Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **APRIO LLP**

(2) EIN: **57-1157523**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☒ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year **0**.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Independent Auditors' Report

To the Plan Administrator
Wilson Construction Company 401(k) Profit Sharing Plan
Canby, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Wilson Construction Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2025 (in Liquidation), and the related Statement of Changes in Net Assets Available for Benefits for the year then ended (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Wilson Construction Company 401(k) Profit Sharing Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Wilson Construction Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Notes 2 and 7 to the financial statements, the Board of Trustees of the plan sponsor approved a resolution to terminate the Plan on November 13, 2025, and management determined liquidation is imminent. As a result, the plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wilson Construction Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2024 (Ongoing) Financial Statements

The financial statements (Ongoing) of Wilson Construction Company 401(k) Profit Sharing Plan as of December 31, 2024, were audited by Hoffman, Stewart, & Schmidt, P.C., who merged with Aprio, LLP as of January 1, 2026. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 6, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

-
1. **Description of the Plan** The following description of the Wilson Construction Company 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan was a defined contribution plan covering substantially all employees of Wilson Construction Company (the "Company") who were at least 21 years old and who had completed three months of service, except for nonresident aliens, employees covered by a collective bargaining agreement, and residents of Puerto Rico. Employees could enter the Plan immediately upon satisfying the eligibility requirements. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants could contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Roth contributions were also permitted. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans (rollovers). The Plan provided for automatic enrollment. Any newly eligible employee who had not affirmatively elected to contribute to the Plan or had not affirmatively declined to participate in the Plan was automatically enrolled in the Plan with a three percent withholding of pretax annual compensation. The Company contributed a safe harbor nonelective contribution of three percent of a participant's eligible compensation. Profit sharing amounts may be contributed at the discretion of the Company. Participants directed the investment of their contributions and Company contributions into various investment options offered by the Plan. Contributions were subject to certain limitations.

Participant accounts: Each participant's account was credited with the participant's contributions, the Company's safe harbor contributions, as well as allocations of the Company's discretionary profit sharing contribution, if any, and Plan earnings. Participant accounts could also be charged with an allocation of certain administrative expenses. Investment earnings and losses were allocated based upon the investment performance of each investment in the participant's account. Allocations of the Company's discretionary profit sharing contributions, if any, were based on the ratio of the participant's compensation to total compensation for the Plan year. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Vesting: Participants were vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company discretionary profit sharing contributions were based on years of continuous service of at least 1,000 hours per year. A participant was 20 percent vested after one year of service was completed, and vested an additional 20 percent per year until full vesting after five years.

Payment of benefits: Benefits were payable upon retirement at age 65, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 were also permitted, subject to provisions described in the Plan document. Benefits were payable in lump sum, installment, or partial payments.

Forfeited accounts: At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$0 and \$8,870, respectively. These accounts were used to restore rehired employees' previously forfeited account balances, reduced future Company contributions or paid Plan expenses. During 2025, \$84,936 of forfeited nonvested accounts were used to reduce Company contributions.

Administrative expenses: Certain expenses of maintaining the Plan were paid by the Company. Transaction expenses, such as distribution administration fees, were charged directly to the participant's account and were included in administrative expenses. Investment consulting fees were also charged to participants based on account balances.

2. Significant accounting policies

Basis of accounting: On November 13, 2025, the Board of Trustees of Wilson Construction Company adopted a resolution to terminate the Plan (see Note 7). Because the Plan's termination was approved by the party with the authority to do so and the likelihood that the termination would be blocked was remote, management determined that liquidation was imminent as of that date. Accordingly, the Plan changed its basis of accounting effective November 13, 2025 from the going concern basis, on which the 2024 financial statements were prepared, to the liquidation basis. Under the liquidation basis, assets are measured at the estimated amount of cash the Plan expects to collect, and the Plan accrues the costs it expects to incur and the income it expects to earn through the end of the liquidation.

Accrued costs of liquidation and expected income: The Plan has accrued \$21,182 of estimated costs expected to be incurred through the completion of the liquidation, consisting principally of recordkeeping and distribution processing fees, which are expected to be paid through July 31, 2026. Expected investment income of \$22,534 has also been accrued, which is expected to be earned through July 31, 2026.

