Report on Independent Auditor

To,
The Participants and the Plan Administrator,
Russellville Engineered Castings, Inc. 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of Russellville Engineered Castings, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of February 13, 2026 (in liquidation), and June 30, 2025, and the related statements of changes in net assets available for benefits for the period from July 01, 2025, to February 13, 2026 (in liquidation), and the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of February 13, 2026, and June 30, 2025, and for the period July 01, 2025, to February 13, 2026, and year ended June 30, 2025, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the auditor’s responsibilities for the audit of the financial statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are required to be independent

of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter - Plan termination and Liquidation basis of accounting

As discussed in Note 1 and Note 9 of the financial statements, the Board or Directors of Russellville Engineered Castings, Inc. ("the Plan Sponsor") approved a resolution to terminate the Plan effective September 15, 2025, and management determined that liquidation of the Plan was imminent. As a result, the Plan changed its basis of accounting from the going-concern basis used in presenting the June 30, 2025, financial statements to the liquidation basis of accounting basis used in presenting the February 13, 2026, financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other matters

Supplemental schedule required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4a – Schedule of delinquent contributions for the period July 01, 2025, to February 13, 2026 (under supplemental information), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

NOTE 1: DESCRIPTION OF PLAN

The following description of the Russellville Engineered Castings, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a profit-sharing plan, effective November 01, 2015, covering all employees of Russellville Engineered Castings, Inc. (“the Company/ Plan Sponsor”) and any participating affiliates. Employees are permitted to enter the Plan on the day they become employees of the Company and attain 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

Effective September 15, 2025, the Board of Directors of the Plan Sponsor approved a resolution to terminate the Plan. Management determined that liquidation of the Plan was imminent as of that date. As a result, the Plan changed its basis of accounting from the going-concern basis used in presenting the June 30, 2025, financial statements to the liquidation basis of accounting basis used in presenting the February 13, 2026, financial statements. Upon termination, all participants became fully vested in their accounts, and contributions to the Plan ceased. Participants and other affected parties were appropriately notified that the Plan would be terminated as of that date. Participant accounts were liquidated and distributed during the period September 15, 2025, till February 13, 2026. The final distribution of all Plan assets was completed by February 13, 2026, at which time the Plan had no remaining net assets available for benefits.

Liquidation Basis of Accounting

The financial statements as of February 13, 2026, and for the period from July 1, 2025, to February 13, 2026, have been prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under the liquidation basis of accounting, assets are measured at the estimated amounts of cash or other considerations expected to be collected upon settlement or disposal, and liabilities are measured at the estimated amounts expected to be paid in settlement during the liquidation process. As of February 13, 2026, all Plan assets had been distributed to participants and beneficiaries, all known liabilities had been settled, and the Plan had no remaining net assets available for benefits.

Eligibility

Employee elective deferrals under formula 1:

Non-union employees, leased employees, and certain independent contractors are permitted to enter the Plan on the day they become employees of the Company and attain 18 years of age.

Employee elective deferrals under formula 2:

Employees that are covered under a collective bargaining agreement (union employees), leased employees, and certain independent contractors are permitted to enter the Plan on the day they complete 90 days of service and attain 18 years of age.

Employer matching contributions under formula 1:

Non-union employees, leased employees, and certain independent contractors are permitted to enter the Plan on the day they become employees of the Company and attain 18 years of age.

Employer matching contributions under formula 2:

Employees that are covered under a collective bargaining agreement (union employees), leased employees, and certain independent contractors are permitted to enter the Plan on the day they complete 90 days of service and attain 18 years of age.

Employer non-elective contributions under formula 1:

Non-union employees, leased employees, and certain independent contractors are permitted to enter the Plan on the day they become employees of the Company and attain 18 years of age.

Employer non-elective contributions under formula 2:

Employees that are covered under a collective bargaining agreement (union employees), leased employees, and certain independent contractors are permitted to enter the Plan on the day they complete 90 days of service and attain 18 years of age.

Contributions

The Plan includes a provision under the Internal Revenue Code ("IRC") Section 401(k) whereby participants may make pre-tax and roth contributions by reducing their annual compensation by a specified dollar amount or by a specified percentage, subject to limitations under the IRC. Participants aged fifty and older are also allowed to make catch-up contributions.

The Company has an option (Formula 1) to make matching contributions to the Plan equal to a percentage of participants' elective contributions to the Plan, the percentage being determined by the Company and allocated to participants at the end of the Plan year. The Company also has an option (formula 2) to make non-elective contributions to the Plan. The non-elective contributions can be allocated to all employees eligible to participate in the Plan. The employee must be an eligible participant employed on June 30 and should have completed at least 1,000 hours of service to receive this allocation. If the employment is terminated prior to June 30 due to death, disability, or attainment of age 65, the Plan's normal retirement age, the participant will be eligible to receive any non-elective contributions that the Company may make for the year in which the employment is terminated.

