with another plan, plant closings, layoffs, bankruptcy, members, early retirement incentives, certain transfers of assets from the collective trust fund) and may also limit the ability of the collective trust fund to transact at contract value with the participants. Plan management believes that the occurrence of events that would cause the collective trust fund to transact at less than \$1 per unit is not probable.

The underlying securities in other pooled separate accounts are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted NAV under agreements with the insurance company.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the NAV of the pooled separate accounts and, consequently, the fair value of the Plan's investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued):

The following table presents the fair value of the Plan's investments at December 31, 2025 and 2024, classified using the fair value hierarchy:

December 31, 2025:

Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 1,594,472
	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,594,472</u>

December 31, 2024:

Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts (a)	\$ -	\$ -	\$ -	\$ 16,415,091
	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,415,091</u>

(a) Certain investments that are measured at fair value or liquidation value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024.

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2025	2024			
Pooled separate accounts	\$ 1,594,472	\$ 16,415,091	N/A	Daily	None

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no transfers of investments into or out of Level 3.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

All Plan investments are participation units held in pooled separate accounts through sub-accounts of John Hancock Life Insurance Company. John Hancock Life Insurance Company provides services to the Plan as the custodian and record keeper; therefore, these investments and transactions qualify as exempt party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – PLAN TERMINATION:

The Company has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions of ERISA. The Plan was terminated effective December 31, 2025. Participants' interest in their accounts shall be payable in accordance with their reported value.

NOTE 8 – TAX STATUS:

The Plan is being operated under a volume submitter profit sharing plan with Cash or Deferred Arrangement (CODA) which received a Internal Revenue Service opinion letter most recently amended May 26, 2021, stating that the form of the prototype is acceptable under Section 401 of the Code. Although the Plan has been amended since receiving its opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RECONCILIATION TO FORM 5500:

The differences between these financial statements and the Form 5500, if any, are immaterial.
