INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rusmur Floors, Inc. 401 (k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rusmur Floors, Inc. 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rusmur Floors, Inc. 401 (k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rusmur Floors, Inc. 401 (k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rusmur Floors, Inc. 401 (k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rusmur Floors, Inc. 401 (k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance to generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Rusmur Floors, Inc. (Plan Sponsor) 401 (k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a 401 (k) plan covering all employees, as defined, of Rusmur Floors, Inc. and related companies who have completed six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All money that is contributed to the Plan is held in a trust fund. The Trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets, at the direction of the participants.

Contributions

Each year, participants may contribute up to an annual limit of the lesser of 100% of eligible annual compensation as defined in the Plan or \$23,500 (subject to annual adjustment by the Secretary of the Treasury) in a calendar year. Participants who have attained age 50 through 59 or are 64 years old or older before the end of the Plan year are eligible to make catch-up contributions not to exceed \$7,500. Participants who are 60 to 63 years of age are eligible to make catch up contributions not to exceed \$11,250. Participants may also contribute amounts representing distributions from other qualified plans. The Company may elect to make matching contributions at their discretion. Participants direct the investment of their contributions and Company matching contributions, if any, into various mutual fund investment options (pre-tax or Roth) offered by the Plan. The Company may contribute additional profit sharing contributions at the discretion of the Company’s board of directors. Contributions are subject to certain other limitations. No additional profit sharing contributions were made in 2025 or 2024.

The Plan has an automatic election provision. If you choose not to enroll by selecting your own fund allocations and contribution percentages and not opt out of the automatic election provision, the company will automatically enroll you into an American Funds Target Date Retirement Fund. The Plan also has an automatic elective deferral increase provision.

Note 1 – Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the Employer's contributions, participant's contributions, and allocation of Plan earnings. Allocations are based upon participant earnings, as defined. All investments in participants' accounts are participant-directed. The Plan allows participants to select from a variety of mutual funds. Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Forfeited Accounts

A participant who terminates for a reason other than death or disability forfeits their non-vested portion of their account representing Company contributions. These accounts will be used to pay administrative expenses or otherwise used at employer's discretion. Forfeited non-vested accounts totaled \$ 0 and \$ 0 during the years ended December 31, 2025 and 2024, respectively. The forfeiture accounts were \$6 and \$18 at December 31, 2025 and 2024, respectively.

Vesting

Participants are immediately vested in their elective, rollover, transfer, and Company matching contributions plus earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their account and earnings thereon is based upon years of continuous service.

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 1 – Description of Plan (Continued)

Notes Receivable from Participants

A participant loan is available under the plan documents. To receive a participant loan, a participant may visit the Paychex Online Retirement Services website. A participant can submit a request online or complete the Loan Application form and return it to the Loan Program Administrator. Additional documentation for the purchase of a primary residence will be required. Incomplete paperwork may result in a delay in issuing the loan. A participant must pay any required loan application fees. Loans from this Plan shall be at a minimum of \$1,000. Loans are not available from your Roth elective deferral balance. However, your entire vested account balance under the Plan, including your Roth elective deferral balance, if any, will be taken into account for purposes of determining the available loan amount. No loan will be approved for an amount that exceeds 47.5% of your vested account balance, as reflected by the books and records of the Plan. This means you need a \$2,105.26 vested account balance and \$1,000 available in your pretax account balance at the time your loan is requested. Under no event will the loan amount exceed \$50,000. The \$50,000 is reduced by the highest outstanding loan balance during the one-year period ending on the day before the date the loan agreement becomes effective.

A participant loan must be repaid on a per-payroll basis. A participant loan must be paid in a period not to exceed 4.5 years (54 months).

A participant must be charged a reasonable rate of interest. For this purpose the interest rate charged on a participant loan must be commensurate with the interest rate charged by persons in the business of lending money for loans under similar circumstances.

Outstanding notes receivable from participants totaled \$238,492 and \$206,829 as of December 31, 2025 and 2024, respectively.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's

vested interest in his or her account, or in the case of a participant with a vested account balance is no more than \$7,000, defer their distribution until a later date. Distributions can take the form of cash distributions, direct rollover distributions or a combination of the two. If a terminated participant's vested account balance is not more than \$7,000, the Plan administrator may direct the trustee to distribute the balance as a lump-sum distribution without the participant's consent.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the aggregate value of the individual account regardless of whether or not the vesting years of service are sufficient to make you 100% vested under the vesting schedule.

Note 2 – Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events have been evaluated through September 18, 2026, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

RUSMUR FLOORS, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 2 – Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Revenues and contributions are recognized when received rather than earned and expenses and distributions are recognized when cash is disbursed rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. See Note 3 for discussion of fair value measurements.

Both realized and unrealized appreciation or depreciation is reflected for the year in the statement of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses consist of service and asset charges which are included in the determination of investment value. Remaining operating and administrative expenses are paid from Plan assets and by the Plan sponsor.

