**Independent Auditor's Report**

To the Plan Administrator of the  
401(k) Savings Plan of Ensign-Bickford Industries, Inc.:

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the 401(k) Savings Plan of Ensign-Bickford Industries, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule G, Part III: Schedule of Nonexempt Transactions, Schedule H, Line 4a: Schedule of Delinquent Participant Contributions, and Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SECURE 2.0 Act of 2022.** Under the SECURE 2.0 Act of 2022 ("SECURE 2.0 Act"), certain long-term part-time ("LTPT") employees become eligible for participant contributions on January 1, 2025, after completing 500 hours of service for two consecutive years.

**Plan Amendments.** During 2025, the Plan document was amended as follows:

- In May 2024, the Company acquired Accratronics Seals, LLC ("Accratronics"). In connection with this transaction, Accratronics became a participating employer in the Plan effective April 1, 2025. Additionally, employees who were employed by Accratronics or its subsidiaries on April 1, 2025, were granted prior service credit.
- Effective January 1, 2025, the Plan's definition of compensation for purposes of calculating Plan contributions was amended and clarified.

**Contributions.** The following types of contributions are allowable under the Plan:

- Salary Deferral Contributions – Participants may contribute up to 50% of their pre-tax and / or after tax compensation, as defined in the Plan document, subject to limitations (see Note 9). Participants can designate their after tax contributions as either a Roth contribution (subject to the salary deferral contribution limits discussed below) or an after-tax contribution (subject to the annual addition limits discussed below). The Plan has an automatic enrollment feature. Unless a newly eligible participant affirmatively elects otherwise after being given appropriate notice, 6% of their compensation will automatically be withheld and contributed to their pre-tax contributions account on their date of hire. A participant's total salary deferral contributions cannot exceed \$23,500 (\$31,000 if age 50 or older) in calendar year 2025. Under the SECURE 2.0 Act, additional catch-up contributions for participants age 60-63 may also be available.
- Employer Safe Harbor Matching Contributions – The Employer makes a safe harbor matching contribution to eligible participants each Plan year equal to 100% of a participant's salary deferral contributions that do not exceed 3% of their compensation, plus 50% of a participant's salary deferral contributions in excess of 3% but not in excess of 6% of the participant's compensation.
- Employer Core Contributions – The Employer makes an additional core contribution of 2% to 5% of eligible compensation based on age and years of service to eligible employees who were hired prior to January 1, 2019, have attained age 21, have completed one year of service, and are employed on the last day of the year. The core contribution rate participants receive was frozen at the rate that they were receiving as of December 31, 2018, with a maximum contribution of 5%, for the remainder of their employment with the Company. Moorpark participants are eligible for a maximum core contribution of 2%.
- Rollover Contributions – Amounts distributed to participants from other qualified employee benefit plans may be rolled into the Plan.

All contributions are allocated to the Plan's investment funds at the direction of the participants. The total annual additions to a participant's account may not exceed the lesser of \$70,000 or 100% of the participant's compensation in calendar year 2025.

## Notes to Financial Statements

December 31, 2025 and 2024

### Note 1 – Description of the Plan (continued)

**Participant Accounts.** Each participant's account is credited with the participant's contributions (salary deferral and rollovers, if any) and an allocation of (a) the Employer's contributions (safe harbor matching and core), (b) fund earnings or losses, (c) fee credits, and (d) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Fee Credits and Administrative Budget Accounts.** The Plan maintains a fee credits account that is funded by administrative fee credits from T. Rowe Price. This account is allocated back to eligible participants' accounts (e.g. those participants invested in eligible investment options) on a pro-rata basis. During 2025, the fee credits account received \$334,765 of administrative fee reimbursements from T. Rowe Price, had earnings of \$401, and reallocated \$335,128 back to eligible participants' accounts. The fee credits account had a balance of \$111 and \$73 as of December 31, 2025 and 2024, respectively.

The Plan also maintains an administrative budget account that is funded by quarterly administrative fee charges to participant accounts. This account is used to pay administrative expenses of the Plan. During 2025, the administrative budget account paid \$76,349 in administrative expenses. The administrative budget account had a balance of \$124,212 and \$33,319 as of December 31, 2025 and 2024, respectively.

**Vesting.** Participants are vested immediately in their salary deferral, rollover contributions, Employer matching contributions made prior to January 1, 2008, and Employer safe harbor matching contributions plus actual earnings thereon. Vesting in Employer core contributions, as defined, is based on years of service as follows:

| Employer Core Contributions |                   |
|-----------------------------|-------------------|
| Years of Service            | Vested Percentage |
| Less than 3                 | 0%                |
| 3 Years or more             | 100%              |

Furthermore, employed participants become 100% vested in their Employer Core contribution portion of their accounts upon the following events:

- Participant's death;
- Participant becomes disabled as defined under the Plan;
- Participant attains normal retirement age; or
- Termination or partial termination of the Plan.

**Forfeitures.** When certain terminations of participation in the Plan occur, the non-vested portion represents a forfeiture. Forfeitures are used to reduce Employer contributions. During 2025, no forfeitures were used for this purpose. Unutilized forfeited non-vested accounts at December 31, 2025 and 2024 totaled \$16,260 and \$85, respectively.

