To the Plan Administrator of
Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan
Mooresville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and September 30, 2025, and the related statements of changes in net assets available for plan benefits for the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and September 30, 2025 and for the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at Year End) are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

(1) Description of the Plan

The following description of the Pedulla Excavating and Paving, Inc. (the “Company”) 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

- (a) General – The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service, as defined in the Plan. There is no age requirement. Non-resident aliens, leased employees, and employees covered under a collective bargaining unit are not eligible to participate. Participants are eligible to enter the Plan and begin making salary deferrals on the first day of the plan year or first day of the 7th month of the plan year coinciding with or next following their eligibility date.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Administrator oversees governance of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance. In accordance with SECURE 2.0 Act for plan years beginning on or after December 31, 2024, certain long-term, part-time employees may also be eligible to participate in the Plan for purposes of making elective deferrals upon attaining eligibility.

The Plan changed its plan year-end from September 30 to December 31 in 2025. As a result, the comparative financial statements include the three months ended December 31, 2025 and the year ended September 30, 2025. Because the current period represents a three-month period, the results for the three months ended December 31, 2025 are not directly comparable to the results for the year ended September 30, 2025.

- (b) Employee Contributions – Participants may contribute amounts of eligible compensation as defined in the Plan, limited to a maximum amount as periodically set by the Internal Revenue Service (“IRS”). Participants who have attained the age of 50 before the end of the plan year may contribute an additional amount set by the IRS. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans.
- (c) Employer Contributions – The Company makes a matching contribution on an annual basis with those who enter into a salary deduction agreement. The match during the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025 equaled 4% of the participant’s eligible compensation.

During the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025, the Company also made a safe harbor match each payroll period equal to 100% of the first 3% that the participant defers and 50% of the next 2% that the participant defers.

The Company may also contribute a discretionary profit-sharing contribution for each employee, without regard to current or accumulated net profits of the Company.

Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

Description of the Plan (continued)

Allocation of the profit sharing contribution is based on a integration percentage of eligible compensation over \$60,000 but not to exceed the IRS taxable wage base. Profit sharing contributions of \$0 and \$164,385 were made for the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025.

All employer contributions are subject to annual IRS limits.

- (d) Participant Accounts – Each participant’s account is credited with the participant’s contributions, the Company’s matching and safe harbor contributions and allocation of (a) the Company’s discretionary profit sharing contribution, (b) Plan earnings, and (c) forfeitures of terminated participants’ non-vested account balances. Allocations are based on a participant’s eligible compensation relative to total eligible compensation, deferred contribution amounts, or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of the contributions into various investment options offered by the Plan.
- (e) Vesting – Participants are immediately vested in their voluntary contributions and the safe harbor match plus actual earnings thereon. Vesting in the Company’s other contribution portion of the participant’s account plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service, with no vesting until that date. Upon normal retirement age, 65 years old, death, or disability, a participant becomes fully vested.
- (f) Benefit Payments – Upon termination of service due to death, disability, or retirement, a participant may elect to receive distributions equal to the value of the participant’s vested interest in their account. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution, leave the funds in the Plan until retirement age, or transfer to a trustee of another qualified plan or individual retirement account. If the terminating employee’s non-forfeitable account balance is less than \$1,000, the Plan will distribute the entire account balance, less forfeitures, if any, as soon as administratively practical.
- (g) Forfeited Accounts – Forfeitures represent amounts which could not be paid to terminated participants due to failure to meet vesting requirements. Forfeitures can be used to reduce the Company’s contributions. There were \$0 and \$34,462 used or allocated during the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025, respectively. Forfeitures available were \$0 as of December 31, 2025 and September 30, 2025.
- (h) Notes Receivable – The Plan does not allow any loans.

(2) Summary of Significant Accounting Policies

- (a) Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

Summary of Significant Accounting Policies (continued)

- (b) Investments – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

- (c) Risks and Uncertainties – The Plan invests in securities, which in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.
- (d) Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (e) Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.
- (f) Benefit Payments – Benefits are recorded when paid.
- (g) Subsequent Events – Subsequent events were evaluated through September 14, 2026, which is the date that the financial statements were available to be issued.

(3) Information Prepared and Certified by Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2025 and September 30, 2025, the schedule of assets held for investment purposes as of December 31, 2025 and September 30, 2025, and the related investment activity reflected in the statements of changes in net assets available for plan benefits for the period October 1, 2025 to December 31, 2025 and the year ended September 30, 2025.

Pedulla Excavating and Paving, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

(4) Tax Status

The Plan is based on a prototype plan that received a favorable tax determination letter from the IRS, indicating that the prototype plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"), and was, therefore, exempt from federal income taxes. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

(5) Withdrawing Participants

There were no participant distributions requested in 2025, but not paid until 2026.

(6) Related Party Transactions

The Plan has a number of service providers. Such parties are considered parties-in-interest under ERISA.

(7) Plan Amendment and Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue contributions or terminate the Plan at any time, subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Additionally, the Company may amend the Plan at any time without the consent of any participant or any beneficiary, provided that no amendment deprives any participant of the participant's non-forfeitable accrued benefit.

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

(8) Fair Value Measurements

Accounting principles generally accepted in the United States of American establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and September 30, 2025:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts and annuity contracts: The pooled separate accounts whose assets are underlying mutual funds are reported at fair value based on the quoted market prices of the underlying mutual funds. Pooled separate accounts that consist of investment funds made up of a variety of different investment assets are valued on the aggregate fair value of the underlying assets. The units of these pooled separate accounts are not actively traded. Accordingly, underlying assets are evaluated to determine where their fair value measurements fall within the fair value hierarchy. The entire pooled separate account fund is included within the fair value hierarchy based on the lowest level of any asset, or group of assets, that is significant to the overall fair value measurement.

Notes to Financial Statements

For the Period October 1, 2025 to December 31, 2025 and the Year Ended September 30, 2025

Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and September 30, 2025:

Assets at Fair Value as of December 31, 2025
