September 8, 2026

To the Plan Administrators of
the Robert Madden Industries, Ltd. 401(k) Plan
Lubbock, Texas

We have audited the financial statements of the Robert Madden Industries, Ltd. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025, and we issued our report thereon dated September 8, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal Trust Company (Principal), the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (GAAS), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 8, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 8, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Consideration of Internal Control

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan, an employee benefit plan subject to ERISA, as of and for the year ended December 31, 2025, in accordance with GAAS, we considered the Plan's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal, who prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DOL Audits

The DOL is continuing to audit a large number of employee benefit plans. Although the DOL may audit any area of the Plan for compliance, their current focus appears to be centered on these areas:

- **Recordkeeping** – As an employer sponsoring a retirement plan, you are required by law to keep your books and records available for review by the Internal Revenue Service. Having these records will also facilitate answering questions when determining participants' benefits. As a plan sponsor you should keep the Plan and trust document, recent amendments, and determination and approval letters. You should also keep trust records such as investment statements, balance sheets, and income statements, and participant records such as census data, account balances, contributions and earnings, loan documents and information, compensation data and participant statements and notices. You should keep retirement plan records until the trust has paid all benefits and enough time has passed that the plan won't be audited. The Internal Revenue Code, Income Tax Regulations and ERISA require plan sponsors to keep records of these transactions because they may become material in administering pension law.
- **Forfeitures** – Unallocated forfeitures should be disposed of in a timely manner. At least annually, forfeitures should be evaluated and used appropriately to ensure compliance with the plan document.
- **Timely Remittances of Deposits** – DOL regulations require employee contributions and participant loan repayments withheld from the employees' wages by the employer be remitted to the Plan at the earliest date that the assets can be reasonably segregated from the employer assets, but in no event later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the employer. Failure to remit employee contributions and loan repayments violates the fiduciary responsibilities imposed by ERISA. Accordingly, our recommendation is such remittances to the Plan are made on the same day the company's payroll taxes are remitted.
- **Fee Analysis** – The DOL heavily regulates the fees paid by pension plans, to ensure that fees are transparent, reasonable, and that plan fiduciaries act in the sole interest of plan participants and beneficiaries. Specifically, a pension plan fiduciaries (typically the employer or a designated committee) are responsible for ensuring fees are appropriate, and plan administrators are required to provide participants with clear information about the fees and expenses associated with their retirement plan.
- **Participant Education** – Are the Plan administrators and trustees providing periodic education to the participant so knowledgeable decisions may be made by the participants? Making education available to all participants on at least an annual basis is expected by the DOL.
- **Annual Meeting of Plan Trustees and Administrators** – At least annually, the Plan trustees and administrators should meet to discuss various aspects of the benefit plan, including a discussion of administrative and investment fees; education for its participants; investment policy and decision regarding changes to investments offered by the Plan; changes in laws and regulations; and the general environment surrounding the Plan sponsor and the Plan itself. This meeting should be documented in formal minutes maintained in the permanent files of the Plan.

This information is intended solely for the use of the trustees, administrators and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

RBMS, LLP
