Independent Auditor's Report

The Plan Administrator
Odawa Casino Resort 401(k) Plan
Petoskey, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Odawa Casino Resort 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Odawa Casino Resort 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan was established by Odawa Casino Resort (the Company) and became effective January 1, 2013. The Plan is a defined contribution plan established under the provisions of Sections 401(a), 401(k), and 501(a) of the Internal Revenue Code (IRC). Under Section 401(k), contributions to a qualified plan are not included in the participant's compensation for federal income tax purposes until distributed to the participant. Substantially all employees who have completed three months of service and are not seasonal employees, as defined by the Plan, are eligible for participation. An eligible employee becomes a participant on the first day of the month following the date the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective June 1, 2024, the Company appointed Standard Insurance Company (The Standard) as its contract holder and recordkeeper, and Reliance Trust Company as the custodian of the Plan.

Prior to June 1, 2024, Empower Trust Company, LLC and its affiliates served as the contract holder and recordkeeper of the Plan.

Contributions

Participants may contribute up to the maximum amount allowed by law of their eligible annual compensation, subject to certain limitations, with the contributions and earnings thereon being non-taxable until withdrawn from the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Roth contributions and catch-up contributions for those aged 50 and older during the Plan year, subject to limitations, are also permitted.

The Plan sponsor will match 100% of participant contributions up to a maximum of 3% of eligible compensation. Additionally, the Company may make additional discretionary contributions as determined by the Company. No additional discretionary contributions were made by the Company for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their elective deferral and actual earnings thereon. Vesting in the Company's matching and discretionary contributions and actual earnings thereon is based on

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

years of continuous service. Participants vest at a rate of 20% for each year starting after year one of continuous service and become 100% vested in Company contributions after five years of credited service. Participant accounts are distributed without regard to the vesting provisions in the event of death or permanent physical or mental disability.

Notes Receivable from Participants

Participants may, under certain circumstances as defined in the Plan documents, borrow up to the lesser of \$50,000 or 50% of their vested account balance. The minimum note is \$1,000. Participants may have no more than two notes outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at, prior to June 1, 2024, the prime rate plus 1%. Effective June 1, 2024, the rate was changed to prime rate. The notes are repaid ratably through payroll deductions over a period of five years or less, unless the note is for the purchase of a principal residence, for which the note terms may not, prior to June 1, 2024, exceed 15 years. Effective June 1, 2024, if a note is for purchase of a residence, the note term may not exceed ten years.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant (or a participant's beneficiary in the event of death) may elect to receive a lump-sum payment equal to the value of the participant's vested interest in their account. If the amount of the participant's vested balance is less than \$7,000, a single lump-sum payment will be made to the participant, or on behalf of the participant, to an individual retirement account. In-service distributions at age 59½ and hardship withdrawals are allowed, as defined by the Plan documents.

Forfeitures

As of December 31, 2025 and 2024, forfeited, non-vested accounts totaled \$994 and \$0, respectively. These accounts can be used to pay administrative expenses or to reduce future employer contributions. For the years ended December 31, 2025 and 2024, \$24,252 and \$715, respectively, of forfeitures were used to reduce employer contributions, as allowed by the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting.

Subsequent Events

Subsequent events have been evaluated by management through September 17, 2026, the date these financial statements were available to be issued.

Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in their values could occur in the near term and

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements. See Note 5 for information on deposit administration contract reported at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contribution Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees relating to an annual asset charge and the administration of the Plan (for notes receivable from participants and payment of benefits) are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in net appreciation in fair value of investments.

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

3. Fair Value Measurements

Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset. The Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

There have been no changes in the methodologies used at December 31, 2025 or 2024. The following valuation methodology was used to measure the fair value of the Plan's investments:

Mutual Funds - These are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust (CIT) - Units held in a CIT are valued at the net asset value (NAV) as reported by the Trustee. The CIT held by the Plan provides for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no unfunded commitments related to the CIT investments. This investment is a direct filing entity.

The Plan's valuation method may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan's management believes the valuation method is appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan investment assets at fair value:

December 31, 2025

	Level 1	Level 2	Level 3	Total

Investments, at NAV				
Collective investment trust				80,393
Total Investments, at fair value				\$ 10,344,009

4. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (Empower) for the period January 1, 2024 through May 31, 2024 and Reliance Trust Company for the period from June 1, 2024 through December 31, 2025. Empower and Reliance Trust Company are qualified institutions.

5. Guaranteed Investment Contracts

During June 2024, the Plan invested in a deposit administration contract account with The Standard. The Standard invests the deposits of Plan participants as part of its general account assets, which include its fixed-income securities portfolio and its commercial mortgage loan portfolio. There were not any specific securities in the general account that back this interest account. The issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The average guaranteed minimum interest rate is 1% per year. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The Standard is responsible for establishing the interest crediting rates for this product. When establishing the interest crediting rates, The Standard considered many factors, including current economic and market conditions, and the general interest rate environment. Such interest rates are reviewed on a quarterly basis for resetting.

Odawa Casino Resort 401(k) Plan

Notes to Financial Statements

Contract value represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected. If the plan sponsor views the occurrence of any of these events as probable as of the measurement date, details about market value adjustments or other withdrawal restrictions can be obtained through the Plan's account manager.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by The Standard, the current contract holder and recordkeeper of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments. The Plan made direct payments to service providers of approximately \$63,000 and \$62,000 for the years ended December 31, 2025 and 2024, respectively. Notes receivable from participants also qualify as party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, the contract holder shall distribute all assets remaining in the Plan, after payment of any expenses properly chargeable against the Plan, to the participants in accordance with the value of the units credited to such participants as of the date of such termination.

8. Income Tax Status

The Company adopted a pre-approved plan document sponsored by The Standard. The Standard received an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the plan document, as then designed, was in compliance with the applicable requirements of the IRC. The plan document has since been amended; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
