INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Above and Beyond Therapy 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Above and Beyond Therapy 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Above and Beyond Therapy 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Above and Beyond Therapy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Above and Beyond Therapy 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Above and Beyond Therapy 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Above and Beyond Therapy 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) (Schedule H, Line 4i), as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ABOVE AND BEYOND THERAPY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Above and Beyond Therapy 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan, which became effective January 1, 2023 is a defined contribution plan that covers all employees of the Company, who are twenty-one and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Plan management is responsible for oversight of the Plan.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. Above and Beyond ABA Corporate LLC, the Plan Sponsor, has until the end of the first Plan year beginning on or after January 1, 2026, to amend the Plan for the changes related to SECURE 2.0.

CONTRIBUTIONS

Each year, participants may contribute up to 90 percent of the pretax annual compensation, as defined in the Plan, through salary deferrals not to exceed the maximum allowable limits under section 401(k) of the Internal Revenue Code (\$23,500 for 2025). Participants who will attain age 50 before the end of the Plan year may contribute an additional \$7,500 for 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows Elective Deferral Contributions to be made as Roth Contributions. Deferral Contributions are made in the same manner as pre-tax Elective Deferral Contributions except that Roth Contributions are made to the Plan on an after-tax basis. Participant's contributions are recorded when withheld from participant's earnings. The Company contributes discretionary matching to participants that contribute to the Plan. The matching Company contribution is invested as directed by the participant. The Company may elect to make additional non-elective contributions to the Plan, although, the Company is not required to make these contributions.

Contributions are subject to certain IRS limitations.

PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocation of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of all their contributions into various investment options offered by the Plan.

ABOVE AND BEYOND THERAPY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are vested immediately in their contributions plus actual earnings. Vesting in the Company's matching contribution portion of a participant's account is based on years of continuous service, and vests 20% after two years of service, 40% after three years of service, 60% after four years of service, 80% after five years of service and 100% vested after six years of service.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant will receive a lump sum amount equal to the value of the participant's vested interest. A partial or installment distribution may be permitted if needed to satisfy the required minimum distribution rule. Terminated participants with account balances of \$5,000 or less may be automatically paid out. Certain distributions may be subject to a federal tax penalty.

In certain circumstances as described in the Plan documents and in accordance with Internal Revenue Service ("IRS") regulations, participants may qualify for a hardship withdrawal.

FORFEITED ACCOUNTS

At December 31, 2025 and 2024, the forfeited nonvested accounts totaled \$19,176 and \$0, respectively. This account will be used to pay future Plan expenses or reduce future discretionary Company match.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. The loans are secured by the balance in the participants' account and bear interest at rates which are commensurate for similar types of loans as determined by the plan administrator. Generally, the term of the loan may not exceed five years (unless the loan proceeds will be used to purchase a principal residence). Principal and interest is paid ratably through monthly payroll deductions.

Per the Plan amendment in August 2024, no new loans are permitted.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, and in accordance with provisions of ERISA.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company, and are excluded from these financial statements. Fees related to the administration of benefit payments (distributions) and administration of notes receivable from participants, are charged directly to the respective participants' accounts. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INVESTMENTS (UNAUDITED)

Gains and losses (realized and unrealized) included in the changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation in fair value of investments. During the year ended December 31, 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$379,555.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The 3 levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest – bearing cash – Interest - bearing cash consists of money in an interest-bearing cash account.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 4,092,015	\$ -	\$ -	\$ 4,092,015
Interest - bearing cash	2,873	-	-	2,873
Total investments at fair value	<u>\$ 4,094,888</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,094,888</u>

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 1,295,562	\$ -	\$ -	\$ 1,295,562
Interest - bearing cash	2	-	-	2
Total investments at fair value	<u>\$ 1,295,564</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,295,564</u>

There were no significant transfers between Levels 1 and 2, and no transfers in or out of Level 3 for the year ended December 31, 2025 and 2024.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company in a letter dated June 30, 2020, that the prototype plan as then designed is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the applicable IRS letter, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED – PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2025 and 2024, Plan investments were held by Matrix Trust Company, the trustee for the Plan, and, therefore these transactions qualify as exempt party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

Human Interest Advisors, LLC., Third-Party Administrator was engaged by the Plan Sponsor to perform compliance testing, and prepare the annual information return. Fees for these services aggregated \$16,684, and were paid by the Plan in 2025.

The Company pays professional and administrative fees on behalf of the Plan at no cost to the Plan.
