Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of ADM Promotions, USA, Inc. 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion for the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion for the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year and Schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADM PROMOTIONS, USA, INC. 401(K) PLAN
Stamford, Connecticut
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note 1: Description of the Plan

The following description of the ADM Promotions, USA, Inc. 401(K) Plan (the Plan) provides only general information. Refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering the employees of ADM Promotions, USA, Inc. (the Company). An employee becomes eligible to enroll in the Plan on the first day of the calendar month after reaching 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and later amendments.

Plan investments were in the custody of Fidelity Investments (the Custodian). These assets consist primarily of shares in various mutual funds.

Participant Contributions - Self Directed

Participating employees are automatically enrolled into the Plan at 3%. They may elect to enter into a contribution reduction agreement to reduce compensation up to the maximum allowable (100%) not to exceed IRS limits, which will be contributed to the Plan in their name. The Plan also permits Roth contributions. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds for participants. The Plan also offers target date fund choices which are pre-determined allocations of the available mutual funds.

The Plan may accept a proper rollover from another qualified plan.

Employer Contributions

For the years ending December 31, 2025 the Company paid a match of \$357,644. For 2024, the Company paid a match of \$225,988.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. All cost, fees, and expenses associated with the participant's account maybe charged or deducted from the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Plan participants are fully vested in their individual deferrals into the 401(k) Plan. However, the company matching contributions and earnings on those contributions are subject to a vesting schedule based on the participant's years of service. Participants are not vested in these amounts until they have completed at least one year of service. After one year, they become 33.3% vested; after two years, 66.6% vested; and after three years of service, they are fully vested at 100%.

Participant Loans

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a rate determined at 1% over prime. Loan repayments are made ratably through payroll deductions. Generally loans may not exceed five years and only one loan is allowed at a time.

At December 31, 2025 and 2024 there were no participant loans in default.

Note 1: Description of the Plan (Continued)

Benefits

Distributions are made upon death, disability, retirement or termination of employment. The participant may receive a lump-sum amount equal to the value of their vested interest or a annuity payment. In-service distributions are permitted from the participant's deferral accounts. Benefits are recorded when paid.

Forfeitures

Forfeitures can be used to reduce employer contributions or pay Plan expenses. For the Plan years ending December 31, 2025 and 2024, forfeitures totaled \$22,113 and \$51,229, respectively. For the Plan years ending December 31, 2025 and 2024 the forfeitures used to pay employer contributions totaled \$0 and \$149,875, respectively. The balances of the forfeitures accounts were \$24,992 and \$2,342 for the years ending December 31, 2025 and 2024, respectively.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of the participants accounts or distributions are charged directly to the participant's account. Other expenses are included in administrative expenses. Investment fees are paid through revenue sharing.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employee's payroll.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are presented at fair value, as determined and certified by the Custodian as of the Plan year-end. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Net appreciation (depreciation) includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2025 and 2024, the Plan had no pending distributions.

Note 2: Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Note 3 for further documentation on fair value measurements.

Note 3: Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 16,957,541	\$ -	\$ -	\$ 16,957,541
December 31, 2024 - Restated	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,542,625	\$ -	\$ -	\$ 14,542,625

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2025 and 2024. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ADM PROMOTIONS, USA, INC. 401(K) PLAN
Stamford, Connecticut
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2025 and 2024

Note 4: Stable Asset Fund

Stable Asset Funds are valued at contract value. The issuer establishes the interest crediting rate periodically, and the rate is applied uniformly to all contract balances. Contract value represents contributions made to the Fund, plus earnings credited, less participant withdrawals and administrative expenses. This is the amount the participants would receive for ordinary transactions under the terms of the contract. The balance of the Stable Asset Fund was \$314,926 and \$501,783 for the years ending December 31, 2025 and 2024, respectively.

Note 5: Related Party and Party in Interest Transactions

The Plan Sponsor absorbs some administrative expenses of the Plan, cost of audit fees and the cost of fiduciary bonds. As the Plan does not reimburse the Company for the cost of such services, they are not included in these financial statements.

Investment related expenses are included in the administrative expenses. The third-party administrator and Custodian, Fidelity Investments Institutional, is paid recordkeeping fees. These transactions qualify as exempt party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. Additional party-in interest transactions include investment fees paid to Creative Planning, LLC. These transactions qualify as exempt party-in-interest transactions.

