Independent Auditor's Report

The Plan Administrator
AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust
Mentor, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP)

- the certified information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Contributions are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Note 1 - Description of the Plan

The following brief description of AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of AGH Ultimate, LLC (the Company or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company are eligible to participate in the Plan if they are age 18 or older and upon completion of six months of service. Entry dates are immediately following the age and service requirements being met.

During the year ended December 31, 2024, there were multiple amendments to the service requirement.

- Effective April 1, 2024, the service requirement changed from three months to one month.
- Effective October 1, 2024, the service requirement changed from one month to six months.

Contributions

Participants may elect to make contributions to the Plan through payroll deductions from each participant's compensation, as defined, subject to statutory limitations. Participants may elect to have their compensation deferrals allocated to pre-tax, after-tax, or Roth accounts. The Plan also allows participants to transfer funds from other employer-qualified plans into the Plan.

The Company also makes a safe harbor matching contribution. The matching contribution is the sum of 100% of the participant's deferral contributions on the first 3% of the participant's compensation, and 50% of the participant's deferral contributions that exceed 3% of compensation but are less than 5% of the participant's compensation during the pay period. The Company may make a discretionary matching contribution or discretionary profit-sharing contribution, to be determined annually. The Company did not approve a discretionary profit-sharing or matching contribution for the 2025 and 2024 Plan years. Participants must be employed on the late day of the year to be eligible for these discretionary contributions.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Vesting

Participants are immediately vested in their voluntary contributions and their safe harbor contributions plus actual earnings thereon. Vesting in the discretionary employer matching and equalization contribution accounts is based on years of continuous service, as follows:

Years of Service	Vesting Percent
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A Participant also becomes fully vested at the time of the participant's death, if the participant becomes disabled while employed, if the participant's position is eliminated due to a force reduction, or upon attainment of normal retirement age.

Participant Accounts and Forfeitures

Each participant's account is credited with the participant's 401(k) contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on account balances, as defined by the Plan Agreement. Forfeitures will be used first to pay Plan administrative expenses. If forfeitures are not sufficient, then the Company will pay any remaining expenses. Forfeiture activity is as follows:

<i>December 31,</i>	<i>2025</i>	<i>2024</i>
Forfeitures - beginning balance	\$ 1,790	\$ -
Investment income	36	1
Used to pay plan expenses	(1,826)	-
New forfeitures	-	1,789
Forfeitures - ending balance	\$ -	\$ 1,790

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum payment equal to the vested interest in his or her account. In-service withdrawals are permitted upon attaining age 59 ½ and in cases of financial hardship. A participant may request a distribution from his or her rollover account or after-tax contribution account at any time. Under certain circumstances, participants may also request an in-service distribution from their matching accounts.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans will not be made for less than \$1,000. With the exception of notes used to finance the purchase of a principal residence, note terms generally may not exceed 54 months. A participant may have no more than one loan outstanding at any time. The notes are secured by the vested balance in the participant's account and bear interest at 1% over the Prime Rate as published in the Wall Street Journal. The interest rates range between 8.00% and 9.50% on the notes outstanding as of December 31, 2025. Principal and interest are repaid through payroll deductions or payments from the participant's personal bank account over the term of the note and are credited to the participant's account.

Administrative Expenses

Certain custodian fees, transaction fees and other administrative expenses are paid by the Plan and are based on reasonable and customary rates. Certain other costs and expenses incurred in connection with the operation of the Plan are paid by the Company. In addition, certain Plan expenses have been offset by revenue sharing income and are included on the statements of changes in net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Payment of Benefits

Benefits payments are recorded when disbursed.

Income Taxes

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 3 - Fair Value Measurements

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, and other input that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Collective Investment Trusts (CITs) - Units held in the CITs are valued at NAV as reported by the trustee, as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The CITs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

investment units at NAV on the measurement date. There are no unfunded commitments related to the CITs.

The stable value CIT NAV is based on the contract value. Investments held by a CIT are required to be reported at fair value. However, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans, which approximates fair value.

Mutual Funds - These funds are valued at quoted market prices in an exchange and active market, which represents the NAVs of shares held by the Plan.