The Company serves as the Plan administrator. At the Plan administrator's discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant's account and are subject to the rules for investment established by the Plan administrator.

Administration

The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. The Company had engaged Newport Group, Inc. ("Newport") as a third-party administrator to assist in the administration of the Plan.

Newport served as the trustee of the Plan pursuant to the Plan agreement and has engaged John Hancock Life Insurance Company as the custodian for the Plan assets. The custodian received all contributions made under the Plan, held Plan assets, and paid benefits to participants as directed by the Plan Sponsor.

Russellville Engineered Castings, Inc. 401(k) Plan
Financial Statements
February 13, 2026 (in liquidation), and June 30, 2025 (ongoing)

Expenses

Some expenses incurred in administering the Plan are paid by the Company and are excluded from the Plan's financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants as applicable. Investment advisory/ broker fees, as well as certain third-party administrator fees, are paid by the Plan.

The administrative expenses comprise:

	For the period July 01, 2025, to February 13, 2026 (in liquidation)	For the year ended June 30, 2025 (ongoing)
Recordkeeping fees	30,265	38,650
Investment advisory and investment management fees	6,654	14,376
Total	36,919	53,026

Participant accounts

Each participant account is credited with pretax, rollover contributions made by the participant, Plan Sponsor contributions, and Plan earnings. Earnings, expenses, and gains and losses on investments are allocated based on participant account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested with respect to their contribution from their salaries and rollover contributions. However, participant vesting with respect to matching contributions and non-elective contributions made by the Plan Sponsor to their 401(k) Plan account balance is based on years of continuous service during which an employee completes at least 1,000 hours of service with the Company. The vesting percentages are as follows:

Years of vested service	Vesting percentage – Formula - 1	Vesting percentage – Formula - 2
1	0%	20%
2	20%	40%
3	40%	60%
4	60%	80%
5	80%	100%
6	100%	100%

Participants, however, are 100% vested in matching contributions and non-elective contributions if a participant is employed on or after early or normal retirement age, if the employment is terminated on account of the participant's death, or if the participant terminates employment as a result of becoming disabled.

Any portion of a participant's account balance attributable to rollover contributions from another qualified plan contributions is 100% vested at the time of contribution and not subject to forfeiture.

Russellville Engineered Castings, Inc. 401(k) Plan
Financial Statements
February 13, 2026 (in liquidation), and June 30, 2025 (ongoing)

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by an irrevocable pledge and assignment of 50% of the balance in the participant's account or other security (e.g., principal residence) and bear interest at rates ranging from 3.25% to 7.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account through a lump sum distribution.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service (IRS) penalties unless the distribution is transferred to another qualified plan or individual retirement account.

A participant may elect to withdraw all or any part of rollover contributions, if any, while still employed without restriction.

Forfeitures

Participants who terminate employment before they are fully vested forfeit all rights to the non-vested portion of their accounts. Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the Plan agreement. Forfeitures are first used to restore previously forfeited participant accounts, then to pay Plan administrative expenses, with any remaining forfeitures used to reduce future employer contributions in accordance with the Plan provisions.

Activity in the forfeiture account was as follows:

	For the period July 01, 2025, to February 13, 2026 (in liquidation)	For the year ended June 30, 2025 (ongoing)
Beginning forfeiture balance	5,798	11,357
Current-year forfeitures	15,250	9,979
Utilized for administrative expenses	(144)	(337)
Utilized to reduce employer contributions	(20,904)	(15,201)
Ending forfeiture balance	-	5,798

As a result of the Plan termination and liquidation, all forfeitures available during the period ended February 13, 2026, were utilized in accordance with the Plan provisions, and no forfeitures remained at February 13, 2026.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided various investment options in pooled separate accounts. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Cash and cash equivalents

Cash consists of employer discretionary contributions and accrued interest received by the Plan and not allocated to participants until subsequent to the last day of the plan year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of February 13, 2026, and June 30, 2025, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant's loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at quoted market prices or contract value, wherever applicable, as provided by the custodian. Net appreciation in the value of pooled separate accounts represents the change in fair value or contract value, wherever applicable, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Russellville Engineered Castings, Inc. 401(k) Plan
Financial Statements
February 13, 2026 (in liquidation), and June 30, 2025 (ongoing)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of Fair Value Measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at February 13, 2026, (in liquidation) and June 30, 2025 (ongoing). There were no changes in the methods used at February 13, 2026, (in liquidation) and June 30, 2025 (ongoing).