RUSMUR FLOORS, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 2 – Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. All investments were valued using Level 1 inputs.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	<u>2025</u>
Mutual Funds	<u>\$ 1,314,083</u>

Note 5 – Tax Status

The Plan currently utilizes the prototype (Non Standardized Pre Approved Profit Sharing Plan With CODA) plan provided by Paychex, Inc. The trustee has received the determination letter from the Internal Revenue Service (IRS) dated August 31, 2020 regarding the prototype plan. The Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

RUSMUR FLOORS, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 5 – Tax Status (Continued)

The Plan administrator believes the Plan is no longer subject to examinations for years prior to 2019. ERISA has a six year statute of limitations.

Note 6 – Concentration of Credit Risk

For the years ended December 31, 2025 and 2024, investments in the American Funds family of mutual funds were \$14,789,366 and \$12,723,245 which represents 92% and 90% of the Plan's investments, respectively.

Note 7 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 – Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Mid Atlantic Trust Company.

	<u>2025</u>	<u>2024</u>

Total	<u>\$16,042,974</u>	<u>\$14,167,477</u>

In addition, the information in Note 3 and Note 4 was also obtained from data prepared and certified to as accurate and complete by the trustee for the year ended December 31, 2025.

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 9 – Party-In-Interest

Certain Plan investments are shares of mutual funds managed by Paychex, Inc. Mid Atlantic Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for related investment management services amounted to \$860 and \$860 for years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10 – SECURE Act 2.0 (Setting Every Community Up for Retirement Enhancement)

On December 29, 2022 Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. The most significant changes impacting existing plan provisions included updates to required minimum distributions (RMDs) and hardship distribution rules, expanding eligibility of part-time employees, modifications to catch-up contribution rules and options for the plan sponsor to make matching contributions to an employee's retirement account based on employee's student loan payment. SECURE Act 2.0 was also designed to help employees and their beneficiaries by easing costs, administrative burdens, and penalties for inadvertent mistakes. Most plans will need to be amended to comply with some of its provisions. Based on Notice 2024-2, 2024-2 IRB 316, qualified plan documents are required to be formally amended for mandatory and non-mandatory provisions by December 31, 2026 (December 31, 2028 for collectively bargaining plans).

Note 11 – Subsequent Events

Any subsequent changes in the fair value of the Organization's investments are not reflected in the financial statements as of December 31, 2025.

INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rusmur Floors, Inc. 401 (k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rusmur Floors, Inc. 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rusmur Floors, Inc. 401 (k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rusmur Floors, Inc. 401 (k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rusmur Floors, Inc. 401 (k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rusmur Floors, Inc. 401 (k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance to generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Rusmur Floors, Inc. (Plan Sponsor) 401 (k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a 401 (k) plan covering all employees, as defined, of Rusmur Floors, Inc. and related companies who have completed six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All money that is contributed to the Plan is held in a trust fund. The Trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets, at the direction of the participants.

Contributions

Each year, participants may contribute up to an annual limit of the lesser of 100% of eligible annual compensation as defined in the Plan or \$23,500 (subject to annual adjustment by the Secretary of the Treasury) in a calendar year. Participants who have attained age 50 through 59 or are 64 years old or older before the end of the Plan year are eligible to make catch-up contributions not to exceed \$7,500. Participants who are 60 to 63 years of age are eligible to make catch up contributions not to exceed \$11,250. Participants may also contribute amounts representing distributions from other qualified plans. The Company may elect to make matching contributions at their discretion. Participants direct the investment of their contributions and Company matching contributions, if any, into various mutual fund investment options (pre-tax or Roth) offered by the Plan. The Company may contribute additional profit sharing contributions at the discretion of the Company’s board of directors. Contributions are subject to certain other limitations. No additional profit sharing contributions were made in 2025 or 2024.

The Plan has an automatic election provision. If you choose not to enroll by selecting your own fund allocations and contribution percentages and not opt out of the automatic election provision, the company will automatically enroll you into an American Funds Target Date Retirement Fund. The Plan also has an automatic elective deferral increase provision.

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 1 – Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the Employer's contributions, participant's contributions, and allocation of Plan earnings. Allocations are based upon participant earnings, as defined. All investments in participants' accounts are participant-directed. The Plan allows participants to select from a variety of mutual funds. Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Forfeited Accounts

A participant who terminates for a reason other than death or disability forfeits their non-vested portion of their account representing Company contributions. These accounts will be used to pay administrative expenses or otherwise used at employer's discretion. Forfeited non-vested accounts totaled \$ 0 and \$ 0 during the years ended December 31, 2025 and 2024, respectively. The forfeiture accounts were \$6 and \$18 at December 31, 2025 and 2024, respectively.

