## **Independent Auditor's Report**

To the Trustees of  
TAS Environmental Services LP 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements**

We have performed audits of the financial statements of TAS Environmental Services LP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 TAS Environmental Services LP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TAS Environmental Services LP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TAS Environmental Services LP 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TAS Environmental Services LP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TAS Environmental Services LP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (Held at End of Year) (Schedule H, Line 4i) at December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

---

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2024 Financial Statements**

Predecessor auditors performed an audit of the 2024 financial statements of Plan Name. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 07, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

# **TAS Environmental Services LP 401(k) Profit Sharing Plan**

## **Notes to Financial Statements**

---

### **1. Description of the Plan**

The following description of the TAS Environmental Services LP 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a participant-directed defined contribution plan covering all employees of TAS Environmental Services, LP and Specialized Waste Systems, Inc, a related participating employer, (collectively the "Company") who have two months of service and are age eighteen or older. The original provisions of the Plan became effective on January 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is administered by the Company, and the custodian of the Plan is Fidelity Management Trust Company ("Fidelity" or "the Custodian"). See Note 5.

#### ***Contributions***

Each year, participants are allowed to defer up to 90% of pretax eligible compensation subject to annual limits imposed by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions subject to annual limits imposed by the Internal Revenue Service. Participants are allowed to rollover amounts from other plans and IRA's. Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan calls for the Company to make matching contributions of 50% of the salary deferral that is no more than 6% of eligible compensation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated investment fund until changed by the participant.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and rollover amount, if any, and allocations of Plan earnings (losses) net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits each participant to direct the investment of his or her account balance under the Plan in the investment options (mutual funds and common collective trust) provided by the Plan on a daily basis.

#### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company matching and nonelective contributions plus actual earnings thereon is based on years of continuous service, whereby a participant is 100% vested after four years of credited service.

#### ***Participant Loans***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participants account and bear interest at a reasonable fixed rate as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are repaid ratably through payroll deductions over a term of no greater than five years (10 years for purchase of a primary residence).

### **1. Description of the Plan (*continued*)**

#### ***Payment of Benefits***

On termination of service, a participant's vested account balance will be paid in a single lump-sum amount or partial withdrawals. For termination of service due to death, disability, or normal retirement, the participant becomes 100% vested in all their accounts in the Plan.

#### ***Forfeitures***

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$36,272 and \$40,596, respectively. These accounts are used to either reduce future employer contributions, pay plan administrative expenses or are allocated to plan participants. During 2025, forfeitures of \$123,392 were used to reduce Company contributions and forfeitures of \$7,634 were used to pay plan expenses for the year ended December 31, 2025.

### **2. Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### ***Use of Estimates***

The preparation of these financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported revenues and expenses during the reported period. Actual results could differ from those estimates.

#### ***Participant Loans***

Loans to participants are reported at their unpaid principal balances and collateralized by the balance in their individual account.

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by their investment advisers and the trustee/custodian. Net appreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Investments in mutual funds are based on quoted market prices (net asset values) of the shares. Investments in the common/collective trusts are reported at the net asset values as reported to the Plan which are based on the fair value of the underlying investments. The accounts including common/collective trusts are credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

#### ***Contributions***

Contributions from employee deferral contributions are recorded in the period in which they become obligations to the Plan.

### 2. Summary of Significant Accounting Policies (*Continued*)

#### *Administrative Expenses*

The Company pays certain recurring administrative expenses of the Plan. Expenses not paid by the Company are paid by the Plan in accordance with the Adoption Agreement and amounted to \$63,991 during 2025.

#### *Payment of Benefits*

Benefits are recorded when paid.

### 3. Investments

All investments of the Plan are held in participant directed accounts. Investments are reported at fair value as measured by the price that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date as follows at December 31:

|                         | 2025                | 2024                |
|-------------------------|---------------------|---------------------|
| Money Market Funds      | \$ 2,578            | \$ 3,076            |
| Mutual Funds            | 6,493,292           | 6,110,657           |
| Common Collective Trust | 203,575             | 342,258             |
|                         | <u>\$ 6,699,445</u> | <u>\$ 6,455,991</u> |

The Plan's investments appreciated in value by \$958,828 during 2025 as a result of realized and unrealized gains and losses.

### 4. Fair Value Measurements

The Plan follows FASB Accounting Standards Codification Topic 820, Fair Value Measurement (ASC 820). ASC 820 defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into the following three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are derived principally from or corroborated by observable market data, and Level 3 inputs are unobservable and have the lowest priority. The Plan has no investments valued with Level 2 or Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts funds: Valued at the net asset value of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

#### **Other Information**

|                                                |            |
|------------------------------------------------|------------|
| Net appreciation in fair value of mutual funds | \$ 958,828 |
| Interest and dividend income                   | 201,450    |

All investments of the Plan are held by the Trustee in participant-directed accounts. All investment transactions are performed by the Trustee.

The accompanying financial statements, supplemental schedule, and certain notes to these financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Securities Act of 1974.

### **6. Party-in-Interest Transactions**

Fidelity Management Trust Company accounts for all investment transactions and is the investment custodian as defined by the Plan. Plan investments in certain mutual and money market funds, sponsored and managed by Fidelity Management Trust Company, qualify as exempt party-in-interest transactions.

### **7. Income Tax Status**

The Plan operates in accordance with Fidelity's Basic Plan Document No. 17. The Trustee received a favorable advisory letter dated June 30, 2020, in which the Internal Revenue Service stated that the basic plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan was qualified, and the related trust was tax-exempt at December 31, 2025.

Management evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provision of this guidance. Generally, the Plan is no longer subject to examination by taxing authorities for tax years prior to 2022.

### **8. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

### **9. Risks and Uncertainties**

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. At December 31, 2025 participant directed investments include seven participant directed funds amounting to \$5,583,461 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements. At December 31, 2024, participant directed investments include seven participant directed funds amounting to \$5,338,902 in aggregate, each of which exceed 5% of net assets, and are considered individually significant to these financial statements.
