Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **MACIAS, GINI & O'CONNELL, LLP**

(2) EIN: **68-0300457**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan
Farmingdale, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SWIMWEAR ANYWHERE, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established July 4, 1995, is a participant-directed defined contribution plan covering all eligible employees of Swimwear Anywhere, Inc. (the “Company,” the “Employer,” or the “Plan Sponsor”) as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”) and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). It also provides certain benefits in the event of death, disability, or other termination of employment. John Hancock Life Insurance Company of New York (“John Hancock” or the “Trustee”) is the Plan’s Trustee.

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has appointed the Administrative Committee to oversee the operation and administration of the Plan. The Trustee serves as the Plan’s directed trustee and asset custodian. John Hancock also provides record-keeping services and manages participant accounts and participant related transactions.

Contributions

Each year, participants may contribute to the Plan, on a pre-tax basis up to 75% of compensation, with dollar limits established by the IRC. Such contributions are excluded from the participant’s Federal taxable income until received as a withdrawal or distribution from the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). During 2025, the maximum annual 401(k) pre-tax contribution limit was \$23,500 for participants under 50 years of age. Participants who are 50 years of age or older may make additional catch-up contributions of up to \$7,500, for a total deferral limit of \$31,000. Additionally, during 2025 participants between the ages of 60 and 63 may make catch-up contributions of up to \$11,250 for a total deferral limit of \$34,750. The Plan provides for discretionary employer matching contributions for all eligible participants which totaled \$245,317 for the year ended December 31, 2025. Additionally, the Company may make qualified non-elective contributions (“QNECs”). There were no QNECs made in 2025.

Participant Accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of (i) employer’s 401(k) matching contributions and (ii) the participant’s share of earnings or losses on contributions and administrative expenses. Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant’s investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided by the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in employer’s contributions plus actual earnings thereon is based on years of continuous service. Participants are vested in their employer contributions and non-elective contributions based upon years of continuous service as follows:

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution investment options daily and may transfer part or all of past investments to other investment options daily. Participants may also elect to change their salary deferral elections as of each payroll period.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan. All notes are required to be repaid within five (5) years from the date of the loan. A participant may have no more than one note outstanding at any time. The notes are secured by the balance in the participant's account and, unless otherwise determined by the Plan Administrator, bear interest at a fixed rate using the prevailing prime rate (which was 6.75% and 7.50% at December 31, 2025 and 2024, respectively) plus 1% that is set at the date of the loan. Principal and interest is paid ratably through weekly payroll deductions. The participant notes mature at various dates through April 2030 with interest rates ranging from 4.25% to 9.50%.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. However, if the participant is re-employed and fulfills certain requirements as defined by the Plan, the participant's account will be reinstated. Unused forfeitures may be used to reduce administrative costs of the Plan or future employer matching contributions. At December 31, 2025 and 2024, forfeited accounts totaled \$19,168 and \$21,496, respectively. During the year ended December 31, 2025, employer contributions were reduced by \$22,980 from forfeitures.

In-Service Withdrawals

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Such distributions will be paid in cash or in kind. Only employees are eligible to receive in-service distributions.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Deemed distributions on defaulted loans are recorded in the calendar quarter following the calendar quarter during which the loan was defaulted. During the year ended December 31, 2025, there were \$34,148 of deemed distributions.

Notes to Financial Statements (Continued)

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants are entitled to a fully vested lump sum payment of their account balance. For termination of service due to other reasons, participants are entitled to the value of the vested interest in their account as a lump-sum distribution. As of December 31, 2025 and 2024, all employees who elected to withdraw from the Plan had been paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses are paid by the Plan.

Contributions Payable

During 2024, the Company remitted contributions related to the plan year ended December 31, 2025 prior to December 31, 2024. As these contributions do not relate to the 2024 plan year, the Plan recorded these as contributions payable on the statements of net assets available for benefits totaling \$15,173 at December 31, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of Benefits

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements). Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan’s gains and losses on investments bought and sold as well as held during the year.