Pooled separate accounts: Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 3: INFORMATION CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY ("CUSTODIAN") (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator instructed the Plan's independent auditors not to perform audit procedures with respect to the investment information prepared and certified by John Hancock Life Insurance Company, the custodian, except for obtaining and reading the certification and comparing such certified information to the corresponding amounts and disclosures included in the Plan's financial statements for the period from July 1, 2025, through February 13, 2026, and for the year ended June 30, 2025.

NOTE 4: INVESTMENTS

A schedule of the fair value of individual investments that comprised 5% or more of the Plan's net assets available for benefits as of February 13, 2026, and June 30, 2025, is as follows:

Fund Name	2026*		2025	
	Amount in \$	%	Amount in \$	%
JH Multimanager 2040 Lifetime	-	-	2,062,652	28

<i>*No investments existed as of February 13, 2026, due to plan termination- Refer Note 1.</i>				

During the period from July 01, 2025, to February 13, 2026, and the year ended June 30, 2025, the Plan's investments (including gains and losses of investments bought, sold, and held during the year) appreciated in value as follows:

	For the period July 01, 2025, to February 13, 2026 (in liquidation)	For the year ended June 30, 2025 (ongoing)
Net appreciation in pooled separate accounts	701,904	827,253

NOTE 5: FAIR VALUE MEASUREMENTS

The preceding method described in note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

There were no assets measured at fair value as of February 13, 2026.

The following table sets forth, by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2025:

Growth funds	470,044	N/A	Daily	None
Income funds	57,552	N/A	Daily	None
Stable value funds	80,680	N/A	See below	None

The fair value amounts presented in the above tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Withdrawals from stable value funds may be subject to certain restrictions imposed by the custodian of the underlying trust. In general, withdrawals permitted by the Plan are processed on the next business day. However, withdrawals may be delayed under certain circumstances, as defined in the stable value fund's governing documents. If a withdrawal is deemed to be a plan-initiated withdrawal, it is subject to a 12-month hold or a market value adjustment, as defined.

There were no transfers between Level 1, Level 2, and Level 3 during the period from July 01, 2025, to February 13, 2026, and the year ended June 30, 2025.

NOTE 7: INCOME TAX STATUS

For the period July 01, 2025, to February 13, 2026, and the year ended June 30, 2025, the Plan Sponsor entered into a non-standardized arrangement of the Newport Group Inc. ("Newport"), *Non-Standardized Pre-Approved Profit-Sharing/ Money Purchase/CODA*. Newport has received an opinion letter from the IRS dated June 30, 2020, which stated that the form of the non-standardized pre-approved profit-sharing plan and related trust was designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustee and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require plan management to evaluate the Plan's uncertain tax positions. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of February 13, 2026, and June 30, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Newport served as the trustee of the Plan. John Hancock serves as the custodian of the Plan. The custodian has performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Plan. Newport provided services to the Plan as a third-party plan administrator for which administration fees are charged to the Plan. The Company serves as the Plan administrator and also provides certain accounting and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: PLAN TERMINATION

The Company's management determined that liquidation of the Plan was imminent as of September 15, 2025, and formally approved a resolution to terminate the Plan as of that date. Upon termination, all participants will become 100% vested in their accounts. During the period from September 15, 2025, through February 13, 2026, the Plan's remaining assets were distributed to participants and beneficiaries in accordance with Plan provisions and applicable regulations.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

Due to unintentional delays, the Company deposited certain participant contributions and loan repayments after the time frame deemed timely under DOL regulations. The Company corrected delinquent contributions for Plan years 2023 and 2024 by calculating and remitting lost earnings to affected participant accounts.

Plan year ended	Total delayed contributions	Delays corrected	Delays not corrected	Correction Plan Year(s)/Period(s)
June 30, 2023	\$11,230	\$11,230	-	June 30, 2025

June 30, 2024	\$7,699	\$7,699	-	February 13, 2026
---------------	---------	---------	---	-------------------

As contributions pertaining to June 30, 2023, and June 30, 2024, amounting to \$11,230 and \$12,863, respectively, were corrected in the Plan year of June 30, 2025, they do not form part of Schedule H, Part IV, Line 4a.

Late remittances of participant contributions and loan repayments constitute non-exempt prohibited transactions under ERISA and the IRC. Any applicable excise taxes and required filings (including VFCP/PTE 2002-51, if applicable) are the responsibility of the Plan Sponsor.

The Plan did not engage in any other non-exempt transactions during the years presented.

NOTE 11: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after February 13, 2026, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
