INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Westpak, Inc. 401(k) Profit Sharing Plan and Trust
San Jose, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the **Westpak, Inc. 401(k) Profit Sharing Plan and Trust** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements (modified cash basis) comprise the statements of net assets available for benefits (modified cash basis) as of **December 31, 2025 and 2024**, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended **December 31, 2025**, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of **December 31, 2025 and 2024 and for the year ended December 31, 2025**, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in note 2, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Westpak, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Westpak, Inc., a test laboratory specializing in product and package testing (the “Organization”). Employees will be automatically enrolled in the Plan at a 3% before-tax deduction. The employee also has to be at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan assets are held at and certified by Reliance Trust Company. See Note 3.

Contributions

Participants can contribute up to 100% percent of eligible compensation. However, contributions may not exceed limitations established under section 402(g) of the Internal Revenue Code of 1986 (“IRC”), as amended. The Plan permits catch-up elective deferrals for participants over 50 years of age subject to IRC limitations. The Organization may also make safe harbor matching contributions to the Plan. For the Plan year ending December 31, 2025, the Organization made safe harbor matching contributions of 100% of salary deferrals up to the first 3% and 50% of salary deferrals on the next 2% of eligible compensation. This safe harbor matching contribution was approximately \$363,000 for the 2025 Plan year.

The Organization also may, at its option, make a discretionary profit-sharing contribution to the Plan. The Organization did not make a discretionary profit-sharing contribution (modified cash basis) for the Plan year ended December 31, 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of the Organization’s matching contribution, discretionary Organization contribution, earnings, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions and the safe harbor matching contributions plus earnings thereon. Participants are 100% vested in the discretionary Organization profit sharing contribution after 3 years of service.

If forfeitures become available, the Organization will reduce the discretionary Organization contribution for that Plan year or pay Plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant’s account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions, with repayment terms not to exceed five years.

NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2025 AND 2024

Payment of Benefits

On termination of service, if a participant's account is less than \$5,000, the participant receives a lump-sum amount equal to the value of his or her vested account balance. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (but not later than their normal retirement date).

Rollover Contributions

Rollover contributions consist of amounts rolled over by participants from former employer plans.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their respective accounts.

Administrative Expenses

Currently, the Organization pays certain professional fees related to the Plan. The Plan pays certain expenses charged for participant-directed transactions, such as loan processing fees, distribution fees, and participant set-up fees, as well as investment management fees, where these expenses are allocated to participant's accounts based on the participant's current fair value. These expenses are reflected in the accompanying statements of changes in net assets available for benefits as administrative expenses.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Contributions and investment income are recognized when received, and disbursements are recognized when made.

Use of Estimates

In preparing the Plan's financial statements, the Plan administrator is required to make estimates and assumptions that affect the reported amounts of Plan assets, and liabilities, and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's Investments are stated at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded when received. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2025 AND 2024

Notes Receivable from Participants

The Plan allows loans to participants in accordance with the Plan document. These loans are reported at the unpaid principal balance plus accrued interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - SUMMARY OF INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has obtained certifications from the Custodian that the information provided to the Plan Administrator by the Custodian is complete and accurate. A summary of information included in the financial statements, which has been certified, is as follows:

	2025	2024
Investments	\$ 16,048,368	\$ 13,549,282
Notes receivable from participants	262,953	162,151
Net appreciation of investments	1,857,362	
Interest and dividend income	412,151	
Interest on notes receivables from participants	18,568	

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs for which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**WESTPAK, INC. 401(K) PROFIT SHARING
PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2025 AND 2024

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual funds: Valued based upon quoted prices in an active market.

Common collective trusts: Valued at the respective net asset values (“NAV”) of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value. Transactions (purchase and sales) may occur daily. The Plan has no future investment commitments or redemption restrictions related to the funds as of December 31, 2025 and 2024.

The methods described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at fair value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 15,673,652	\$ 0	\$ 0	\$ 15,673,652
Total investments at fair value	\$ 15,673,652	\$ 0	\$ 0	15,673,652
Investments measured at net asset value as a practical expedient				
Common collective trust				374,716
Investments at fair value				\$ 16,048,368

Assets at fair value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,147,634	\$ 0	\$ 0	\$ 13,147,634
Total investments at fair value	\$ 13,147,634	\$ 0	\$ 0	13,147,634
Investments measured at net asset value as a practical expedient				
Common collective trust				401,648
Investments at fair value				\$ 13,549,282

NOTE 5 - INCOME TAX STATUS

On October 6, 2020, the IRS stated that the prototype adopted by the Plan, as then designated, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself, however, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

**WESTPAK, INC. 401(K) PROFIT SHARING
PLAN AND TRUST**
NOTES TO FINANCIAL STATEMENTS (Modified Cash Basis)
DECEMBER 31, 2025 AND 2024

The Plan's accounting guidance requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Organization has analyzed the tax positions taken by the Plan, and has concluded that as of and for the Plan years ended December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PARTY IN INTEREST TRANSACTIONS

Certain participants have borrowed on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.

Certain Plan investments are managed by the Custodian as defined by the Plan, and, therefore, these transactions may be party-in-interest transactions.

NOTE 7 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through September 18, 2026, the date which the financial statements were available to be issued.
