## Independent Auditor's Report

Plan Administrator  
Delaware Claims Processing Facility, LLC 401(k) Plan  
Wilmington, Delaware

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the Delaware Claims Processing Facility, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The ERISA-required supplemental schedules (Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2025) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to the Financial Statements

### 1. Description of the Plan

The following description of the Delaware Claims Processing Facility, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and any amendments thereto for a more complete description of the Plan's provisions.

#### *General*

The Plan is a safe harbor defined contribution and profit-sharing plan with 401(k) salary deferral provisions covering all employees of Delaware Claims Processing Facility, LLC (the Company or Employer) except union employees or non-resident aliens and residents of Puerto Rico, who have completed 30 days of employment and have attained the age of twenty-one. Eligible employees may participate in the Plan on the first day of the month following the date the participant satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

In addition, participants will have a 1-year break-in service if the participant completes less than 501 hours of service during the computation period, as defined in the Plan

#### *Custodian and Administration of the Plan*

The custodian of the Plan is Transamerica Life Insurance Company, Inc. and the recordkeeper of the Plan is Transamerica Retirement Solutions, LLC (collectively, Transamerica or custodian). The administrator of the Plan is the Company. Transamerica holds all assets of the Plan in accordance with the service provider contract with the Company. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective September 25, 2025, the Plan transferred platforms within Transamerica and as a result of this change, participants may no longer contribute to investment options offered by the former recordkeeping system. The Employer completed a mapping of the previous investment options to the new investment options provided by Transamerica.

#### *Contributions*

Eligible participants may contribute up to the maximum allowed by the Internal Revenue Code (IRC). In addition, the Plan allows for catch-up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions), as defined in the Plan's provisions.

The Company makes safe harbor matching contributions equal to 100% of each employee's elective deferrals up to 6% of his or her eligible compensation each biweekly pay period. For the year ended December 31, 2025, the Company made matching contributions of \$836,054.

The Company may make discretionary non-elective profit sharing contributions to the Plan as determined by the Company's Board of Managers. The contributions will be distributed to each participant in the same ratio each participant's compensation bears to the total of such compensation of all participants. For the year ended December 31, 2025, no discretionary profit-sharing contributions were made.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

## Notes to the Financial Statements

---

Participants direct the investment of their contributions into various investment options offered by the Plan.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, including amounts rolled over from other qualified plans, and allocations of the Company's matching and profit sharing contributions, if any, and Plan earnings and losses, less any charges, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in all contributions, as well as actual earnings and losses thereon, except for discretionary non-elective profit-sharing contributions. Discretionary non-elective profit-sharing contributions vest ratably over five years beginning with the second year of employment. A participant must work at least 1,000 hours and be employed on the last day of the plan year to be credited with a year of service. The portion of a participant's account attributable to the Company's discretionary non-elective profit-sharing contribution becomes fully vested upon a participant's death, disability or retirement.

### ***Notes Receivable from Participants***

Participants may have up to three notes receivable and borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, reduced by the highest outstanding loan balance in their account during the prior 12 month period. Effective April 1, 2026, participants may have up to four notes receivable outstanding at one time. The notes are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan Administrator. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. Principal and interest are paid ratably through bi-weekly payroll deductions. These loans are subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

### ***Payment of Benefits***

On termination of service due to death, disability, retirement or any other reason, a participant or beneficiary may elect to receive an amount equal to the value of participant's vested interest.

Participants may elect to withdraw from their accounts while still employed by the Company (in-service distribution) if over the age of 59 ½ or in the event of proven financial hardships.

Upon termination of service, if the vested value of a participant's account is less than \$1,000, his or her account will be distributed in a single lump-sum payment. If the vested value of a participant's account exceeds \$1,000, he or she may elect to receive either a lump-sum amount, substantially equal payments for a specified term or elect to have all the distribution paid in a direct rollover to another qualified plan, or a combination of the above.

### ***Forfeitures***

At December 31, 2025 and 2024, forfeited accounts totaled \$155 and \$9,622, respectively. Forfeited accounts are utilized to reduce employer contributions. During the year ended December 31, 2025, the Plan utilized forfeitures of \$2,931 to reduce employer contributions.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value except for the Plan's direct investment in the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a description of fair value measurements. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Plan's custodian, Transamerica Life Insurance Company Inc.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments, the Plan Administrator deems the participant loan to be in default. Once a distributable event occurs, such as employment termination, the participant loan balance is reduced, and a benefit payment is recorded.

### ***Payment of Benefits***

Benefits are recorded when paid.

### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly

## Notes to the Financial Statements

to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### 3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica, a qualified institution.

### 4. Fair Value of Investments

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's 2024 investments in pooled separate accounts were valued at net asset value (NAV) per share based on quoted market prices of the underlying investments. The NAV, as provided by the custodian, was used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used at December 31, 2025 or 2024.

There are no unfunded commitments from participants in the Plan who invest in these accounts.

## 5. Fully Benefit-Responsive Investment Contract with Transamerica

The Transamerica Stable Value Beacon Option Fund is an indirect investment in a fully benefit-responsive fund with Transamerica's Group Annuity Contract. In connection with the platform conversion described in Note 1, the Transamerica Stable Value Option Fund was automatically transferred to the Transamerica Stable Value Beacon Option Fund. This investment is reported at contract value which is equal to fair value, as reported by Transamerica. Contract value represents deposits made to the contract plus earnings at guaranteed crediting rates, less withdrawals and fees. Transamerica maintains the Plan's deposits in its general account to which it adds interest at the credited rate 3.25% and 2.50% at December 31, 2025 and 2024, respectively. The weighted average interest rate earned for the year ended December 31, 2025 was 3.25%. Withdrawals are permitted at any time without penalty.

The terms of Transamerica's Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution Plan such as withdrawals for benefits, loans or transfers to other investment choices within the Plan. Since the Stable Value Option investment choice is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable.

# Delaware Claims Processing Facility, LLC 401(k) Plan

## Notes to the Financial Statements

---

The balance as of December 31, 2025 and 2024 is \$4,041,305 and \$3,342,638, respectively, and is included in the statements of net assets available for benefits.

### 6. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Transamerica and affiliates, the custodian or recordkeeper of the Plan. Participant loan and distribution processing fees are paid to Transamerica by participants. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

### 7. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

### 8. Income Tax Status

Effective January 1, 2009, the Plan became an EGTRRA-compliant 401(k) safe harbor retirement plan sponsored by Transamerica Retirement Solutions LLC. The pre-approved plan has received an opinion letter from the IRS dated June 30, 2020 as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

### 10. Prohibited Transactions

During the Plan years ended December 31, 2024 and 2023, participant contributions and loan repayments totaling \$1,682 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute non-exempt party-in-interest transactions or prohibited

## **Notes to the Financial Statements**

---

transactions as defined by ERISA. The related 2023 and 2024 lost earnings were fully corrected in 2025.

### **11. Subsequent Events**

The Plan Administrator has evaluated subsequent events through September 16, 2026, the date the financial statements were available to be issued. The Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements, except as described within Note 1.
