## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan  
North Charleston, South Carolina

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the custodian in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions, as described in Note 4, as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Coastal Pediatric Associates, PA Profit Sharing 401(k) Plan ("Plan") provides general information. Participants should refer to the Plan document for a complete description.

- A. "General". The Plan is a defined contribution plan covering all full-time employees of Coastal Pediatric Associates, PA (the "Company") who have completed 30 days of service and who are 18 years of age and 21 years of age in 2023 and 2022, respectively. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. "Contributions". Each year, participants may contribute up to 100% of eligible compensation, as either pre-tax or Roth contributions as defined in the Plan, up to the maximum amount allowed by the law under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll-over into the Plan amounts representing distributions from other qualified defined benefit or defined contribution plans, and traditional individual retirement accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company, provides safe harbor matching contributions that are based on 100% of elective deferrals up to the first 3% of compensation and 50% of the next 2% of compensation. In addition, the Company may also make additional discretionary contributions. Any discretionary contributions made by the Company shall be allocated in a uniform and nondiscriminatory manner in the ratio that each eligible participant's compensation bears to the total compensation of all eligible participants.
- C. "Participant Accounts". Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings or losses, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. "Vesting". Participants are immediately vested in their contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary and nonelective contributions is based on years of continuous service according to the following schedule:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| 1 year                  | 0%                |

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of ASU 2016-13 and related standards – At the beginning of 2023, the Plan adopted ASU 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Plan adopted this new guidance utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the Plan's financial statements but did change how the allowance for credit losses is determined.

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting, except for benefits paid to participants, which are recorded when paid.

Notes Receivable from Participants and Allowance for Credit Losses – Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. The loans are collateralized by the respective participant's vested account balance and the note payments are withheld by the Company from the respective participant wages. In the event of default, foreclosure on the note and attachment of the security occurs when a distributable event occurs in the Plan, subject to the suspension of payments permitted by Internal Revenue code 414(u)(4). The plan administrator evaluates the collectability of the loans based on the status of the note payments, the employment status of the participants, and the fair value of investment collateral. The plan administrator has determined that no allowance for credit losses was necessary as of December 31, 2023 and 2022.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions are charged directly to the participant's account and are included in administrative expenses.

Fair Value Measurements – The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan's mutual funds are considered level 1 investments. The plan utilizes contract value for the fixed account. This valuation method is more fully described in NOTE 5 and below.

Net Asset Value – Net asset value (NAV) is used as a practical expedient to estimate fair value for the collective trust fund. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust fund, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Fixed Account – The Plan offers a fixed account investment option through a fully benefit-responsive traditional investment contract with Empower Annuity Insurance Company of America (Empower). The fixed account is a general account product under which Empower guarantees principal and a credited rate of interest on participant-initiated benefit payments, subject to the terms and conditions of the contract and the claims-paying ability of Empower. Amounts allocated to the fixed account are part of Empower's general account and are therefore subject to the credit risk of Empower. Investments in the fixed account are reported at contract value, which is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus interest credited in accordance with the contract, less participant withdrawals and administrative expenses. Fully benefit-responsive investment contracts are not measured at fair value and, accordingly, are excluded from the Plan's fair value hierarchy disclosures under ASC 820.

Income Recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when received, which does not materially differ from the accrual method. Net appreciation/depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events – The Plan has evaluated subsequent events through May 6, 2026, the date the financial statements were available to be issued.

NOTE 4 - INVESTMENTS - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Effective January 17, 2023, the Plan's trustee/custodian changed from Newport Trust Company to Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC. In connection with this transition, participants experienced a temporary blackout period during which they were unable to direct or diversify investments in their individual accounts, obtain loans, or request distributions. The blackout period began on January 3, 2023 and ended on February 7, 2023. Normal participant investment, loan, and distribution rights resumed upon completion of the transition on February 7, 2023.

The following information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by the Plan administrator and agreed to or derived from information certified as complete and accurate by Newport Trust Company for the period January 1, 2023 through January 17, 2023, by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC for the period January 17, 2023 through December 31, 2023, and by Newport Trust Company for the year ended December 31, 2022.

| Notes receivable from participants       | 101,209           | 126,797           |

The investment income total of \$943,623 in the accompanying statement of changes in net assets available for benefits includes \$6,304 in interest earned from participant loans.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan's fixed account investment option is provided through a fully benefit-responsive traditional investment contract with Empower. The contract is designed to provide preservation of principal and a crediting rate of interest, and participant-initiated transactions that qualify as benefit-responsive are ordinarily permitted at contract value.

Certain employer- or plan-level events, such as plan termination, a significant plan amendment, merger or acquisition, or other contractually defined events, may limit the Plan's ability to transact with Empower at full contract value. In those circumstances, the contract provides for payment at book value over a specified period or in installments, or for a lump sum payment that may be subject to a market value adjustment, as described in the contract. Plan management has evaluated these potential events and believes that the occurrence of an event that would limit the Plan's ability to transact at contract value is not probable.

At December 31, 2023 and 2022, the contract value of the Plan's fully benefit-responsive traditional investment contract was \$12,297 and \$-0-, respectively.

NOTE 7 - TAX STATUS

Effective January 1, 2022, the plan adopted a non-standardized pre-approved profit sharing plan sponsored by the Newport Group Inc., the plan provider in 2022. The Plan provider has received an opinion letter from the IRS dated June 30, 2020, as to the plan's qualified status. The non-standardized pre-approved profit sharing plan's letter has been relied upon by this Plan. In connection with the change in plan service provider, the existing plan document and its elections were carried forward to the new plan administrator. The only change to the written plan document during this transition was an amendment to revise the plan's minimum age of eligibility to 18 years and older.

The Plan administrator believes the Plan, as amended, is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

NOTE 8 – PARTY IN INTEREST AND PROHIBITED TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. During 2023, expenses totaling \$21,967 were incurred with these service providers. In addition, the contract administrator of the Plan received indirect compensation of \$8,140 during 2023 and is not included in the expenses disclosed above. Plan expenses for 2023 also reflect revenue sharing arrangements, including \$1,300 of revenue sharing amounts that were netted against Plan expenses. At December 31, 2023 and 2022, accounts payable to service providers totaled \$-0- and \$-0-, respectively.

All of these parties-in-interest transactions are exempt from prohibited transaction rules of ERISA.

The Plan experienced delays in remitting certain participant contributions and employer matching contributions to the Plan. During the year ended December 31, 2023 and 2022, approximately \$254,000 contributions were not remitted to the Plan within the time frame required by Department of Labor Regulation 29 CFR 2510.3-102. These late contributions related to (1) a portion of the 2022 employer matching contribution that was not timely funded, (2) employee and employer deferrals for a January 2023 pay period that were not timely funded, (3) employee and employer deferrals for a November 2023 pay period that were not timely funded, and (4) certain 2023 pay periods for which employee deferrals were remitted after the date they could reasonably have been segregated from the Plan sponsor's general assets. These delays constitute prohibited transactions and party-in-interest transactions under ERISA. The delinquent participant contributions are reported on Schedule H, line 4a, Schedule of Delinquent Participant Contributions. As of the date the financial statements were available to be issued, approximately \$218,000 remained unfunded.

NOTE 9 – RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 10 – SUBSEQUENT EVENTS

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. The Company adopted a resolution to terminate the Plan effective April 4, 2025. In connection with the Plan's termination, all participants became 100% vested in their discretionary employer contributions, and no further contributions will be made to the Plan.
