Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Employees' Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employees' Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employees' Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Profit Sharing 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Retirement Committee
Employees' Profit Sharing 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employees' Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEES' PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN

The following description of Employees' Profit Sharing 401(k) Plan (the Plan) provides only general information. A Plan description is available from the Plan's Sponsor, which outlines all of the significant Plan provisions. Interested parties should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan adopted January 1, 1990 and covering all nonunion employees of related participating employers who are 19 years of age or older. The Plan allows participants to begin contributing to the Plan starting on the first day of the month following the date of hire. In November 2024, two related participating employers became members of Fresh Leaf Farms, LLC, a newly created entity; Fresh Leaf Farms, LLC acquired some of the assets of Mann Packing along with approximately eight employees. As a result, effective November 18, 2024, the Plan was amended to allow Fresh Leaf Farms, LLC (an un-related employer) to participate in the Plan and allow these employees to enter the Plan following the effective date of the amendment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participating employers who are covered by the provisions of the Plan are:

- The Nunes Company, Inc.
- Nunes Cooling, Inc.
- Nunes Vegetables, Inc.
- Blanco Farms, LLC
- Fresh Leaf Farms, LLC

Effective February 1, 2025, the Plan was amended and an unrelated employer, Fresh Leaf Farms, LLC, ceased participation in the Plan. Due to cessation in participation, a spin-off of Plan assets occurred, with the assets being transferred to one newly created plan established by this employer. Effective February 1, 2025, employees of this entity were no longer eligible to participate in the Plan.

Contributions

Eligible participants may elect to contribute up to 50% of eligible compensation as pre-tax, Roth, or after-tax contributions, not to exceed the limits allowed by Section 415, 402(g) and 401(k) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer match contribution is nondiscretionary and is based on a flat percentage match equal to 50% of an eligible participant's contributions up to 6.0% of eligible compensation (3.0% match). Employer profit sharing contribution is discretionary and is determined each year by the Company's Board of Directors. To be eligible for the employer matching contributions, the participant must have worked a minimum of six months and completed 500 hours of service. In addition, participants who are employed on the last day of the plan year are eligible for the discretionary employer contribution after meeting the requirement of completing one year of employment and 1,000 hours of service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

For the years ended December 31, 2025 and 2024, the participating employers made a gross nondiscretionary employer match contribution of \$416,368 and \$405,373, respectively. For the years ended December 31, 2025 and 2024, forfeited amounts used to reduce the nondiscretionary employer match contribution totaled \$15,234 and \$22,879, respectively. For the years ended December 31, 2025 and 2024, the net nondiscretionary employer match contribution was \$401,134 and \$382,494, respectively. For the years ended December 31, 2025 and 2024, the participating employers also made a discretionary profit sharing contribution equal to 5% of the employees' eligible compensation. For the years ended December 31, 2025 and 2024, the participating employers made a discretionary profit sharing contribution of \$749,003 and \$720,423, respectively.

Participant Accounts

Each participant's account is credited or debited with (1) the participant's contribution by payroll deduction, (2) a nondiscretionary employer matching contribution equal to a percentage of the participant's contributions, (3) an allocation of the Company's discretionary profit sharing contributions based on earnings (as defined), (4) a portion of the net increase or decrease in the net value of the Plan investments, and (5) any loans made to or repaid by the participant. The allocation of Plan earnings is determined by using the valuation of trust assets on a daily basis. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, participant contributions, investment elections, specific participant transactions and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payments of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Notes Receivable from Participants

Participants may apply to borrow from the Plan a minimum amount of \$1,000 and a maximum equal to the lesser of \$50,000, or, 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. Loan funds may be repaid over any reasonable period, not to exceed the fifth anniversary of the date the funds were borrowed, with the exception of loans used for the purchase of a principal residence, which can be repaid over a period of up to 10 years. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate plus 1%. The interest rates in effect for the years ended December 31, 2025 and 2024 based on the prevailing interest rates, ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Any portion of such forfeitures not used to pay Plan administrative expenses shall be applied to reduce employer contributions. As of December 31, 2025 and 2024, the amounts of available forfeitures totaled \$1,297 and \$-0-, respectively. For the years ended December 31, 2025 and 2024, forfeited nonvested amounts used to pay Plan expenses totaled \$-0- and \$13,443, respectively. For the years ending December 31, 2025 and 2024, forfeited nonvested amounts used to reduce employer match contributions totaled \$15,234 and \$22,879, respectively.