Note 6: Plan Termination

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time subject to the provisions of ERISA. In the event of termination, each participant will have a non-forfeitable interest in his/her entire individual account.

Note 7: Tax Status

The Company adopted a non-standardized prototype Plan document. The Internal Revenue Service issued an opinion letter, dated June 30, 2020, on the prototype Plan document, indicating the basic Plan document is acceptable under Code Section 401 of the Internal Revenue Code (IRC). Although the Plan may have been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2022.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Information Prepared and Certified by Custodian (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and loans to participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2025 and 2024 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian.

Note 10: Reconciliation of Financial Statements to Form 5500

The statements of net assets available for benefits for December 31, 2025 and 2024 is reconciled to Schedule H of Form 5500 as follows:

Change in net assets available for benefits per Schedule H of Form 5500	\$ 2,153,719	\$ (2,621,104)

Note 11: Plan Merger and Transfer of Assets

On January 1, 2024, the assets and liabilities of the David S Lapine, Inc. Profit Sharing and 401(k) Plan were transferred to the ADM Promotions USA, Inc. 401(k) Retirement Plan. As a result, the David S Lapine, Inc. Profit Sharing and 401(k) Plan ceased operations and its net assets were reduced to zero. The total amount of assets transferred was \$13,758,990. The merger was executed in accordance with ERISA and applicable IRS regulations. Participants of the David S Lapine, Inc. Profit Sharing and 401(k) Plan became participants of the ADM Promotions USA, Inc. 401(k) Retirement Plan with no changes to their account balances or investment elections.

Note 12: Restatement of Prior Year Financial Statements

Note 3, Fair Value Measurements, has been restated to reflect a change in the presentation of the Stable Asset Fund. This fund was removed from the fair value measurement table and is being disclosed separately at contract value. The restatement reflects this change in presentation. This adjustment did not impact net assets or changes in net assets.

Note 13: Subsequent Events

Management has evaluated subsequent events through September 18, 2026, the date on which the financial statements were available to be issued.

Plan Administrator and Trustees
ADM Promotions, USA, Inc. 401(K) Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of ADM Promotions, USA, Inc. 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion for the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion for the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year and Schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADM PROMOTIONS, USA, INC. 401(K) PLAN
Stamford, Connecticut
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note 1: Description of the Plan

The following description of the ADM Promotions, USA, Inc. 401(K) Plan (the Plan) provides only general information. Refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering the employees of ADM Promotions, USA, Inc. (the Company). An employee becomes eligible to enroll in the Plan on the first day of the calendar month after reaching 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and later amendments.

Plan investments were in the custody of Fidelity Investments (the Custodian). These assets consist primarily of shares in various mutual funds.

Participant Contributions - Self Directed

Participating employees are automatically enrolled into the Plan at 3%. They may elect to enter into a contribution reduction agreement to reduce compensation up to the maximum allowable (100%) not to exceed IRS limits, which will be contributed to the Plan in their name. The Plan also permits Roth contributions. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds for participants. The Plan also offers target date fund choices which are pre-determined allocations of the available mutual funds.

The Plan may accept a proper rollover from another qualified plan.

Employer Contributions

For the years ending December 31, 2025 the Company paid a match of \$357,644. For 2024, the Company paid a match of \$225,988.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. All cost, fees, and expenses associated with the participant's account maybe charged or deducted from the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Plan participants are fully vested in their individual deferrals into the 401(k) Plan. However, the company matching contributions and earnings on those contributions are subject to a vesting schedule based on the participant's years of service. Participants are not vested in these amounts until they have completed at least one year of service. After one year, they become 33.3% vested; after two years, 66.6% vested; and after three years of service, they are fully vested at 100%.

Participant Loans

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a rate determined at 1% over prime. Loan repayments are made ratably through payroll deductions. Generally loans may not exceed five years and only one loan is allowed at a time.

At December 31, 2025 and 2024 there were no participant loans in default.

Note 1: Description of the Plan (Continued)

Benefits

Distributions are made upon death, disability, retirement or termination of employment. The participant may receive a lump-sum amount equal to the value of their vested interest or a annuity payment. In-service distributions are permitted from the participant's deferral accounts. Benefits are recorded when paid.

