To the Administrative Committee and Management of
the Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 102(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States for America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant auditing findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at Year End are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PEPPERS UNLIMITED OF LOUISIANA, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

(A) DESCRIPTION OF PLAN

The following description of the Peppers Unlimited of Louisiana, Inc. (the "Organization") 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees who complete one consecutive year of employment with the Organization and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is designed to comply with the applicable sections of the Internal Revenue Code.

Contributions – Each year, participants may elect to contribute salary deferrals and/or Roth deferrals, but not to exceed the dollar limitation contained in section 402(g) of the Code in effect at the beginning of such taxable year, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into any of the Plan's investment options under a group contract with an insurance company. The Organization's Board of Directors may elect to make a safe harbor matching contribution. Contributions are subject to certain limitations. For Plan year 2022, the Organization made safe harbor matching contributions at a rate of 100% of salary deferrals up to the first 3% of plan compensation, plus 50% of salary deferrals up to the next 2% of plan compensation.

Participant Accounts – Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and an allocation of (a) the Organization's contribution, (b) Plan earnings and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are available to reduce employer contributions and offset administrative expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

Investment Options – Participants are solely responsible for directing the investment of contributions and existing account balances among the various mutual funds, pooled separate accounts, and fixed account options offered by the Plan.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's safe harbor matching contributions and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Effective January 1, 2020, a participant is one hundred percent (100%) vested after six years of credited service.

Payment of Benefits – On termination of service, death, disability, or retirement, distributions of an amount equal to the value of the participant's vested account balance are to be paid to the participant as soon as administratively feasible following the date the participant requests a distribution. In-service withdrawals are permitted for active participants who have attained age 59½ of their vested account balance. Effective May 1, 2019, the Company has amended the Plan to comply with the Bipartisan Budget Act of 2018. Participants are no longer required to take a loan prior to a hardship withdrawal and contributions are no longer suspended as a result of taking a hardship withdrawal.

Forfeited Accounts – At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$1,567 and \$1,550, respectively. These accounts will be used to reduce administrative expenses and to reduce employer contributions.

(B) SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America (“GAAP”).

Use of Estimates – The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates, judgements and assumptions that affect the amounts reported in the financial statements and accompanying notes during the reporting period. Actual results may differ from those estimates.

Investment Valuations and Income Recognition – Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. The Plan's investments consist of a variety of mutual funds, held in pooled separate accounts, and a fixed account (GIC related investment option) under a separate account contract with an insurance company.

Investments in mutual funds are reported at fair value based on quoted market prices. The pooled separate accounts are invested directly in designated mutual funds. The fixed account is considered fully benefit responsive; therefore, it is reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions – Contributions from the Company are accrued in accordance with the terms of the Plan. Participant contributions are recorded in the period the Company makes the corresponding payroll deductions.

Payment of Benefits – Benefits are recorded when paid.

Operating Expenses – Some expenses of maintaining the Plan are paid by the Organization while other expenses may be paid from the assets of the Plan. The expenses that are paid from Plan assets will either be shared by all participants or will be charged directly to the account of the participant that incurred the expenses. Fees paid by the Plan for the administrative services amounted to \$14,961 for the year ended December 31, 2022.

(C) FAIR VALUE MEASUREMENTS

The authoritative guidance defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

**PEPPERS UNLIMITED OF LOUISIANA, INC.
401(k) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

(C) FAIR VALUE MEASUREMENTS – continued

The guidance describes three levels of input that may be used to measure fair value, which are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities;

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liabilities; and

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's financial assets measured at fair value on a recurring basis were as follows:

December 31, 2022				
	Carrying Value (Fair Value)	Quoted prices in active markets (Level 1)	Significant Other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Pooled Separate Accounts	<u>\$ 2,360,006</u>	<u>\$ -</u>	<u>\$ 2,360,006</u>	<u>\$ -</u>

December 31, 2021				
	Carrying Value (Fair Value)	Quoted prices in active markets (Level 1)	Significant Other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Pooled Separate Accounts	<u>\$ 2,533,678</u>	<u>\$ -</u>	<u>\$ 2,533,678</u>	<u>\$ -</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

(D) FULLY BENEFIT – RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment in a traditional investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The guaranteed investment contract (GIC) is reported based upon observable inputs, including the Plan's assumptions as to what market participants would use in pricing such instruments. The Fixed Account is credited with declared rates of interest and are subject to a minimum rate. Amounts allocated to the Fixed Account are held in the issuer's general account which supports insurance and annuity obligations.

(E) INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN INSURANCE COMPANY

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. All investment information presented in the accompanying financial statements and supplementary schedule, including investments held and net appreciation/depreciation in fair value of investments and interest and dividends, was obtained or derived from the data that has been prepared and certified to as complete and accurate by the custodian and record keeper, Equitable Life Insurance Company.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule

(F) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their accounts.

(G) TAX STATUS

The Internal Revenue Service has informed Equitable Financial Life Insurance Company by an opinion letter dated June 30, 2020 that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been restated since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

(H) ADMINISTRATIVE COSTS

The Plan's sponsor absorbs plan administrative fees. The costs absorbed by the Plan's sponsor for the year ended December 31, 2022, approximated \$11,400.

(I) CONCENTRATIONS AND RISKS

Under an insurance contract, substantially all of the Plan's assets are invested in a diversified range of mutual funds and funds within the insurance company that are segregated from other funds of the Company. These funds are not insured or guaranteed against defaults except to the extent each fund is invested in U.S. Government backed securities.

(J) VESTED BENEFITS PAYABLE

The Plan had several participants who had separated from employment with the Plan's sponsor. The total deferred vested benefits due to these participants at December 31, 2022 were \$36,156. In accordance with generally accepted accounting principles, no accrual has been established for these benefits payable.

(K) RELATED PARTY TRANSACTIONS

Certain investments of the Plan are managed by Equitable and therefore, Equitable qualifies as a related party with respect to the Plan. Investment transactions with Equitable qualify as party-in-interest transactions that are exempt from prohibited transaction rules.

(L) SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

To the Administrative Committee and Management of
the Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan
St. Martinville, Louisiana

We have audited the financial statements of Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and we will issue our report dated October 12, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Equitable Life Insurance Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our audit engagement letter dated January 4, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan are described in Note (B) to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedures is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplementary schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Administrative Committee and management of the Peppers Unlimited of Louisiana, Inc. 401(k) Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Wright, Moore, DeHart