EMPLOYEES' PROFIT SHARING 401(K) PLAN

DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Spin-off

Effective February 1, 2025, an unrelated employer, Fresh Leaf Farms, LLC, ceased participation in the Plan. On February 3, 2025, Plan assets in the amount of \$70,219 were transferred into the Fresh Leaf Farms, LLC Profit Sharing 401(k) Plan (successor plan). In connection with the spin-off and as a result of a blackout period, contributions of \$5,063 for the payrolls in January 2025 along with the employer matching contribution of \$1,670 for this Employer were deposited into this Plan. Those contributions are reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, as part of transfer to the successor Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting, which is in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are stated at fair value as reported by Fidelity Management Trust Company, the Plan trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recognized as it is earned, and dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

Employee contributions and corresponding employer matching contributions are recorded in the year in which the employee compensation is paid and the deferrals are withheld. Employer sharing contributions are recorded in the year in which the related employee compensation is paid.

**EMPLOYEES' PROFIT SHARING 401(K) PLAN

DECEMBER 31, 2025 AND 2024**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

Expenses to administer the Plan are paid from forfeited nonvested accounts. Expenses in excess of Plan forfeitures are paid by the participating employers and certain fees are allocated to the individual participant accounts.

Subsequent Events

The Plan administrator has evaluated subsequent events through September 8, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INFORMATION

Fidelity Management Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

EMPLOYEES' PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used as of December 31, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust – Valued at the net asset value (NAV) of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 51,200,544	\$ -	\$ -	\$ 51,200,544
Collective Investment Trusts	-	18,902,070	-	18,902,070

NOTE 5 RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are invested in funds held by Fidelity Management Trust Company, the trustee as described by the Plan, therefore, certain transactions qualify as party-in-interest transactions. Fees paid by the Plan to the financial advisor, NWK Group Inc., qualify as party-in-interest transactions and amount to \$78,201 and \$70,345 for the years ended December 31, 2025 and 2024, respectively. Revenue credits received by the Plan from the Plan recordkeeper, Fidelity Investments Institutional, also qualify as party-in-interest transactions and amount to \$-0- and \$(1,288) for the years ended December 31, 2025 and 2024, respectively. Fees paid by the Plan to the Plan Recordkeeper, Fidelity Investments Institutional, also qualify as party-in-interest transactions and amount to \$3,045 and \$-0- for the years ended December 31, 2025 and 2024, respectively. Fees paid to the auditor, CliftonLarsonAllen LLP, also qualify as party-in-interest transactions and amount to \$-0- and \$13,400 for the years ended December 31, 2025 and 2024, respectively.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the participating employers have the right to discontinue its contributions and to terminate this Plan subject to the provisions of ERISA. In the event of termination, the participants would become 100% vested in their employer contributions. Each participant, retired participant, former participant, and beneficiary shall be entitled to receive any amount credited to that person's account.