The following tables set forth, by level, within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2 or 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Investments , at fair value				
Mutual funds	\$10,558,753	\$ -	\$ -	\$ 10,558,753
Collective investment trusts*	-	-	-	127,184
Total investments , at fair value	\$10,558,753	\$ -	\$ -	\$ 10,685,937

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Investments , at fair value				
Mutual funds	\$ 8,349,359	\$ -	\$ -	\$ 8,349,359
Collective investment trusts*	-	-	-	110,983
Total investments , at fair value	\$ 8,349,359	\$ -	\$ -	\$ 8,460,342

*The investments in pooled separate accounts and the collective investment trusts are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 - Investments and Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, a qualified institution, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, each participant's account will become fully vested.

Note 6 - Party-in-Interest Transactions and Fees

The Plan received participant contributions and paid administrative expenses to Paychex, Inc., a service provider and party-in-interest. Total fees paid for recordkeeping services for the year ended December 31, 2025 and 2024, were \$27,445 and \$22,019, respectively.

The Plan made participant loans totaling \$221,309 and \$218,881 during the year ended December 31, 2025 and 2024, respectively. These loans are considered party-in-interest transactions under ERISA but are exempt from the prohibited transaction rules.

Note 7 - Plan Merger/Transfer of Plan Assets

Effective April 1, 2024, the Service Professor, LLC 401(k) Profit Sharing Plan was merged into the AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust. All assets and liabilities of the Service Professor, LLC 401(k) Profit Sharing Plan were transferred to the AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust totaling \$3,946,285. The merger did not result in any changes to participant benefits.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Note 8 - Income Tax Status

The Plan obtained its latest determination letter dated August 31, 2020 in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently not audits for any tax period in progress.

Note 9 - Delinquent Participant Contributions

Lost earnings related to all uncorrected transactions were remitted in 2025. The earnings were calculated based on information available prior to these financial statements being available for issuance.

Note 10 - Subsequent Events

Subsequent events have been evaluated by management through August 28, 2026, the date these financial statements were available to be issued.

Independent Auditor's Report

The Plan Administrator
AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust
Mentor, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP)

- the certified information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Contributions are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Note 1 - Description of the Plan

The following brief description of AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of AGH Ultimate, LLC (the Company or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company are eligible to participate in the Plan if they are age 18 or older and upon completion of six months of service. Entry dates are immediately following the age and service requirements being met.

During the year ended December 31, 2024, there were multiple amendments to the service requirement.

- Effective April 1, 2024, the service requirement changed from three months to one month.
- Effective October 1, 2024, the service requirement changed from one month to six months.

Contributions

Participants may elect to make contributions to the Plan through payroll deductions from each participant's compensation, as defined, subject to statutory limitations. Participants may elect to have their compensation deferrals allocated to pre-tax, after-tax, or Roth accounts. The Plan also allows participants to transfer funds from other employer-qualified plans into the Plan.

The Company also makes a safe harbor matching contribution. The matching contribution is the sum of 100% of the participant's deferral contributions on the first 3% of the participant's compensation, and 50% of the participant's deferral contributions that exceed 3% of compensation but are less than 5% of the participant's compensation during the pay period. The Company may make a discretionary matching contribution or discretionary profit-sharing contribution, to be determined annually. The Company did not approve a discretionary profit-sharing or matching contribution for the 2025 and 2024 Plan years. Participants must be employed on the late day of the year to be eligible for these discretionary contributions.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Vesting

Participants are immediately vested in their voluntary contributions and their safe harbor contributions plus actual earnings thereon. Vesting in the discretionary employer matching and equalization contribution accounts is based on years of continuous service, as follows:

Years of Service	Vesting Percent
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A Participant also becomes fully vested at the time of the participant's death, if the participant becomes disabled while employed, if the participant's position is eliminated due to a force reduction, or upon attainment of normal retirement age.

