INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan
Durham, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 15, 2025 (in liquidation) and December 31, 2024 (ongoing), and the related statement of changes in net assets available for benefits for the period ended December 15, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 15, 2025 and December 31, 2024, and for the period ended December 15, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan approved a plan of liquidation on April 30, 2025, and the Plan was fully liquidated as of December 15, 2025. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
December 15, 2025 and December 31, 2024

1. Description of Plan

The following description of Durham Academy, Inc. Defined Contribution and Tax Deferred Annuity Plan (the "Plan") provides only general information for the Plan. The Plan is a multiemployer defined contribution plan covering substantially all employees of Durham Academy, Inc. and The Hill Center, Inc. The Plan is sponsored by Durham Academy, Inc. The plan document allows any affiliate to adopt the Plan with the plan sponsor's consent. Durham Academy, Inc. and the Hill Center, Inc. are collectively referred to as the "Academy". Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on September 1, 1972 as a trustee 403(b) defined contribution retirement plan. The Plan covers all employees of the Academy. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Assets of the Plan are held by five plan trustees and custodians selected by the plan sponsor. The Academy acts as plan sponsor.

On April 30, 2025, the Board of Trustees approved a plan of liquidation of the Plan and participation ceased effective October 24, 2025. The Plan merged into the Independent School Collaborative Multiple Employer Plan ("ISC MEP") and was fully liquidated and terminated effective December 15, 2025.

Contributions

Employees are able to enroll in the Plan on the first of the month subsequent to their first day of employment. At any time, employees may elect to change the deferral percentage of their compensation into the Plan up to 75% of earnings, not to exceed a dollar limit set by law. Effective January 7, 2025, the Plan was amended to allow Roth contributions. Depending on years of service, the Academy matches between 5% and 7.5% of compensation, if a participant elects to defer at least 5% of compensation. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Employee contributions, employer matching contributions, and rollover contributions activity is maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Each participant's account is credited with an allocation of the Academy's contribution, Plan earnings, and administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in the compensation deferral portion of their investment account as well as the rollover portion of their investment account plus actual earnings thereon. Participant vesting in the Academy's contribution portion of their accounts is immediate.

1. Description of Plan (Continued)

Forfeitures

At December 15, 2025, forfeited non-vested accounts totaled \$0. Forfeited accounts may be used to pay administrative expenses or reduce the employer matching contributions, as permitted by the Plan's provisions. During the period ended December 15, 2025, the Plan used \$1,559 of forfeited accounts to pay administrative expenses.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death or disability, the participant may receive 100% of their account balance in a variety of annuity options, a lump sum, or in equal installments over a designated number of years, not to exceed life expectancy. Participants who terminate their employment will receive their vested account balance under the same options as above.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw their voluntary contributions for immediate and severe financial need in accordance with Internal Revenue Service ("IRS") regulations.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of 50% of their vested account balances or \$50,000, reduced by the excess of the highest outstanding loan balance during the one year period ending on the day before the loan is made. The term of the note may not be more than five years, unless the loan is for the purchase of a primary residence. A participant can only have one loan outstanding at a time. The notes are secured by the balance in the participants' accounts and newly issued notes bear interest at a fixed rate based on prime plus 1% (7.75% at December 15, 2025) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 15, 2025 and December 31, 2024 were \$0 and \$142,448, respectively.

2. Significant Accounting Policies

Basis of Accounting

The 2024 financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

On April 30, 2025, the Board of Trustees approved a plan of liquidation, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2024 financial statements to the liquidation basis in accordance with GAAP used in presenting the 2025 financial statements.

2. Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued at fair market value. Fair value of guaranteed investment contracts are based on cost plus credited interest, less expenses, subject to market value adjustments for early termination. Investments in mutual funds are valued at quoted market prices as of the last day of the Plan year. Pooled separate accounts are valued based on the quoted market value of the underlying assets obtained from independent pricing services. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The change in value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

3. Federal Income Taxes

The Plan is a qualified Prototype Volume Submitter 403(b) Plan that received an opinion letter from the IRS on September 21, 2022 stating that the Plan is qualified under Section 403(b) of the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The liquidation basis of accounting (2025) and GAAP (2024) require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 15, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

In December 2025, the Plan merged with ISC MEP and any remaining participant account balances were transferred to that plan. The Plan was liquidated and terminated effective December 15, 2025.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 investments in the Plan.

6. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair value of the pooled separate accounts is based on the daily per share value of the portfolio of mutual funds, at which sufficient volumes and frequency of market transactions occur, or is based on quoted unit values in active markets.

Level 3 Fair Value Measurements

The guaranteed investment contracts are not actively traded and significant other observable inputs are not available. Thus, the fair value of guaranteed investment contracts are determined by the amount plan participants or plan sponsors would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Guaranteed investment contracts are calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables provide further details of the Level 3 fair value measurements:

Fair Value Measurements Using Significant Unobservable Inputs (Level 3):

	<u>Guaranteed Investment Contracts</u>
<u>December 15, 2025:</u>	
<i>Beginning Balance</i>	\$ 6,933,005
<i>Interest Credited</i>	229,679

<i>Transfers</i>	(173,858)
<i>Issuances, Settlements</i>	<u>(657,589)</u>
Total	<u>\$ 6,933,005</u>

Gains and losses (realized and unrealized) are reported in the statement of changes in net assets available for benefits for the period ended December 15, 2025 and included in net change in value of investments.

7. Fully Benefit-Responsive Investment Contract

The Empower Annuity Insurance Company Guaranteed Income Fund (the “Guaranteed Income Fund”) is a group annuity product and is fully benefit responsive. Under the group annuity insurance contract that supports the Guaranteed Income Fund, participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. Contract value represents deposits made to the Guaranteed Income Fund, plus earnings at guaranteed crediting rates, less withdrawals and fees. Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the Academy to settle at an amount different than contract value paid either within 90 days or over time.

The guaranteed crediting rate will be declared semi-annually and will be guaranteed against change during each six month period. It will be greater than or equal to the rate for the period immediately preceding the effective date of the change less .75%. The rate will always be greater than or equal to the average of the five year constant maturity treasury rates reported by the Federal Reserve over the first thirteen months of the fifteen month period immediately preceding the date on which the rate is effective, rounded to the nearest .05% and reduced by 1.25% (the “Minimum Rate”), provided that such Minimum Rate will not be less than 1.00% nor greater than 3.00%.

8. Party-in-Interest Transactions

Plan investments are managed by Fidelity Management Trust Company, Empower Trust Company, LLC, Empower Annuity Insurance Company, TIAA and CREF, and Equitable Financial Life Insurance Company. These companies are trustees and custodians as defined by the Plan. Fees paid to the trustees and custodians by the Plan for administrative services were \$72,137 for the period ended December 15, 2025. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
