INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor, Plan Administrator and Participants of
Orthopaedic Associates, P.A. Cash or Deferred Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Orthopaedic Associates, P.A. Cash or Deferred Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from the qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Sponsor, Plan Administrator and Participants of
Orthopaedic Associates, P.A. Cash or Deferred Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Sponsor, Plan Administrator and Participants of
Orthopaedic Associates, P.A. Cash or Deferred Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Sponsor, Plan Administrator and Participants of
Orthopaedic Associates, P.A. Cash or Deferred Profit Sharing Plan

Supplemental Schedule Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan of Orthopaedic Associates, P.A. (Company) and was established on January 1, 1987. The Plan is subject to the provisions of ERISA.

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURE 2.0 Act) was signed into law. The SECURE 2.0 Act makes various required and optional changes applicable to tax qualified retirement plans with varying effective dates through 2027. The financial statements have been updated to reflect certain mandatory changes to plan provisions or optional changes to plan provisions elected as a result of the SECURE 2.0 Act. The plan document is required to be amended to comply with the requirements of the SECURE 2.0 Act by December 31, 2026.

Effective January 1, 2025, the Company engaged with ADP Retirement Trust Services, LLC (ADP Trust) as the Plan's trustee upon the resignation of Reliance Trust Company on December 31, 2024.

Eligibility: The Plan covers substantially all employees. Employees who are nonresident aliens, or who are covered by a collective bargaining agreement, are not eligible to participate in the Plan. Employees are eligible to participate once they are age twenty-one or older and have attained 12 months of service with no hours requirement. Employees may enter the Plan on the first day of the month coincident with or following the attainment of these requirements.

Contributions: Each year, participants may elect to contribute up to 90% of their eligible compensation (as defined), up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax or after-tax Roth deferral contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, and effective January 1, 2025, participants ages 60 - 63 are eligible to make super catch-up contributions (as defined). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides for the following contributions on behalf of participants:

A safe harbor nonelective contribution equal to 3% of each employee's eligible compensation. For 2025, the Company's safe harbor nonelective contribution totaled \$177,156, net of forfeitures. This amount was remitted in 2026 and is recorded as a receivable on the Statement of Net Assets Available for Benefits as of December 31, 2025.

A discretionary profit sharing contribution as determined by the Board of Directors. Profit sharing contributions are to be allocated according to the grouping method, as defined, to any eligible employee regardless of service completed during the year or employment status at the end of the plan year. For 2025, the Company's discretionary profit sharing contribution totaled \$59,949. This amount was remitted in 2026 and is recorded as a receivable on the Statement of Net Assets Available for Benefits as of December 31, 2025.

Qualified Nonelective Contributions (QNECs) as defined in the Plan. For 2025, the Company's QNEC totaled \$1,719.

Participant Accounts: Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan and any participant requested transaction fees.

ORTHOPAEDIC ASSOCIATES, P.A. CASH OR DEFERRED PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - continued: Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct the investment of their contributions and Company contributions into various registered investment companies (mutual funds) offered by the Plan. For those participants who do not make an investment selection, their contributions and the Company contributions are automatically invested in the Plan's qualified default investment account.

Vesting: Participants are immediately vested in their contributions, QNECs and the Company's safe harbor nonelective contribution, plus earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Regardless of the vesting schedule, participants will become fully vested upon death, total and permanent disability or upon reaching the normal retirement age of 65 or early retirement age of 55 and five years of service, while still employed.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, bear interest at a rate based on the prime rate plus 1% at the time of loan origination and can only exceed a repayment period of five years for the purchase of a principal residence. Three notes may be outstanding at a time; however, only one of the three notes may be outstanding for the purchase of a principal residence. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Benefit payments may be in the form of lump sums, substantially equal installments and partial withdrawals and are payable upon termination of employment, death, normal retirement, early retirement or disability. The Plan shall make automatic distributions of vested account balances that are less than \$7,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals at age 59 ½, subject to a minimum amount of \$500, and qualified birth and adoption distributions are also permitted, subject to provisions defined in the plan document.

Forfeitures: Forfeitures of the Company's discretionary profit sharing contribution portion of a participant's account (due to participants' termination prior to full vesting) may be used to pay any administrative expenses and to reduce any employer contribution on an annual basis. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$1,937 and \$122,175, respectively. During 2025, forfeitures of \$8,048 were used to reduce the 2024 discretionary profit sharing contribution and forfeitures of \$114,887 were re-deposited to a participant's account to correct a prior year error.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting.

DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Contributions: Contributions from plan participants and Company contributions are recorded in the year in which the employee contributions are withheld from compensation or in which participant compensation is earned.

Payment of Benefits: Benefits are recorded when paid. As of December 31, 2025 and 2024, there were no significant amounts due but unpaid to participants.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. Investment advisor fees and an annual recordkeeping fee are charged to each participant's account based on the ratio of the participant's account balance to the total of all participants' account balances and are included in administrative expenses. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	<u>Assets at Fair Value as of December 31</u>			
	<u>2025</u>		<u>2024</u>	
	<u>Level 1</u>	<u>Total</u>	<u>Level 1</u>	<u>Total</u>
Registered Investment Companies	\$ 6,316,609	\$ 6,316,609	\$ 5,460,663	\$ 5,460,663
Investments at fair value	<u>\$ 6,316,609</u>	<u>\$ 6,316,609</u>	<u>\$ 5,460,663</u>	<u>\$ 5,460,663</u>

NOTE 4 - INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest income on notes receivable from participants and dividend income for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by ADP Trust as of and for the year ended December 31, 2025 and Reliance Trust Company as of December 31, 2024, the qualified institutions and current and prior trustees of the Plan.

NOTE 5 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed ADP, LLC, by a letter dated October 6, 2020, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

ORTHOPAEDIC ASSOCIATES, P.A. CASH OR DEFERRED PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 5 - TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

ADP Retirement Services (ADPRS) provides certain administrative services to the Plan pursuant to the Administrative Services Agreement (the Agreement) between the Company and ADPRS. Pursuant to the Agreement, participants pay to ADPRS an annual recordkeeping fee and transactional fees relative to notes and distributions. In addition, ADPRS receives, as additional compensation, certain fees from one or more of the Plan's investment funds, or from affiliates or agents of such investment funds, for services provided by ADPRS with respect to such investment funds. These fees reduce the amount of expenses that would otherwise be payable pursuant to the Agreement. Further, ADPRS receives compensation in the form of interest or similar income (float) on contributions, plan loan repayments and withdrawals in process from the Plan. Fees paid by the Plan to ADPRS amounted to \$24,915 for 2025.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their Company discretionary profit sharing contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 16, 2026, the date the financial statements were available to be issued.
