INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
M & E Contractors, Inc. 401(k) Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of M & E Contractors, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

M & E CONTRACTORS, INC. 401(K) PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the M & E Contractors, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan which was established on January 1, 2007, covering all eligible employees of M & E Contractors, Inc. (the "Company"). Employees become eligible to participate after completion of one year of service and after attaining the age of 21. Employees are eligible for entry to the Plan on the January 1 or July 1 coincident with or next following eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for participant contributions of pre-tax annual compensation, as defined in the Plan. The Plan provides for a safe harbor match. The Company matches 100% up to a 3% deferral and 50% of deferrals between 3 and 5 percent of eligible compensation. The Company may contribute additional amounts at the option of the Board of Directors. Participants of qualifying age may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualifying benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct Principal Trust Company, the custodian, as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. When applicable, vesting in the Company's contributions is based on years of continuous service. Participants are fully vested in Company contributions after attaining six years of credited service.

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by an affiliate of Principal Trust Company.

M & E CONTRACTORS, INC. 401(K) PLAN

Notes to Financial Statements, Continued

1. Description of Plan, Continued:

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, retirement, death, disability, or hardship withdrawal, as defined in the Plan. A participant is entitled to receive either a lump-sum payment or an annuity in an amount equal to the vested value of his or her account.

Forfeitures: Forfeited balances of terminated participants' non-vested accounts are used to offset Company contributions. Forfeiture additions were \$720 for 2025 and \$2,918 for 2024. Forfeitures applied to reduce Company contributions were \$720 for 2025 and \$2,917 for 2024. Forfeited balances available at year end were \$1 for 2025 and 2024.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition: As further discussed in Note 3, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain includes the Plan's gains on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through September 10, 2026, the date the financial statements were available to be issued, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

M & E CONTRACTORS, INC. 401(K) PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets. There were no Level 2 assets in the Plan at December 31, 2025 and 2024.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There were no Level 2 assets in the Plan at December 31, 2025 and 2024.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts ("PSA"): Valued daily based on the market value of the underlying net asset in each separate account. The majority of the underlying net assets have observable Level 1 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. The PSAs invest in mutual funds and domestic stocks. The redemption frequency of each of these PSAs is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investments in PSAs.

Common/collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements, Continued:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value:

	Investments at Fair Value as of December 31, 2025	
	Level 1	Total
Assets:

Investments measured at net asset value *		<u>8,257,443</u>
Total investments at fair value		<u>\$10,790,755</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value:

	Investments at Fair Value as of December 31, 2024	
	Level 1	Total
Assets:		
Pooled separate accounts	\$ 9,338,963	\$ 9,338,963
Mutual funds	<u>281,837</u>	<u>281,837</u>
Total investments in the fair value hierarchy	<u>\$ 9,620,800</u>	9,620,800
Investments measured at net asset value *		<u>93,933</u>
Total investments at fair value		<u>\$ 9,714,733</u>

* In accordance with FASB guidance Accounting Standard Update ("ASU") 2015-07, certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. Fair Value Measurements, Continued:

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust	\$8,257,443	None	Daily	Benefit payments - 30 days Other - 12 months

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust	\$ 93,933	None	Daily	Benefit payments - 30 days Other - 12 months

4. Administrative Expenses:

Although not required by the Plan, a portion of the costs of the Plan administration are absorbed by the Company.

5. Related Party Transactions:

The Plan invests in a number of the Principal Trust Company's pooled separate accounts and a common/collective trust. Certain of these are related party transactions and are identified as parties-in-interest in the accompanying schedule of assets (held at end of year) at December 31, 2025. The Plan paid administrative expenses to the custodian totaling \$11,565 during 2025 and \$2,304 during 2024.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Tax Status:

The Internal Revenue Service has determined and informed the Prototype Sponsor by letter dated June 30, 2020 that the adopted prototype Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2025 and 2024. The Plan is not currently under audit by any tax jurisdiction.

8. Risks and Uncertainties:

The Plan provides for various investments in mutual funds, a common/collective trust, and pooled separate accounts. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

9. Financial Information Certified a Qualified Institution:

Principal Trust Company, the custodian of the Plan, has certified that the following information is complete and accurate:

- Investments, at fair value
- Net investment gain
- Schedule of assets (held at end of year)
