Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☒ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of French American School of Puget Sound 403(b) DC Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, the management has not maintained, and Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF) at the time did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedule Required by ERISA

The ERISA-required Supplemental Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Notes to Financial Statements

1. Description of Plan

The following description of the French American School of Puget Sound 403(b) DC Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code (IRC) and covers all employees of French American School of Puget Sound (the School or Employer) except for employees scheduled less than 20 hours per week, and non-resident aliens with no U.S. earned income. Employees are eligible to participate in the Plan immediately, following commencement of employment, as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Custodian and Administration of the Plan

The custodians of the Plan are Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF) (collectively, the Custodian), and the recordkeeper of the Plan is TIAA. The administrator of the Plan is the School. The Custodian holds all assets of the Plan in accordance with the service provider contract with the School. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees of the School are considered eligible for participation, except for nonresident aliens with no U.S. source of income. There is no age requirement to enter the Plan. An eligible participant can enter the Plan immediately upon meeting the eligibility requirements. To be eligible to receive employer contributions, participants must be at least 21 years of age and have worked at least 1,000 hours in a Plan year.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan. Salary deferral agreements shall be made, terminated, or changed according to procedures and limitations set up by the Plan Administrator and the Plan Document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

The School may make a discretionary non-elective employer contribution as a percentage of eligible compensation deferred by participants. During 2025, the School made discretionary non-elective contributions of 5% of eligible compensation.

The Plan also provides that the School make matching contributions to the Plan for those eligible employees who have greater than five years of service. Eligible employees with greater than five but less than or equal to ten years of service will receive a matching contribution of up to 2% of their eligible deferred compensation. Eligible employees with greater than ten years of service will

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

receive a matching contribution of up to 4% of their eligible deferred compensation. Catch-up contributions are not eligible for discretionary matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Vesting

Participants are 100% vested in their contributions to the Plan and matching contributions received from the School and related net earnings at all times. Non-elective contributions from the School and related net earnings become vested to participants based on the following schedule of completed years of service:

Completed Years of Service	Vested Percentage (%)
Less than 1	-
1	50
2	100

Additionally, a participant becomes 100% vested when the participant reaches normal retirement age, dies, or becomes disabled while in the service of the School. Normal retirement age is 65.

Forfeitures

When a participant terminates employment with the School, the portion of their account that is not vested (forfeitures) is placed in a separate suspense account. Balances in the separate suspense account receive an allocation of Plan earnings. If a participant is reemployed by the School prior to five years from their date of termination, the amount of forfeitures in the suspense account applicable to the participant will be restored to their account. Five years after the participant's termination of employment, or upon a full distribution of their account balance, if earlier, the amount of forfeitures in the suspense account for a terminated participant becomes available to be used to reduce employer contributions. Forfeitures amounting to \$8,480 were used to reduce employer contributions in 2025. At December 31, 2025 and 2024, there are \$3 and \$33, respectively, of forfeitures included with net assets available for benefits.

Payment of Benefits

A participant's entire interest in the Plan is payable upon death, attainment of normal retirement age, becoming disabled, as defined, or termination of service. A participant may elect to receive a lump-sum amount equal to the vested portion of the participant's account, or annual installments. Participants may elect to rollover their vested balance to another qualified retirement plan or IRA. Immediate lump-sum distributions may be made to terminated participants if the participant's vested account balance is \$5,000 or less. The participant can also elect to purchase an annuity contract with his or her vested interest. Withdrawals from the Plan may also be made upon

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

circumstances of financial hardship, in accordance with provisions specified in the Plan. Participants may also withdrawal an amount at age 59½ if certain criteria are met.

2. Summary of Accounting Policies

Annual Reporting Requirements

Prior to January 1, 2009, TIAA and CREF maintained records at a contract, not Plan level. TIAA and CREF, a contracted Plan administrator, administratively decided not to maintain accounting records and supporting documentation at the participant or plan level relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. As such, TIAA and CREF have not been able to produce sufficient records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. As a result, the completeness and the accuracy of the annuity and custodial accounts, related investment income, and distributions related to these accounts, if any, could not be determined.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The School determines the Plan's valuation policies utilizing information provided by the investment advisor and Custodian. See Note 4 for discussion of fair value measurements.

