INDEPENDENT AUDITOR'S REPORT

September 1, 2026

To the Plan Administrator of the
Mindex Technologies, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mindex Technologies, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mindex Technologies, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mindex Technologies, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mindex Technologies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mindex Technologies, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mindex Technologies, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MINDEX TECHNOLOGIES, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the Mindex Technologies, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all the employees of Mindex Technologies, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration and Custodian

The Company is the sponsor and administrator of the Plan. Fidelity Management Trust Company (Fidelity) is the trustee and custodian of the Plan's assets and provides recordkeeping and administrative services for the Plan.

Eligibility

Full-time employees are eligible to participate in the Plan on the first day of the month following the participant's date of hire and the attainment of eighteen years of age. Part-time employees are eligible to participate in the Plan after completing 1,000 hours of service and the attainment of twenty-one years of age and enter the Plan on the first day of the month following the satisfaction of these requirements.

Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 7% of eligible compensation and their contributions treated as a pre-tax deferral. The Plan also includes an auto-increase provision whereby on January 2nd of each Plan year, participant's deferral rate will increase by 1% up to a maximum of 15% of compensation. Participants may complete a salary deferral agreement to elect an alternative deferral amount or to elect not to defer under the Plan in accordance with the deferral procedures of the Plan. Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable in accordance with applicable sections of the Internal Revenue Code (IRC). Participants may also make Roth contributions subject to certain limitations under the IRC. Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Additional discretionary matching and profit-sharing contributions may be contributed at the option of the Company. The discretionary matching contributions are based on a percentage of a participant's elective deferral amount. For the years ended December 31, 2025 and 2024, the discretionary matching contribution was equal to 25% of a participant's elective deferrals, up to a maximum of \$10,000 of participant contributions (resulting in a maximum employer match of \$2,500) each Plan year. The Company did not make any discretionary profit-sharing contributions in 2025 or 2024.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Participants direct the investment of their contributions and employer discretionary matching and profit-sharing contributions into the various investment options offered by the Plan. Each participant's account is credited with the elective deferral contributions, employer discretionary matching contributions and profit-sharing contributions, and Plan earnings, losses, and administrative expenses. Allocations of earnings, losses, and administrative expenses are based on participant earnings or account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Employer discretionary matching and profit-sharing contributions plus earnings thereon become 33% vested upon completion of one year of service and continue to vest at the rate of 33% for each successive year of service until 100% vested after three years of service.

Forfeitures

Forfeitures of non-vested discretionary matching and profit-sharing contributions are used to reduce future employer contributions or offset administrative expenses. Unused amounts are held and invested in a segregated account within the Plan. In 2025 and 2024, there were forfeitures of non-vested employer contributions and earnings on unused amounts totaling \$66,973 and \$91,433, respectively. At December 31, 2025 and 2024, there was \$8,611 and \$14,422, respectively, available to reduce future employer contributions or pay administrative expenses. In 2025 and 2024, forfeitures of \$72,784 and \$88,034, respectively, were used to reduce employer contributions or to offset administrative expenses.

Benefit Payments

Upon retirement, death, hardship, or termination of employment, a participant may elect to receive benefits either in a lump-sum distribution of their vested account balance or in the form of an annuity. Participants may also elect an in-service distribution upon attaining age 59 ½. Participants whose vested account balance is \$7,000 or less at the time of termination are subject to the involuntary cash-out provisions of the Plan.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's pre-tax and Roth deferral contribution accounts. All hardship withdrawals must comply with IRC rules relating to hardship withdrawals, which are uniformly applicable to all participants.

Administrative Expenses

Expenses associated with the administration of the Plan are paid by both the Company and the Plan.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is provided in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Benefit Payments

Benefit payments are recorded when paid.

Revenue Credits

Revenue credits are provided under the agreement with Fidelity, whereby a portion of the fees paid for services is returned to the Plan. Revenue credits received are recorded as other revenue on the statements of changes in net assets available for benefits. The Plan allocates such excess revenue to accounts of eligible participants, typically as a negative expense.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Fidelity, the trustee, as of and for the years ended December 31, 2025 and 2024, respectively, and is included in the accompanying financial statements and supplemental schedule:

	<u>2025</u>	<u>2024</u>
Investments, at fair value	<u>\$ 57,598,468</u>	<u>\$ 45,759,653</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 56,075,824	\$ -	\$ -	\$ 56,075,824

Common/collective trust, at net asset value ^(a)				<u>119,630</u>
Total				<u>\$ 57,598,468</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 44,807,479	\$ -	\$ -	\$ 44,807,479
Self-directed brokerage accounts	626,065	-	-	626,065
Money market fund	<u>250,992</u>	<u>-</u>	<u>-</u>	<u>250,992</u>
	<u>\$ 45,684,536</u>	<u>\$ -</u>	<u>\$ -</u>	45,684,536
Common/collective trust, at net asset value ^(a)				<u>75,117</u>
Total				<u>\$ 45,759,653</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no changes to the valuation methodologies used during 2025 and 2024.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds that are valued at the daily closing price as reported by the fund.

Money market fund: Valued at fair value based on quoted market prices in active markets.

Common/collective trust: Valued at fair value using the net asset value per share practical expedient, based on the value of the underlying investments held at year end, divided by the number of units outstanding. The unit price is set by the trustee; however the unit price is based on the market value of the underlying investments as measured at the close of business on the valuation date and is primarily based on observable inputs. The primary investment objective of the common/collective trust is to seek income while preserving the principal investment. These accounts do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity, the trustee, and therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management and certain administrative services are paid through revenue-sharing arrangements and, accordingly, are included in other revenue rather than being paid directly by the Plan. Under these arrangements, Fidelity receives compensation from investment fund service providers for services provided to the investment funds. Such compensation is applied against amounts otherwise payable to Fidelity for administrative services provided to the Plan.

To the extent revenue-sharing payments received by Fidelity exceed the amounts owed for its administrative services, the excess is credited to the Plan. Such amounts are generally allocated to eligible participant accounts on a quarterly basis as soon as administratively feasible following the issuance of the applicable quarterly recordkeeping invoice. Allocations are made to eligible participants based on each participant's proportionate average daily balance in the investment fund that generated the revenue-sharing credits during the applicable quarter. Amounts allocated to participant accounts are invested in the related investment fund or, when required under the administrative provisions of the Plan, in accordance with the participant's current investment elections or the Plan's default investment alternative.

Any administrative expenses not covered by revenue-sharing payments may be paid by the Plan or the Company.

6. TAX STATUS

The Company has adopted a pre-approved plan document offered by FMR LLC that has received an IRS Opinion Letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 1, 2026, which is the date the financial statements were available to be issued.
