Independent Auditors' Report

**To the Plan Administrator and Trustees of
American Spraytech, LLC 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Spraytech LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

1. The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
2. The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at the end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

1. The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
2. The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 1 Description of the Plan

The following brief description of the American Spraytech, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or Summary of Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a voluntary, participant-directed, defined contribution plan under the provisions of Section 401(k) of the Internal Revenue Code ("IRC") and covers all eligible employees of American Spraytech, LLC (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All employees who have completed 3 months of service, provided they are at least eighteen years of age and are not subject to a collective bargaining agreement, are eligible to participate.

The Plan's trustees and Administrator are responsible for oversight of the Plan including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Plan Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may make rollover contributions of eligible distributions from other qualified defined benefit or defined contribution plans ("rollovers"). Participants direct the investment of their contributions into various investment options offered by the Plan and may elect to change their deferral percentage at any time, effective with the next payroll period.

The Plan includes an autoenrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company, at its discretion, may contribute to the Plan a matching contribution equal to 100% of the first 10% of base compensation that a participant contributes to the Plan but is limited to \$1,500 per year. During the year ended December 31, 2025, the Company made a \$461,605 employer contribution to the Plan, net after the forfeiture credit. Contributions are subject to certain IRS limitations.

Note 1 Description of the Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's own contributions and allocations of the Company contributions and Plan earnings. The participant's account is also charged with an allocation of administrative expenses. Allocations are based on participant compensation and/or account balances, as defined in the Plan document. The benefits to which participants are entitled are limited to the value of their vested accounts.

Vesting

Participants are immediately vested in their elective contributions and the related earnings thereon. Participants become vested in employer contributions, if any based on a graded-vesting schedule, with participants becoming fully vested after 5 years. In addition, participants become fully vested in all of their accounts upon reaching normal retirement age (as defined in the Plan) prior to termination of employment or in the event of death or permanent disability.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
More than 5	100%

Participant Loans Receivable

Participants may borrow from their individual accounts in amounts ranging from a minimum of \$500 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms range from one to five years except for loans used to purchase a primary residence, which may have longer repayment periods as determined reasonable by the Plan Administrator.

Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loans are originated. At December 31, 2025 interest rates on the outstanding loans ranged from 5.25% - 10.50%. Principal and interest are paid ratably, generally through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive benefits in the form of (i) a lump-sum amount equal to the value of the participant's vested account balance, (ii) periodic or annual installments, (iii) partial withdrawals to the extent permitted under the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 1 Plan Description (Continued)

Payment of Benefits (Continued)

Alternatively, participants may elect to have their vested benefits rolled over to another qualified plan, an individual retirement account ("IRA"), or receive a lump-sum cash distribution. If a participant's vested balance is greater than \$1,000 but not more than \$7,000, the amount will be automatically rolled over to an IRA established for the participant's benefit. If the vested balance is \$1,000 or less, the participant receives a lump-sum distribution without consent.

Hardship Benefits

The Plan allows for "hardship withdrawals" of employee benefits from participant's pre-tax elective deferral and ROTH elective deferral accounts in accordance with the provisions of the Plan document and applicable Treasury regulations. Hardship withdrawals are subject to income tax withholding and, where applicable, early distribution penalties. The minimum withdrawal amount is \$1,000.

Forfeitures

When a participant withdraws from the Plan and has a nonvested balance in their account, the nonvested portion is forfeited. At December 31, 2025 and 2024 forfeited non-vested accounts totaled \$94 and \$64, respectively. These accounts will be available to reduce future employer matching contributions or pay plan expenses, as stated in the Plan document. Forfeitures used to reduce employer matching contributions during the year ended December 31, 2025 totaled \$97,258.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in the net assets available for benefits, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies based on information provided by the investment advisers, custodians and insurance company (See Note 3).

Note 2 Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes both realized gains and losses on investments sold and unrealized appreciation (depreciation) on investments held during the year.

Participant Loans Receivable

Participant loans receivable is stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related loan origination and maintenance fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Delinquent participant loans are treated as deemed distributions in accordance with the terms of the Plan Document and applicable IRC provisions. If a participant ceases making loan repayments and the Plan administrator deems the participant loan to be in default, the outstanding loan balance is reduced and recorded as a benefit payment. Loans treated as distributions totaled approximately \$3,203 for the year ended December 31, 2025.

Payment of Benefits

Benefit payments to participants are recorded when paid to participants or beneficiaries.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Administrative expenses that are paid by the Plan Sponsor are excluded from these financial statements.

Fees related to the administration of participant loans are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

Management has evaluated subsequent events and transactions for potential recognition or disclosure through the date of the auditors' report, which is the date the financial statements were available to be issued.

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 3 Certified Investments

As permitted under ERISA Section 103(a)(3)(C), the information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the supplemental schedule(s) (Schedule H, Line 4i – Schedule of Assets Held), including investments and participant loans held as of December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividend income for the year ended December 31, 2025, has been obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC (the trustee and custodian of the Plan), the Plan's trustee.

Note 4 Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value and requires enhanced disclosure about fair value measurements. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

At December 31, 2025 and 2024, the Plan held Level 1 investments, as described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are investment companies registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are classified as Level 1 investments and deemed to be actively traded.

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 4 Fair Value Measurements (Continued)

Common/Collective Trust

Valued at the Net Asset Value ("NAV") of units of a bank collective trust. The NAV, as provided by ADP, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Level 1 - Mutual Funds	\$ <u>9,323,897</u>	\$ <u>7,631,923</u>

Net Asset Values

The following sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2025 and 2024:

Investment Type	Fair Value 12/31/2025	Fair Value 12/31/2024	Unfunded Commitment 12/31/2025	Unfunded Commitment 12/31/2024	Redemption Frequency	Redemption Notice Period
Common/Collective Trust	\$593,779	\$431,762	\$ -	\$ -	Daily	Daily

The common/collective trust's objectives are to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the trust invests in instruments which are not expected to experience significant price fluctuations in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

The common/collective trust seeks to preserve principal and provide book value liquidity on a daily basis for plan permitted, participant directed withdrawals while maintaining a competitive interest rate.

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 5 Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by ADP Retirement Trust Services, LLC. ADP Retirement Trust Services, LLC is the trustee and ADP, Inc. is the recordkeeper for the Plan and, therefore, these transactions qualify as parties-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$22,899 for the year ended December 31, 2025. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Certain expenses of the Plan are paid directly by the Plan Sponsor and are therefore not included in the accompanying financial statements. Investment fund operating expenses are deducted from the fund's assets and are reflected in share/unit prices.

Notes receivable from Plan participants qualify as party-in-interest transactions.

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, participants will become fully vested, and net assets will be distributed to participants and beneficiaries in proportion to their respective account balances.

Note 7 Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's ERISA counsel believe that the Plan continues to be designed and operated in compliance with the applicable requirements of the IRC and, therefore, continue to believe that the Plan remains qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 Risks and Uncertainties

The Plan invests in various investment securities that are exposed to a variety of risks such as interest rate, market, and credit risks. It is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Plan Benefits.

American Spraytech, LLC 401(k) Plan
Notes to the Financial Statements
December 31, 2025 and 2024

Note 8 Risks and Uncertainties (Continued)

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across a variety of participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

At December 31, 2025, three investment options accounted for more than 10% of the Plan's total net assets:

T. Rowe Price Retirement 2025 - Class R	\$1,488,529	14%
T. Rowe Price Retirement 2030 - Class R	\$1,131,436	11%
T. Rowe Price Retirement 2040 - Class R	\$1,081,895	10%