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available for issuance, September 17, 2026.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Hancock, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Cash, investments, notes receivable from participants, and contributions payable, reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024;
- Net appreciation in the fair value of the investments and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements (Continued)

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments that use the practical expedient are not classified within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts ("PSA"): Valued at fair value based on the net asset value ("NAV") of the PSA. The underlying net assets have Level 1 equivalents quoted pricing inputs. The PSA invests in domestic and foreign stocks, bonds and mutual funds. The fair value of these stocks, bonds and mutual funds are publicly quoted and are used in determining the NAV of PSA, which are not publicly quoted. There are no unfunded commitments related to the Plan's investment in PSA.

Common collective trust: Valued by the issuer of the common/collective trust funds based on the NAV of its underlying investments, which approximates fair value. The underlying investments are valued by the issuer using quoted market prices on active markets and provide for daily redemptions with one or two days' notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments measured at fair value based on NAV per share (or its equivalent):

As of December 31, 2025:	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTE 5 – STABLE VALUE FUND

As of December 31, 2025 and 2024, the common collective trust held by the Plan included the John Hancock Stable Value Fund (“Stable Asset Income Fund”). The Stable Asset Income Fund contains wrapper contracts comprised of both underlying investments and contractual components.

Participant-initiated transactions in the Stable Asset Income Fund are those transactions allowed by the Plan, including withdrawals for benefits, loans or transfers to noncompeting funds within a plan, but excluding withdrawals that are deemed to be caused by the actions of the Plan Sponsor. Certain events limit the ability of the Plan to transact at NAV with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options, (3) bankruptcy of the Plan or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring. At December 31, 2025 and 2024, the contract value of this investment and the fair value were the same.

NOTE 6 – EXEMPT PARTY-IN-INTEREST

At December 31, 2025 and 2024 all Plan investments were in investment funds managed by Hancock and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee were \$74,609 for the year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement (“CODA”) sponsored by CCH Incorporated DBA FTWilliam Com which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan’s qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan’s management does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2022.

Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan
Farmingdale, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Swimwear Anywhere, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established July 4, 1995, is a participant-directed defined contribution plan covering all eligible employees of Swimwear Anywhere, Inc. (the “Company,” the “Employer,” or the “Plan Sponsor”) as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”) and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). It also provides certain benefits in the event of death, disability, or other termination of employment. John Hancock Life Insurance Company of New York (“John Hancock” or the “Trustee”) is the Plan’s Trustee.

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has appointed the Administrative Committee to oversee the operation and administration of the Plan. The Trustee serves as the Plan’s directed trustee and asset custodian. John Hancock also provides record-keeping services and manages participant accounts and participant related transactions.

Contributions

Each year, participants may contribute to the Plan, on a pre-tax basis up to 75% of compensation, with dollar limits established by the IRC. Such contributions are excluded from the participant’s Federal taxable income until received as a withdrawal or distribution from the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). During 2025, the maximum annual 401(k) pre-tax contribution limit was \$23,500 for participants under 50 years of age. Participants who are 50 years of age or older may make additional catch-up contributions of up to \$7,500, for a total deferral limit of \$31,000. Additionally, during 2025 participants between the ages of 60 and 63 may make catch-up contributions of up to \$11,250 for a total deferral limit of \$34,750. The Plan provides for discretionary employer matching contributions for all eligible participants which totaled \$245,317 for the year ended December 31, 2025. Additionally, the Company may make qualified non-elective contributions (“QNECs”). There were no QNECs made in 2025.