NOTE 7 TAX STATUS

The Plan has adopted a nonstandardized pre-approved profit sharing plan sponsored by Fidelity Management & Research Company. The nonstandardized plan provider has received an advisory letter from the Internal Revenue Service (IRS) as to the nonstandardized plan's qualified status. The nonstandardized plan advisory letter has been relied upon by the Plan. The Plan has been amended since the nonstandardized plan received the advisory letter. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

Variations in the timing of the recognition of certain transactions affecting the Plan has resulted in differences between the financial statements and the IRS Form 5500. The following is a reconciliation of these differences:

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Employees' Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employees' Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Employees' Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Profit Sharing 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Retirement Committee
Employees' Profit Sharing 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Employees' Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employees' Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEES' PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN

The following description of Employees' Profit Sharing 401(k) Plan (the Plan) provides only general information. A Plan description is available from the Plan's Sponsor, which outlines all of the significant Plan provisions. Interested parties should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan adopted January 1, 1990 and covering all nonunion employees of related participating employers who are 19 years of age or older. The Plan allows participants to begin contributing to the Plan starting on the first day of the month following the date of hire. In November 2024, two related participating employers became members of Fresh Leaf Farms, LLC, a newly created entity; Fresh Leaf Farms, LLC acquired some of the assets of Mann Packing along with approximately eight employees. As a result, effective November 18, 2024, the Plan was amended to allow Fresh Leaf Farms, LLC (an un-related employer) to participate in the Plan and allow these employees to enter the Plan following the effective date of the amendment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participating employers who are covered by the provisions of the Plan are:

- The Nunes Company, Inc.
- Nunes Cooling, Inc.
- Nunes Vegetables, Inc.
- Blanco Farms, LLC
- Fresh Leaf Farms, LLC

Effective February 1, 2025, the Plan was amended and an unrelated employer, Fresh Leaf Farms, LLC, ceased participation in the Plan. Due to cessation in participation, a spin-off of Plan assets occurred, with the assets being transferred to one newly created plan established by this employer. Effective February 1, 2025, employees of this entity were no longer eligible to participate in the Plan.

Contributions

Eligible participants may elect to contribute up to 50% of eligible compensation as pre-tax, Roth, or after-tax contributions, not to exceed the limits allowed by Section 415, 402(g) and 401(k) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer match contribution is nondiscretionary and is based on a flat percentage match equal to 50% of an eligible participant's contributions up to 6.0% of eligible compensation (3.0% match). Employer profit sharing contribution is discretionary and is determined each year by the Company's Board of Directors. To be eligible for the employer matching contributions, the participant must have worked a minimum of six months and completed 500 hours of service. In addition, participants who are employed on the last day of the plan year are eligible for the discretionary employer contribution after meeting the requirement of completing one year of employment and 1,000 hours of service.

**EMPLOYEES' PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

For the years ended December 31, 2025 and 2024, the participating employers made a gross nondiscretionary employer match contribution of \$416,368 and \$405,373, respectively. For the years ended December 31, 2025 and 2024, forfeited amounts used to reduce the nondiscretionary employer match contribution totaled \$15,234 and \$22,879, respectively. For the years ended December 31, 2025 and 2024, the net nondiscretionary employer match contribution was \$401,134 and \$382,494, respectively. For the years ended December 31, 2025 and 2024, the participating employers also made a discretionary profit sharing contribution equal to 5% of the employees' eligible compensation. For the years ended December 31, 2025 and 2024, the participating employers made a discretionary profit sharing contribution of \$749,003 and \$720,423, respectively.

Participant Accounts

Each participant's account is credited or debited with (1) the participant's contribution by payroll deduction, (2) a nondiscretionary employer matching contribution equal to a percentage of the participant's contributions, (3) an allocation of the Company's discretionary profit sharing contributions based on earnings (as defined), (4) a portion of the net increase or decrease in the net value of the Plan investments, and (5) any loans made to or repaid by the participant. The allocation of Plan earnings is determined by using the valuation of trust assets on a daily basis. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's eligible compensation, participant contributions, investment elections, specific participant transactions and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payments of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Notes Receivable from Participants

