## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
Real Foundations, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Real Foundations, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 (in liquidation) and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2024 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Real Foundations, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Real Foundations, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter – Basis of Accounting**

As discussed in Note C to the financial statements, the governing body of Real Foundations, Inc. 401(k) Plan approved a plan of liquidation on October 3, 2025, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Real Foundations, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) and delinquent participant contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information,

including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## REAL FOUNDATIONS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

### NOTE A - GENERAL DESCRIPTION OF THE PLAN

The following description of the Real Foundations, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all full-time and part-time employees of Real Foundations, Inc. (the “Company”) who have three months of service and are age twenty-one or older. The Plan is subject to the provision of the *Employee Retirement Income Security Act of 1974* (“ERISA”). The Plan trustees are responsible for oversight of the Plan.

#### Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants may also make after-tax ROTH contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant. Matching contributions are discretionary and are determined annually by the Board of Directors. For the 2025 Plan year, the Board of Directors elected to contribute 50% of the employee contributions up to a maximum of 3% of the employee’s salary. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

#### Participant Accounts

Each participant's account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Company contributions and earnings thereon vest at a rate of 25% per year of service. A participant is 100% vested after four years of credited service. Participants who leave the Company before they are fully vested in the Company’s contributions forfeit the non-vested portion of their account.

Notes to Financial Statements

December 31, 2025 and 2024

### **NOTE A - GENERAL DESCRIPTION OF THE PLAN - Continued**

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rates are prime rate plus one percent at the time the loans were originated. Principal and interest is paid ratably through periodic payroll deductions. Participant's may have up to two loans outstanding from the Plan at a time. At December 31, 2025, the interest rates on participant loans ranged from 4.25% to 9.5%. The loans are due at various dates through 2040.

#### Payment of Benefits

The benefit a participant is entitled to is the value of the participant's vested interest in his or her account. Upon death, disability, retirement, or termination of service due to other reasons, a participant whose vested balance is in excess of \$5,000 may elect to receive either a lump-sum amount, ad-hoc distributions, or installment payments. Participants whose vested balance is less than \$5,000 are subject to mandatory cash out provisions as defined by the Plan document.

#### Investment Options

All investments are participant directed except for the forfeiture account balance. The participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers various mutual funds, a guaranteed interest account, collective trust fund, and individual investment brokerage accounts as investment options for participants.

#### Forfeited Accounts

Forfeiture account balances are used first to reduce future employer contributions and then to pay plan administrative expenses. At December 31, 2025 and 2024, there were \$3,797 and \$14 forfeited nonvested account balances respectively. In 2025, employee accounts forfeited were \$6,161, interest earned on forfeited account balances were \$31, and employer contributions were reduced by \$2,439 from forfeited nonvested account balances.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES**

#### Basis of Accounting

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. Due to management's decision to terminate the Plan, the 2025 financial statements have been prepared using the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured at the expected cash proceeds from liquidation.

## REAL FOUNDATIONS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES - Continued

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

#### Investment Valuation and Income Recognition

All investments on the 2025 Statement of Net Assets in Liquidation Available for Benefits are reported at liquidation value which approximates fair value.

Investments are reported on the 2024 Statement of Net Assets Available for Benefits are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance companies. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Administrative expenses may be paid from the Plan's forfeitures, if any. All remaining expenses shall, unless allocable to the accounts of particular participants, be charged against the account of all participants as provided in the Plan document. Investment related expenses are included in net appreciation of fair value of investments.

## REAL FOUNDATIONS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES - Continued

#### Subsequent events

The Plan has evaluated subsequent events through September 2, 2026, the date the financial statements were available to be issued.

### NOTE C – PLAN TERMINATION

The governing body of Real Foundations, Inc. 401(k) Plan approved a plan of liquidation on October 3, 2025, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. The Plan's assets were in the process of being distributed as of December 31, 2025. The Plan's assets were fully distributed, and the Plan was terminated in 2026.

### NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement & Disclosure*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and quoted prices for similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following is a description of the valuation methodologies used for assets measured at fair value.

#### *Self-Directed Brokerage Accounts*

Accounts consist of cash, mutual funds, exchange traded funds, common stocks, and bonds that are valued on the basis of readily determinable market prices.

#### *Mutual Funds*

The fair value of the mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values are based on the reported closing price.

# REAL FOUNDATIONS, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

## NOTE D – FAIR VALUE MEASUREMENTS - Continued

### *Collective Investments Trust Funds*

The collective investment trust funds are measured at net asset value (NAV) as the practical expedient to estimate fair value. NAV as provided by the fund's management is based on the fair value of the underlying investments held by the fund less its liabilities.

Participants may make daily fund transactions (purchases and sales). If the Plan initiates a full redemption of the collective trust, the issuers reserve the right to require 12 months' notice in order to ensure that securities liquidations will be carried out in an orderly business manner. While the Fund's Trustee will attempt to maintain sufficient liquidity to meet all withdrawal requests, it is possible that such requests will exceed the Fund's available liquidity requiring the Fund's Trustee to defer honoring the withdrawal request. Exchanges of the collective investment trust fund held by the Plan at December 31, 2025 into directly competing investments, as defined, are not permitted. Exchanges must be directed into a non-competing investment for a period of 90 days before being moved to a competing investment. There are no unfunded commitments as of December 31, 2025, for the collective trust fund.

### **NOTE F – TAX STATUS**

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

The Plan obtained its latest determination letter dated November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Company and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan administrators believe the Plan is no longer subject to income tax examinations for years prior to 2023.

### **NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