Vesting

Participants are immediately vested in their elective, rollover, transfer, and Company matching contributions plus earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their account and earnings thereon is based upon years of continuous service.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%

Notes Receivable from Participants

A participant loan is available under the plan documents. To receive a participant loan, a participant may visit the Paychex Online Retirement Services website. A participant can submit a request online or complete the Loan Application form and return it to the Loan Program Administrator. Additional documentation for the purchase of a primary residence will be required. Incomplete paperwork may result in a delay in issuing the loan. A participant must pay any required loan application fees. Loans from this Plan shall be at a minimum of \$1,000. Loans are not available from your Roth elective deferral balance. However, your entire vested account balance under the Plan, including your Roth elective deferral balance, if any, will be taken into account for purposes of determining the available loan amount. No loan will be approved for an amount that exceeds 47.5% of your vested account balance, as reflected by the books and records of the Plan. This means you need a \$2,105.26 vested account balance and \$1,000 available in your pretax account balance at the time your loan is requested. Under no event will the loan amount exceed \$50,000. The \$50,000 is reduced by the highest outstanding loan balance during the one-year period ending on the day before the date the loan agreement becomes effective.

A participant loan must be repaid on a per-payroll basis. A participant loan must be paid in a period not to exceed 4.5 years (54 months).

A participant must be charged a reasonable rate of interest. For this purpose the interest rate charged on a participant loan must be commensurate with the interest rate charged by persons in the business of lending money for loans under similar circumstances.

Outstanding notes receivable from participants totaled \$238,492 and \$206,829 as of December 31, 2025 and 2024, respectively.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's

vested interest in his or her account, or in the case of a participant with a vested account balance is no more than \$7,000, defer their distribution until a later date. Distributions can take the form of cash distributions, direct rollover distributions or a combination of the two. If a terminated participant's vested account balance is not more than \$7,000, the Plan administrator may direct the trustee to distribute the balance as a lump-sum distribution without the participant's consent.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the aggregate value of the individual account regardless of whether or not the vesting years of service are sufficient to make you 100% vested under the vesting schedule.

Note 2 – Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events have been evaluated through September 18, 2026, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

RUSMUR FLOORS, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 2 – Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Revenues and contributions are recognized when received rather than earned and expenses and distributions are recognized when cash is disbursed rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. See Note 3 for discussion of fair value measurements.

Both realized and unrealized appreciation or depreciation is reflected for the year in the statement of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses consist of service and asset charges which are included in the determination of investment value. Remaining operating and administrative expenses are paid from Plan assets and by the Plan sponsor.

Benefits are recorded when paid.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. All investments were valued using Level 1 inputs.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

Note 4 – Participant-Directed Investments

The Plan held the following investments, which represent five percent or more of the Plan's net assets available for benefits at December 31:

	<u>2025</u>	<u>2024</u>
American Funds 2020	\$ 1,043,345	\$ 1,482,860

American Funds 2050	\$ 988,269	\$ 782,116

All of the investments of the Plan are participant-directed.

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	<u>2025</u>
Mutual Funds	<u>\$ 1,314,083</u>

Note 5 – Tax Status

The Plan currently utilizes the prototype (Non Standardized Pre Approved Profit Sharing Plan With CODA) plan provided by Paychex, Inc. The trustee has received the determination letter from the Internal Revenue Service (IRS) dated August 31, 2020 regarding the prototype plan. The Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

RUSMUR FLOORS, INC. 401 (K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

Note 5 – Tax Status (Continued)

The Plan administrator believes the Plan is no longer subject to examinations for years prior to 2019. ERISA has a six year statute of limitations.

Note 6 – Concentration of Credit Risk

For the years ended December 31, 2025 and 2024, investments in the American Funds family of mutual funds were \$14,789,366 and \$12,723,245 which represents 92% and 90% of the Plan's investments, respectively.

Note 7 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 – Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Mid Atlantic Trust Company.

	<u>2025</u>	<u>2024</u>

Note 9 – Party-In-Interest

Certain Plan investments are shares of mutual funds managed by Paychex, Inc. Mid Atlantic Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for related investment management services amounted to \$860 and \$860 for years ended December 31, 2025 and 2024, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10 – SECURE Act 2.0 (Setting Every Community Up for Retirement Enhancement)

On December 29, 2022 Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. The most significant changes impacting existing plan provisions included updates to required minimum distributions (RMDs) and hardship distribution rules, expanding eligibility of part-time employees, modifications to catch-up contribution rules and options for the plan sponsor to make matching contributions to an employee's retirement account based on employee's student loan payment. SECURE Act 2.0 was also designed to help employees and their beneficiaries by easing costs, administrative burdens, and penalties for inadvertent mistakes. Most plans will need to be amended to comply with some of its provisions. Based on Notice 2024-2, 2024-2 IRB 316, qualified plan documents are required to be formally amended for mandatory and non-mandatory provisions by December 31, 2026 (December 31, 2028 for collectively bargaining plans).

Note 11 – Subsequent Events

Any subsequent changes in the fair value of the Organization's investments are not reflected in the financial statements as of December 31, 2025.
