INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Dr. Phillips Center for the Performing Arts, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Dr. Phillips Center for the Performing Arts, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information included in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information included in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025 and 2024

NOTE 1 DESCRIPTION OF PLAN

The following description of the Dr. Phillips Center for the Performing Arts, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Dr. Phillips Center for the Performing Arts, Inc. (the "Center") who have 90 days of service, as defined by the Plan, and are age twenty-one or older. A part-time, temporary, or seasonal employee who is regularly scheduled to work less than 1,000 hours of service in a plan year is not eligible to participate in the Plan until such time as the employee completes 1,000 hours of service within a 12-month period, as defined by the Plan. Upon satisfaction of this requirement, the employee shall become eligible to participate in the Plan in accordance with its terms. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2025, in accordance with the SECURE 2.0 Act, long-term part-time employees are eligible to participate in the Plan for elective deferral purposes upon completing at least 500 hours of service for two consecutive 12-month periods. Upon satisfaction of these requirements, a long-term part-time employee shall become eligible to make elective deferrals to the Plan in accordance with its terms.

Plan Administration

The Center is the plan sponsor and plan administrator of the Plan, and as such, controls and manages the operation and administration of the Plan. The Plan's assets are maintained by Principal Life Insurance Company (the "Custodian"). Contributions are held by the Custodian, who invests cash received, interest and dividend income, and make distributions to participants (at the direction of the Center and the participants).

Contributions

Each year, participants in the Plan may voluntarily contribute up to 100% of their pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, under SECURE 2.0 Act, higher annual catch-up contribution limits were implemented for employees aged 60-63. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Center provides a safe-harbor matching contributions of 100% of the first 6% of participant contributions to the Plan. Discretionary profit sharing contributions may be contributed at the discretion of the Center. Matching and discretionary profit sharing contributions are invested in the same manner as participant contributions, as directed by the participant.

Participant and Center contributions are subject to the limitations specified by the Plan and the Internal Revenue Service (the "IRS").

Participant Accounts

Each participant's account is credited with the participant's contributions, Center matching and discretionary contributions, as well as allocations of earnings and losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately fully vested in their voluntary contributions and safe-harbor matching contributions, plus actual earnings or losses thereon. Vesting in the Center's discretionary contributions, including actual earnings or losses thereon, is based upon the number of years of service. Participants vest in the Center's discretionary profit sharing contributions after two years of service, becoming fully vested after two years of credited service. Participants become fully vested in Center discretionary profit sharing contributions and earnings upon death, disability (as defined by the Plan), attainment of normal retirement age (as defined by the Plan), or upon termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest of any outstanding loan balance during the prior twelve-month period. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the time of issuance, is set at a reasonable rate commensurate with the prevailing market rate, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Loans are treated as an investment of the borrowing participant's account and only the borrowing participant's account receives interest paid on the participant loan.

Payment of Benefits

On termination of service with the Center due to death, disability, retirement, or other reason, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, the Plan allows hardship withdrawals as allowed by the Internal Revenue Code.

Participants still employed who have reached the age of 59 ½ are eligible to withdraw all or a portion of their vested accounts.

Forfeitures

The non-vested portion of a participant's account balance upon termination of service with the Center is forfeited. Forfeitures may be used by the Plan for administrative expenses of the Plan or by the Center to reduce future contributions to the Plan. During the year ended December 31, 2025, no forfeiture funds were used for administrative expenses of the Plan or to reduce the Center's contributions to the Plan. At December 31, 2025 and 2024, the Plan held no forfeited funds.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses is recorded as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' accounts.

Notes receivable from participants outstanding at December 31, 2025, had interest rates ranging from 6.75% to 8.25% and maturities through October 2030.

Deemed Loan Distributions

Deemed loan distributions are recorded when participants default on their loans. For the year ended December 31, 2025, deemed loan distributions of approximately \$3,200 are included with benefits paid to participants.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Center.

Corrective Distributions

Contributions in excess of amounts allowed by the IRS or ERISA requirements are returned to the participant. Contributions are presented net of corrective distributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Center. Expenses that are paid by the Center are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) of fair value of investments.

New Accounting Pronouncements

The Plan has considered new pronouncements that alter accounting principles generally accepted in the United States of America and does not believe that any new or modified principles will have a material impact on the Plan's reported financial position or operations in the near term.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditor's report, the date which the accompanying financial statements were available to be issued. Based on such evaluation, no events have occurred that in the opinion of management warrant adjustments to or disclosure in the financial statements.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy established by the Financial Accounting Standards Board (FASB) included in Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of valuation methodology used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Registered Investment Companies

The value is based on quoted market prices in an active market where individual securities are traded, as of the last trading day of the Plan year.

Pooled Separate Accounts

The net asset value (NAV), which are not publicly quoted prices in active markets, is based on the fair value of the underlying assets, less any liabilities. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments reported at fair value using the Level 1 valuation methodology and NAV as a practical expedient are as follows at December 31, 2025 and 2024:

	2025	2024
Registered investment companies (Level 1)	\$ 9,541,408	\$ 6,577,209
Pooled separate accounts (NAV)	-	765,138
Total investments, at fair value	\$ 9,541,408	\$ 7,342,347

The following table summarizes investments for which fair value is measured using the NAV practical expedient as of December 31, 2025 and 2024:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2025:				
Pooled separate accounts	\$ -	N/A	Daily	None
December 31, 2024:				
Pooled separate accounts	\$ 765,138	N/A	Daily	None

NOTE 4 SUMMARY OF INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation/(depreciation) in fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

NOTE 5 PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or a company whose employees are covered by the Plan.

In addition to notes receivable from participants, the Plan had the following party-in-interest transactions for the year ended December 31, 2025, which related to direct fees paid by the Plan for the services noted:

Party-In-Interest	Service Provided to the Plan	Fees Paid
Principal Life Insurance Company	Recordkeeping and administrative services	\$ 5,428

Certain administrative functions are performed by officers or employees of the Center. No such officer or employee received compensation from the Plan. Additionally, certain administrative expenses such as audit and legal fees are paid by the Center at its discretion.

NOTE 6 PLAN TERMINATION AND AMENDMENTS

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Center also has the right to amend any or all provisions of the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and the net assets of the Plan would be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

NOTE 7 INCOME TAX STATUS

The Plan has adopted a prototype defined contribution plan which the IRS has determined and affirmed, in a letter dated March 8, 2021, to be designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. Plan management have analyzed the tax positions taken by the Plan and concluded no uncertain positions have been taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