Participant Accounts and Forfeitures

Each participant's account is credited with the participant's 401(k) contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on account balances, as defined by the Plan Agreement. Forfeitures will be used first to pay Plan administrative expenses. If forfeitures are not sufficient, then the Company will pay any remaining expenses. Forfeiture activity is as follows:

<i>December 31,</i>	<i>2025</i>	<i>2024</i>
Forfeitures - beginning balance	\$ 1,790	\$ -
Investment income	36	1
Used to pay plan expenses	(1,826)	-
New forfeitures	-	1,789
Forfeitures - ending balance	\$ -	\$ 1,790

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum payment equal to the vested interest in his or her account. In-service withdrawals are permitted upon attaining age 59 ½ and in cases of financial hardship. A participant may request a distribution from his or her rollover account or after-tax contribution account at any time. Under certain circumstances, participants may also request an in-service distribution from their matching accounts.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans will not be made for less than \$1,000. With the exception of notes used to finance the purchase of a principal residence, note terms generally may not exceed 54 months. A participant may have no more than one loan outstanding at any time. The notes are secured by the vested balance in the participant's account and bear interest at 1% over the Prime Rate as published in the Wall Street Journal. The interest rates range between 8.00% and 9.50% on the notes outstanding as of December 31, 2025. Principal and interest are repaid through payroll deductions or payments from the participant's personal bank account over the term of the note and are credited to the participant's account.

Administrative Expenses

Certain custodian fees, transaction fees and other administrative expenses are paid by the Plan and are based on reasonable and customary rates. Certain other costs and expenses incurred in connection with the operation of the Plan are paid by the Company. In addition, certain Plan expenses have been offset by revenue sharing income and are included on the statements of changes in net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Payment of Benefits

Benefits payments are recorded when disbursed.

Income Taxes

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 3 - Fair Value Measurements

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, and other input that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Collective Investment Trusts (CITs) - Units held in the CITs are valued at NAV as reported by the trustee, as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The CITs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

investment units at NAV on the measurement date. There are no unfunded commitments related to the CITs.

The stable value CIT NAV is based on the contract value. Investments held by a CIT are required to be reported at fair value. However, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans, which approximates fair value.

Mutual Funds - These funds are valued at quoted market prices in an exchange and active market, which represents the NAVs of shares held by the Plan.

The following tables set forth, by level, within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2 or 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Investments , at fair value				
Mutual funds	\$10,558,753	\$ -	\$ -	\$ 10,558,753
Collective investment trusts*	-	-	-	127,184
Total investments , at fair value	\$10,558,753	\$ -	\$ -	\$ 10,685,937

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Investments , at fair value				
Mutual funds	\$ 8,349,359	\$ -	\$ -	\$ 8,349,359
Collective investment trusts*	-	-	-	110,983
Total investments , at fair value	\$ 8,349,359	\$ -	\$ -	\$ 8,460,342

*The investments in pooled separate accounts and the collective investment trusts are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 - Investments and Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, a qualified institution, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, each participant's account will become fully vested.

Note 6 - Party-in-Interest Transactions and Fees

The Plan received participant contributions and paid administrative expenses to Paychex, Inc., a service provider and party-in-interest. Total fees paid for recordkeeping services for the year ended December 31, 2025 and 2024, were \$27,445 and \$22,019, respectively.

The Plan made participant loans totaling \$221,309 and \$218,881 during the year ended December 31, 2025 and 2024, respectively. These loans are considered party-in-interest transactions under ERISA but are exempt from the prohibited transaction rules.

Note 7 - Plan Merger/Transfer of Plan Assets

Effective April 1, 2024, the Service Professor, LLC 401(k) Profit Sharing Plan was merged into the AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust. All assets and liabilities of the Service Professor, LLC 401(k) Profit Sharing Plan were transferred to the AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust totaling \$3,946,285. The merger did not result in any changes to participant benefits.

AGH Ultimate, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Note 8 - Income Tax Status

The Plan obtained its latest determination letter dated August 31, 2020 in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently not audits for any tax period in progress.

Note 9 - Delinquent Participant Contributions

Lost earnings related to all uncorrected transactions were remitted in 2025. The earnings were calculated based on information available prior to these financial statements being available for issuance.

Note 10 - Subsequent Events

Subsequent events have been evaluated by management through August 28, 2026, the date these financial statements were available to be issued.