The Plan's fully benefit-responsive investment contract (see Note 5) is stated at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective contributions are recorded in the relevant period in accordance with the terms in the Plan document.

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the School. Expenses that are paid by the School are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

3. Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA and CREF, qualified institutions.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value:

Other Registered Investments - These separate accounts are registered investments offered through variable annuity contracts issued by CREF that invest principally in equity securities, fixed-income instruments, and short-term investments in accordance with each portfolio's investment objectives. Units held in the registered investments are valued at net asset value (NAV) and published daily on NASDAQ. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect performance of the underlying investments minus any fees and charges.

Pooled Separate Account - The value of the pooled separate account is determined at the close of each business day at unit value, which is based on the fair value of the underlying assets, which may consist of real estate properties, mutual funds, and securities. The unit value of the PSA is published on NASDAQ; however, the PSA is not publicly traded. The value of the underlying real estate properties is determined by an external appraisal on a periodic basis, which are estimates based on professional opinions. The value of the underlying investments in the registered investment companies and securities are based on the daily value of the underlying registered investment companies and securities on an open market. There are restrictions on the trading and withdrawals of funds from this investment; generally transfers out can be executed on any business day but may be limited to once per calendar quarter. Other limited exceptions may also apply.

Fixed Annuity Contract - The non-fully benefit-responsive (NFBR) fixed annuity contracts, composed entirely of the TIAA Traditional Annuity Contracts, are reported at fair value. Fair value is determined using a discounted cash flow model. The TIAA Traditional Annuity Contracts are not available for sale or transfer on any security exchange. The fixed annuity contracts are subject to various restrictions. See Note 5.

Variable Annuity Contracts - The value of the variable annuity contracts is determined at the close of each business day at unit value (NAV) and based on the fair value of the underlying investments. The underlying investments in the variable annuity contracts are invested in registered investment companies, which are valued at quoted market prices in an exchange and active markets. The NAV, as provided by TIAA, is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value:

Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following tables represent the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs:

December 31, 2025

		Fair Value	Principal Valuation Technique	Unobservable Input	Crediting Rate (%)
Investment type:					
TIAA Traditional Annuity Contract	\$	1,114,724	Discounted cash flow/theoretical transfer (exit value)	Risk-adjusted discount rate applied	3.55 - 6.55

December 31, 2024

		Fair Value	Principal Valuation Technique	Unobservable Input	Crediting Rate (%)
Investment type:					
TIAA Traditional Annuity Contract	\$	1,024,847	Discounted cash flow/theoretical transfer (exit value)	Risk-adjusted discount rate applied	3.00 - 4.45

During 2025, total purchases and sales of the fixed annuity contract were \$66,611 and \$23,073, respectively.

5. Investment in Fully Benefit-Responsive Investment Contract

One of the traditional annuity contracts sponsored by TIAA and CREF is a fully benefit-responsive investment contract that meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less withdrawals. As of December 31, 2025, the crediting rate ranged from 3.00% to 5.75%. Crediting rates are set monthly throughout the year and are in effect until the end of February of the following year.

This investment contract held by the Plan is a traditional investment contract. TIAA and CREF are contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed. The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on TIAA and CREF's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value. The Plan administrator

French American School of Puget Sound 403(b) DC Plan

Notes to Financial Statements

believes the occurrence of such events that would limit the Plan's ability to transact at contract value is not probable. A surrender charge may apply to transfers or withdrawals from unmatured guaranteed accounts.

6. Related-Party and Party-in-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by TIAA and CREF or their subsidiaries and affiliates. Distribution processing fees are paid to TIAA by participants. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

7. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

8. Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants would become 100% vested in any employer contributions.

9. Tax Status

The Plan uses a pre-approved plan document sponsored by TIAA. TIAA received an opinion letter from the IRS, dated August 7, 2017, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

10. Subsequent Events

The Plan has evaluated subsequent events through September 2, 2026, the date the financial statements were available to be issued.