Forfeitures

Forfeitures can be used to reduce employer contributions or pay Plan expenses. For the Plan years ending December 31, 2025 and 2024, forfeitures totaled \$22,113 and \$51,229, respectively. For the Plan years ending December 31, 2025 and 2024 the forfeitures used to pay employer contributions totaled \$0 and \$149,875, respectively. The balances of the forfeitures accounts were \$24,992 and \$2,342 for the years ending December 31, 2025 and 2024, respectively.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of the participants accounts or distributions are charged directly to the participant's account. Other expenses are included in administrative expenses. Investment fees are paid through revenue sharing.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employee's payroll.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are presented at fair value, as determined and certified by the Custodian as of the Plan year-end. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Net appreciation (depreciation) includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2025 and 2024, the Plan had no pending distributions.

Note 2: Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Note 3 for further documentation on fair value measurements.

Note 3: Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 16,957,541</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,957,541</u>
December 31, 2024 - Restated	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 14,542,625</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,542,625</u>

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2025 and 2024. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ADM PROMOTIONS, USA, INC. 401(K) PLAN
Stamford, Connecticut
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2025 and 2024

Note 4: Stable Asset Fund

Stable Asset Funds are valued at contract value. The issuer establishes the interest crediting rate periodically, and the rate is applied uniformly to all contract balances. Contract value represents contributions made to the Fund, plus earnings credited, less participant withdrawals and administrative expenses. This is the amount the participants would receive for ordinary transactions under the terms of the contract. The balance of the Stable Asset Fund was \$314,926 and \$501,783 for the years ending December 31, 2025 and 2024, respectively.

Note 5: Related Party and Party in Interest Transactions

The Plan Sponsor absorbs some administrative expenses of the Plan, cost of audit fees and the cost of fiduciary bonds. As the Plan does not reimburse the Company for the cost of such services, they are not included in these financial statements.

Investment related expenses are included in the administrative expenses. The third-party administrator and Custodian, Fidelity Investments Institutional, is paid recordkeeping fees. These transactions qualify as exempt party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. Additional party-in interest transactions include investment fees paid to Creative Planning, LLC. These transactions qualify as exempt party-in-interest transactions.

Note 6: Plan Termination

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time subject to the provisions of ERISA. In the event of termination, each participant will have a non-forfeitable interest in his/her entire individual account.

Note 7: Tax Status

The Company adopted a non-standardized prototype Plan document. The Internal Revenue Service issued an opinion letter, dated June 30, 2020, on the prototype Plan document, indicating the basic Plan document is acceptable under Code Section 401 of the Internal Revenue Code (IRC). Although the Plan may have been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2022.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Information Prepared and Certified by Custodian (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and loans to participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2025 and 2024 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian.

Note 10: Reconciliation of Financial Statements to Form 5500

The statements of net assets available for benefits for December 31, 2025 and 2024 is reconciled to Schedule H of Form 5500 as follows:

	December 31,	
	2025	2024
Net assets available for benefits per the financial statements	\$ 17,401,334	\$ 15,307,811
Contributions receivable	-	(60,196)
Net assets available for benefits per Schedule H of Form 5500	\$ 17,401,334	\$ 15,247,615

The following is a reconciliation of the change in net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Schedule H and Schedule I of Form 5500:

	December 31,	
	2025	2024
Change in net assets available for benefits per the financial statements	\$ 2,093,523	\$ (2,588,502)
Add (Less): Net change in contributions receivable	60,196	(32,602)
Change in net assets available for benefits per Schedule H of Form 5500	\$ 2,153,719	\$ (2,621,104)

Note 11: Plan Merger and Transfer of Assets

On January 1, 2024, the assets and liabilities of the David S Lapine, Inc. Profit Sharing and 401(k) Plan were transferred to the ADM Promotions USA, Inc. 401(k) Retirement Plan. As a result, the David S Lapine, Inc. Profit Sharing and 401(k) Plan ceased operations and its net assets were reduced to zero. The total amount of assets transferred was \$13,758,990. The merger was executed in accordance with ERISA and applicable IRS regulations. Participants of the David S Lapine, Inc. Profit Sharing and 401(k) Plan became participants of the ADM Promotions USA, Inc. 401(k) Retirement Plan with no changes to their account balances or investment elections.

Note 12: Restatement of Prior Year Financial Statements

Note 3, Fair Value Measurements, has been restated to reflect a change in the presentation of the Stable Asset Fund. This fund was removed from the fair value measurement table and is being disclosed separately at contract value. The restatement reflects this change in presentation. This adjustment did not impact net assets or changes in net assets.

Note 13: Subsequent Events

Management has evaluated subsequent events through September 18, 2026, the date on which the financial statements were available to be issued.