**Investment Options.** Participants may direct their investments into mutual funds and a common collective trust.

**Notes Receivable from Participants.** Participants may borrow from their fund accounts a minimum of \$1,000. The maximum loan is the lesser of (i) \$50,000 minus the participant's highest outstanding balance of loan(s) in the previous 12-month period or (ii) 50% of their vested account balance. Loan terms range from 1 month up to a maximum of 60 months, or 20 years if the purpose of the loan is a home purchase. The loans are secured by the balance in the participant's account and bear interest based on the prime rate plus 1% at the date the loan is granted. Principal and interest payments are paid ratably through payroll deductions.

### Note 1 – Description of the Plan (continued)

**Payment of Benefits.** Benefits to participants or beneficiaries generally are payable either as a lump sum, periodic payment, or withdrawals equal to the value of their vested account balance upon retirement, disability, death or termination of the participant. Participants may also elect to rollover their account balance into another qualified retirement plan or Individual Retirement Account. Additionally, the Plan provides for in-service withdrawals of certain portions of their accounts, upon attainment of age 59½, and in the event of a financial hardship, as defined.

**Plan Termination.** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, affected participants will become 100% vested in their accounts.

### Note 2 – Summary of Significant Accounting Policies

**Basis of Accounting.** The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates.** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition.** The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Contributions.** Participant contributions and the related Employer matching contribution are recognized in the period in which participant contributions are withheld from compensation.

**Administrative Expenses.** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses paid by the Plan also include fees paid for recordkeeping, consulting, accounting, legal, and other fees. Certain investment related expenses are included in investment income.

**Benefit Payments.** Benefits are recorded when paid.

### Note 3 – Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds are valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.
- The common collective trust ("CCT") is valued at the NAV of units in the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Investments in Certain Entities that Calculate NAV per Unit.** The following table for December 31, 2025 and 2024, sets forth a summary of certain of the Plan's investments with a reported NAV:

| Investment | December 31, | Fair<br>Value | Unfunded<br>Commitments | Redemption<br>Frequency | Redemption<br>Notice Period |
|------------|--------------|---------------|-------------------------|-------------------------|-----------------------------|

(a) The investment objectives of the trust are to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment. The trust will attempt to achieve these objectives by investing and reinvesting amounts transferred to the trust in investment contracts selected by the trustee.

(b) Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the trust. Under the terms of the Declaration of Trust, retirement plans invested in the trust are required to provide either 12 or 30 months' advance written notice to the trustee prior to redemption of trust units; the notice period may be shortened or waived by the trustee in its sole discretion.

## Notes to Financial Statements

December 31, 2025 and 2024

---

### Note 4 – Certified Information

The following information disclosed in the accompanying financial statements and ERISA-required supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by T Rowe Price Trust Company, the trustee of the Plan:

- Investments and non-interest bearing cash, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;
- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;
- Investment amounts as of December 31, 2025 and 2024, as shown in Note 3;
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025;
- Interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025; and
- The investment information in the Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown in the supplemental schedules.

### Note 5 – Tax Status

The IRS has determined and informed the Company by a letter dated August 5, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust tax exempt as of December 31, 2025 and 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 6 – Party-In-Interest Transactions

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Certain Plan investments are securities offered by T. Rowe Price. As T. Rowe Price Trust Company is the trustee as defined by the Plan, these transactions qualify as party-in-interest transactions. Additionally, the Plan maintains notes receivable from participants. Fees paid for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

### Note 7 – Nonexempt Prohibited Transactions

During 2025, the Company had a nonexempt prohibited transaction related to participant contributions and loan repayments not remitted to the trust in a timely manner as listed on Schedules H, Line 4a: Schedule of Delinquent Participant Contributions. The principal amount of the late contributions and loan repayments have been remitted to the Plan's trust. The Company intends to correct these late contributions and loan repayments by remitting lost earnings into the Plan's trust as soon as administratively feasible.

## Notes to Financial Statements

December 31, 2025 and 2024

---

### Note 7 – Nonexempt Prohibited Transactions (continued)

During 2022 and 2025, the Company inadvertently used Plan assets to pay for expenses not associated with the Plan. Such use of Plan assets constituted loans to the Employer, are considered nonexempt prohibited transactions, and are listed on Schedule G, Part III: Schedule of Nonexempt Transactions. The Company corrected these nonexempt prohibited transactions by remitting the principal amounts plus lost earnings into the Plan's trust on March 24, 2026.

### Note 8 – Concentrations, Risks and Uncertainties

The Plan currently provides for various investment options in mutual funds and a common collective trust. Investment securities, in general, are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts presented in the statements of net assets available for benefits. As of December 31, 2025 and 2024, there were two investments which individually represented more than 10% of net assets available for Plan benefits. See supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2025.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

### Note 9 – Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through August 10, 2026, which is the date the financial statements were available to be issued.

Effective January 1, 2026, the Plan was amended to provide that participants may contribute up to 75% of their pre-tax and / or after tax compensation, as defined in the Plan document, subject to limitations.
