Independent Auditor's Report

To the Plan Administrator of
Mariner Management Group Inc. 401(k) Plan
Kettering, Ohio

Opinion

We have audited the accompanying financial statements of Mariner Management Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of July 14, 2025 (in liquidation), and the related statement of changes in net assets available for benefits for the period then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2024 (ongoing), and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Mariner Management Group, Inc. 401(k) Plan as of July 14, 2025 (in liquidation) and 2024 (ongoing), and the changes in its net assets available for benefits for the period ended July 14, 2025 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mariner Management Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter—Plan Termination and Liquidation Basis of Accounting

As discussed in Note 5 to the financial statements, the governing body of Mariner Management Group, Inc. 401(k) Plan approved a plan of liquidation and management has distributed all the plans assets as of July 14, 2025. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mariner Management Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Mariner Management Group Inc. 401(k) Plan
EIN 34-1700631
Plan Number: 001
Notes to Financial Statements
July 14, 2025

1. Description of the Plan

The Mariner Management Group Inc. 401(k) Plan (the "Plan") was established on December 1, 2023. The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may elect to defer a portion of their compensation to the Plan subject to an annual maximum amount pursuant to the applicable code section of the Internal Revenue Code limited to the maximum amount allowed by the law, which is \$20,500 for 2025. During 2025, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offer by the Plan.

The Company may make a discretionary matching contribution equal to a uniform percentage of the participant's salary deferral. There was no matching contribution for the period ended July 14, 2025.

Participant Accounts - Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Funding Policy - The Company's funding policy is to make the contributions to the Plan as soon as administratively feasible.

Vesting - Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching and profit-sharing contribution is based on a five-year graded vesting schedule. Participants become vested in Employers' matching contributions and profit-sharing contributions as follows:

Years of Service	Vested Percentage
less than 1	0%
1 - 2	20%
2 - 3	40%
3 - 4	60%
4 - 5	80%
5 or more	100%

Plan Number: 001
Notes to Financial Statements
July 14, 2025

Notes Receivable for Participants: The Plan allows participants to borrow against their vested account balance in the Plan. Participants may borrow up to the lesser of (1) \$50,000, minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made or (2) one-half the present value of their vested account balance. The loans are secured by the balance in the participant's account and bear a market rate of interest which is determined on the loan origination date. Principal and interest is paid through payroll deductions over a period of no greater than five years. There were no participant note receivables at July 14, 2025 and December 31, 2024.

In Service and Hardship Withdrawals – A participant can take hardship withdrawals for Immediate and Heavy Financial Need, as defined in the Plan document. Participant before-tax contributions and matching contributions can be withdrawn after attainment of age 59 ½.

Payment of Benefits - Upon termination of employment, including disability, a participant (or the participant's beneficiary) will receive a lump-sum distribution (vested balance less than \$5,000) or have the option of installment payments (vested balance greater than \$5,000).

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Forfeitures - At July 14, 2025 and December 31, 2024, forfeited non-vested accounts were \$0. These accounts will be used to reduce future discretionary employer contributions and administrative expenses of the Plan. Forfeitures used to pay administrative fees in 2025 were \$0.

2. Summary of Accounting Policies

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans and in accordance with the terms of the trust agreement.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments consists of the realized gains or losses and the unrealized appreciation or depreciation of those investments.

Payments of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

3. Information Prepared and Certified by Custodian

The Matrix Trust Company ("Matrix"), custodian of the Plan, held the Plan's investment assets and executed transactions therein as of and for the period ended July 14, 2025. The following is a summary of the Plan's financial information certified by Matrix as complete and accurate in accordance with section 2520.103-8 of the Department of Labor's rules and regulations for reporting and disclosure under ERISA.

Changes in net assets for the period ended July 14, 2025, not audited, include the following:

Net depreciation in fair value of investments	\$ (37,706)
Interest	-
	<u>\$ (37,706)</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Investments and Fair Value Measurements

The Plan applies FASB ASC 820, *Fair Value Measurement* ("ASC 820"). FASB ASC 820 provides a framework for measuring fair value and the disclosures about fair value measurements of assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">▪ Quoted prices for similar assets or liabilities in active markets;▪ Quoted prices for identical or similar assets or liabilities in inactive markets;▪ Inputs other than quoted prices that are observable for the asset or liability;▪ Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

Mariner Management Group Inc. 401(k) Plan
EIN 34-1700631
Plan Number: 001
Notes to Financial Statements
July 14, 2025

If the asset or liability has a specified (contractual) term, level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at July 14, 2015.

<i>Registered Investment Companies:</i>	Valued at the daily closing price as reported by the fund. Registered investment companies (mutual funds) held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.
---	---

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 14, 2025 and December 31, 2024:

<i>Investment Assets at Fair Values at July 14, 2025</i>				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ -	-	-	\$ -
Investments at Fair Value	\$ -	\$ -	\$ -	\$ -
<i>Investment Assets at Fair Values as of December 31, 2024</i>				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 1,274,548	-	\$ -	\$ 1,274,548
Investments at Fair Value	\$ 1,274,548	\$ -	\$ -	\$ 1,274,548

5. Plan Termination

The plan was officially terminated on July 14, 2025 and all plan assets were distributed in accordance with the plan document.

6. Tax Status of the Plan

The Internal Revenue Service (IRS) has issued an opinion letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. Mariner Management Group Inc. 401(k) Plan
EIN 34-1700631
Plan Number: 001
Notes to Financial Statements
July 14, 2025

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 14, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Subsequent Events

No reportable subsequent events have been identified. Subsequent events have been evaluated through September 10, 2026, the date which the financial statements were available to be issued.