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Investment valuation and income recognition: Investments were reported at fair value (except for fully benefit-responsive investment contracts, which were reported at contract value). Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determined the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Measurement methods and significant assumptions: Under the liquidation basis, assets are measured at the estimated amount of cash the Plan expects to collect. Management concluded that the carrying amounts determined under the policies described above approximate that amount. The pooled separate accounts were redeemable at net asset value without restriction (see Note 4). The guaranteed investment contract remained fully benefit-responsive and the Plan expected to receive contract value in settling participant benefits; no market value adjustment or withdrawal restriction applied on termination, and the contract was paid out in full at contract value (see Note 5). The employer contributions receivable of \$598,456 represents the profit sharing contribution for the period January 1, 2025 through November 13, 2025, which was funded by the Company in March 2026. There were no changes to the methods or significant assumptions used to measure assets and liabilities from the date the liquidation basis was adopted through December 31, 2025.

Contributions: Participant contributions were recognized in the period the participant contribution was withheld from compensation. The Company safe harbor contributions and discretionary profit sharing contributions, if any, were recognized in the period the related participant compensation was paid to the participant.

Payment of benefits: Benefits were recorded when paid.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affected the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Subsequent events: Effective November 13, 2025, the Plan was amended to terminate the Plan. The Company and the Plan Administrator wound down operations of the Plan and all of the assets were liquidated in 2026. All participants were 100% vested at the time of termination.

The Plan evaluated subsequent events for disclosure in these financial statements through August 27, 2026, which is the date the financial statements were available to be issued.

- 3. Certified information** Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividend income for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company, the custodian of the Plan.
- 4. Fair value measurements** Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The fair value of the units of pooled separate accounts was based on the net asset value ("NAV") on the last business day of the Plan year provided by the entity holding the accounts. The NAV was used as a practical expedient to estimate fair value and was determined by the custodian based on the fair value of the underlying assets in the account, less the liabilities.

The investment objective of the pooled separate accounts was to lower the costs to investors through economies of scale available by combining the assets of multiple investors, to provide daily liquidity, and to provide better diversification. Each investor owned a participating interest that was calculated in units and represented its portion of the holdings of the fund.

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Effective December 31, 2025 and 2024, all investments of the Plan measured at fair value were measured using net asset value as a practical expedient and, therefore, are not subject to the fair value hierarchy. The guaranteed investment contract is reported at contract value and is not measured at fair value (see Note 5). Investments in all pooled separate accounts could be redeemed at the current net asset value based on the fair value of the underlying assets. There were no withdrawal limits, redemption frequency limits, or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2025 and 2024.

5. **Guaranteed investment contract**

The Plan participated in a traditional benefit responsive investment contract with Standard Insurance Company ("Standard") via an investment in a Guaranteed Investment Contract ("GIC"). Standard commingles the assets of the GIC with other assets in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Standard was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Contract value, as reported to the Plan by Standard, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Prior to Plan termination, participants could ordinarily direct withdrawals or transfer all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. Prior to the Plan's termination, no events limited the ability of the Plan to transact at contract value. Upon termination of the contract, there was no market value adjustment needed and no withdrawal restrictions from the contract. All amounts invested in the contract were paid out to the respective participants in connection with the Plan's termination.

6. **Risks and uncertainties**

The Plan provided for investments in various securities that were exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect the amounts reported in future statements of net assets available for benefits.

Wilson Construction Company 401(k) Profit Sharing Plan

Notes to Financial Statements

-
7. **Plan termination** As described in Note 2, on November 13, 2025, the Company's Board of Trustees adopted a resolution to terminate the Plan. Under the plan of liquidation, all participants became 100 percent vested in their accounts at the date of termination. The Plan's investments consist of pooled separate accounts and a guaranteed investment contract held with Standard Insurance Company, all of which the Plan liquidated at net asset value and contract value, respectively, and distributed to participants in accordance with their elections, either as lump-sum distributions or as direct rollovers to other qualified plans or individual retirement accounts. Accounts of participants who did not make an election were rolled over to individual retirement accounts. Liquidation was completed by July 31, 2026.
8. **Tax status** The Plan was a pre-approved plan of Standard Retirement Services, Inc. which received an opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan had been amended since receiving the opinion letter, the Plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust is tax-exempt.
- Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress.
9. **Party-in-interest transactions** Certain Plan investments were managed by affiliates of Standard. Standard was the custodian and recordkeeper as defined by the Plan. Fees paid by the Plan for the investment management services were included with net appreciation in fair value of investments. These transactions qualify as exempt party-in-interest transactions.