Participant Accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of (i) employer’s 401(k) matching contributions and (ii) the participant’s share of earnings or losses on contributions and administrative expenses. Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant’s investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided by the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Vesting in employer’s contributions plus actual earnings thereon is based on years of continuous service. Participants are vested in their employer contributions and non-elective contributions based upon years of continuous service as follows:

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution investment options daily and may transfer part or all of past investments to other investment options daily. Participants may also elect to change their salary deferral elections as of each payroll period.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan. All notes are required to be repaid within five (5) years from the date of the loan. A participant may have no more than one note outstanding at any time. The notes are secured by the balance in the participant's account and, unless otherwise determined by the Plan Administrator, bear interest at a fixed rate using the prevailing prime rate (which was 6.75% and 7.50% at December 31, 2025 and 2024, respectively) plus 1% that is set at the date of the loan. Principal and interest is paid ratably through weekly payroll deductions. The participant notes mature at various dates through April 2030 with interest rates ranging from 4.25% to 9.50%.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. However, if the participant is re-employed and fulfills certain requirements as defined by the Plan, the participant's account will be reinstated. Unused forfeitures may be used to reduce administrative costs of the Plan or future employer matching contributions. At December 31, 2025 and 2024, forfeited accounts totaled \$19,168 and \$21,496, respectively. During the year ended December 31, 2025, employer contributions were reduced by \$22,980 from forfeitures.

In-Service Withdrawals

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Such distributions will be paid in cash or in kind. Only employees are eligible to receive in-service distributions.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Deemed distributions on defaulted loans are recorded in the calendar quarter following the calendar quarter during which the loan was defaulted. During the year ended December 31, 2025, there were \$34,148 of deemed distributions.

Notes to Financial Statements (Continued)

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants are entitled to a fully vested lump sum payment of their account balance. For termination of service due to other reasons, participants are entitled to the value of the vested interest in their account as a lump-sum distribution. As of December 31, 2025 and 2024, all employees who elected to withdraw from the Plan had been paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses are paid by the Plan.

Contributions Payable

During 2024, the Company remitted contributions related to the plan year ended December 31, 2025 prior to December 31, 2024. As these contributions do not relate to the 2024 plan year, the Plan recorded these as contributions payable on the statements of net assets available for benefits totaling \$15,173 at December 31, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of Benefits

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements). Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan’s gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available for issuance, September 17, 2026.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Hancock, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Cash, investments, notes receivable from participants, and contributions payable, reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024;
- Net appreciation in the fair value of the investments and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments that use the practical expedient are not classified within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts ("PSA"): Valued at fair value based on the net asset value ("NAV") of the PSA. The underlying net assets have Level 1 equivalents quoted pricing inputs. The PSA invests in domestic and foreign stocks, bonds and mutual funds. The fair value of these stocks, bonds and mutual funds are publicly quoted and are used in determining the NAV of PSA, which are not publicly quoted. There are no unfunded commitments related to the Plan's investment in PSA.

Common collective trust: Valued by the issuer of the common/collective trust funds based on the NAV of its underlying investments, which approximates fair value. The underlying investments are valued by the issuer using quoted market prices on active markets and provide for daily redemptions with one or two days' notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments measured at fair value based on NAV per share (or its equivalent):

As of December 31, 2025:	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTE 5 – STABLE VALUE FUND

As of December 31, 2025 and 2024, the common collective trust held by the Plan included the John Hancock Stable Value Fund (“Stable Asset Income Fund”). The Stable Asset Income Fund contains wrapper contracts comprised of both underlying investments and contractual components.

Participant-initiated transactions in the Stable Asset Income Fund are those transactions allowed by the Plan, including withdrawals for benefits, loans or transfers to noncompeting funds within a plan, but excluding withdrawals that are deemed to be caused by the actions of the Plan Sponsor. Certain events limit the ability of the Plan to transact at NAV with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options, (3) bankruptcy of the Plan or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring. At December 31, 2025 and 2024, the contract value of this investment and the fair value were the same.

NOTE 6 – EXEMPT PARTY-IN-INTEREST

At December 31, 2025 and 2024 all Plan investments were in investment funds managed by Hancock and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee were \$74,609 for the year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement (“CODA”) sponsored by CCH Incorporated DBA FTWilliam Com which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan’s qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan’s management does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2022.