Participants may apply to borrow from the Plan a minimum amount of \$1,000 and a maximum equal to the lesser of \$50,000, or, 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. Loan funds may be repaid over any reasonable period, not to exceed the fifth anniversary of the date the funds were borrowed, with the exception of loans used for the purchase of a principal residence, which can be repaid over a period of up to 10 years. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate plus 1%. The interest rates in effect for the years ended December 31, 2025 and 2024 based on the prevailing interest rates, ranged from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Any portion of such forfeitures not used to pay Plan administrative expenses shall be applied to reduce employer contributions. As of December 31, 2025 and 2024, the amounts of available forfeitures totaled \$1,297 and \$-0-, respectively. For the years ended December 31, 2025 and 2024, forfeited nonvested amounts used to pay Plan expenses totaled \$-0- and \$13,443, respectively. For the years ending December 31, 2025 and 2024, forfeited nonvested amounts used to reduce employer match contributions totaled \$15,234 and \$22,879, respectively.

EMPLOYEES' PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Spin-off

Effective February 1, 2025, an unrelated employer, Fresh Leaf Farms, LLC, ceased participation in the Plan. On February 3, 2025, Plan assets in the amount of \$70,219 were transferred into the Fresh Leaf Farms, LLC Profit Sharing 401(k) Plan (successor plan). In connection with the spin-off and as a result of a blackout period, contributions of \$5,063 for the payrolls in January 2025 along with the employer matching contribution of \$1,670 for this Employer were deposited into this Plan. Those contributions are reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, as part of transfer to the successor Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting, which is in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are stated at fair value as reported by Fidelity Management Trust Company, the Plan trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recognized as it is earned, and dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

Employee contributions and corresponding employer matching contributions are recorded in the year in which the employee compensation is paid and the deferrals are withheld. Employer sharing contributions are recorded in the year in which the related employee compensation is paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

Expenses to administer the Plan are paid from forfeited nonvested accounts. Expenses in excess of Plan forfeitures are paid by the participating employers and certain fees are allocated to the individual participant accounts.

Subsequent Events

The Plan administrator has evaluated subsequent events through September 8, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INFORMATION

Fidelity Management Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used as of December 31, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust – Valued at the net asset value (NAV) of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2025				
	Level 1	Level 2	Level 3	Total

NOTE 5 RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are invested in funds held by Fidelity Management Trust Company, the trustee as described by the Plan, therefore, certain transactions qualify as party-in-interest transactions. Fees paid by the Plan to the financial advisor, NWK Group Inc., qualify as party-in-interest transactions and amount to \$78,201 and \$70,345 for the years ended December 31, 2025 and 2024, respectively. Revenue credits received by the Plan from the Plan recordkeeper, Fidelity Investments Institutional, also qualify as party-in-interest transactions and amount to \$-0- and \$(1,288) for the years ended December 31, 2025 and 2024, respectively. Fees paid by the Plan to the Plan Recordkeeper, Fidelity Investments Institutional, also qualify as party-in-interest transactions and amount to \$3,045 and \$-0- for the years ended December 31, 2025 and 2024, respectively. Fees paid to the auditor, CliftonLarsonAllen LLP, also qualify as party-in-interest transactions and amount to \$-0- and \$13,400 for the years ended December 31, 2025 and 2024, respectively.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the participating employers have the right to discontinue its contributions and to terminate this Plan subject to the provisions of ERISA. In the event of termination, the participants would become 100% vested in their employer contributions. Each participant, retired participant, former participant, and beneficiary shall be entitled to receive any amount credited to that person's account.

NOTE 7 TAX STATUS

The Plan has adopted a nonstandardized pre-approved profit sharing plan sponsored by Fidelity Management & Research Company. The nonstandardized plan provider has received an advisory letter from the Internal Revenue Service (IRS) as to the nonstandardized plan's qualified status. The nonstandardized plan advisory letter has been relied upon by the Plan. The Plan has been amended since the nonstandardized plan received the advisory letter. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

Variations in the timing of the recognition of certain transactions affecting the Plan has resulted in differences between the financial statements and the IRS Form 5500. The following is a reconciliation of these differences:
