## INDEPENDENT AUDITORS' REPORT

---

To the Plan Administrator and Fiduciary Committee  
Engel Machinery, Inc. 401(k) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Engel Machinery, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from an agent on behalf of the qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditors' Responsibilities for the Audit** - continued

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

*Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**Other Matters** - continued

*Supplemental Schedule Required by ERISA - continued*

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ENGEL MACHINERY, INC. 401(K) SAVINGS PLAN

Notes to Financial Statements

December 31, 2025 and 2024

---

### NOTE A - DESCRIPTION OF PLAN

The following description of the Engel Machinery, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all non-union employees of Engel Machinery, Inc. (the Company) who have completed 60 consecutive days of service and reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute up to 50% of their compensation, not to exceed the annual maximum deferral amount as defined by law. Catch-up contributions are permitted for eligible participants age 50 or older by the end of a calendar year. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested into a default investment until changed by the participant. The Plan also includes an auto-escalation provision whereby deferral rates will increase 1% each year, up to a maximum of 6%, unless the participant elects otherwise.

The Company may make discretionary matching contributions to be determined each year. For the year ended December 31, 2025, the matching contribution was 50% of the participant's salary deferral, including catch-up contributions, to a maximum of 6% of the participant's eligible compensation. The discretionary matching contributions were \$752,939 for 2025, prior to applying forfeitures.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and the participant's share of (a) the employer contributions, (b) an allocation of investment earnings or losses based on the participant's directed investment accounts and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investments for their account.

**NOTE A - DESCRIPTION OF PLAN - continued**Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral amounts, rollover contributions, and any earnings thereon regardless of the number of years of service. If a participant ceases participation except by retirement, death or permanent disability, the vested interest in employer contributions and earnings thereon is dependent upon the years of credited service.

Each participant is vested in the Company's discretionary matching contributions according to the following schedule based upon years of service:

| <u>Years of Vesting Services</u> |      |
|----------------------------------|------|
| Less than 1 year                 | 0%   |
| 1 year                           | 20%  |
| 2 years                          | 40%  |
| 3 years                          | 60%  |
| 4 years                          | 80%  |
| 5 years or more                  | 100% |

Forfeitures shall be used towards employer matching contributions. At December 31, 2025 and 2024, forfeited non-vested accounts were immaterial. During the year ended December 31, 2025, forfeited non-vested accounts of \$25,884 were used.

Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds \$7,000, no distribution shall be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse, if applicable.

If the participant's account is less than \$7,000, the vested account balance is paid out in the form of a lump sum distribution. In the event of a mandatory distribution greater than \$1,000, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement arrangement designated by the Plan Administrator if the participant does not elect a direct rollover or lump sum distribution.

### NOTE A - DESCRIPTION OF PLAN - continued

#### Legislative Changes

The Setting Every Community Up for Retirement Enhancement 2.0 (SECURE 2.0) Act was signed into law on December 29, 2022. The SECURE 2.0 Act provisions aim to enhance retirement savings access and flexibility while helping participants manage financial needs. Plan management evaluated the key provisions available under the SECURE 2.0 Act, including: eliminating required minimum distributions for Roth accounts during a participant's lifetime, permitting penalty-free emergency withdrawals of up to \$1,000 per year with repayment options, allowing employer matching contributions for qualified student loan payments, offering non-highly compensated employees a Roth emergency savings account with a \$2,500 annual contribution limit and limited tax-free withdrawals, and continuing eligibility for long-term part-time employees with at least 500 hours of service for three consecutive years and age 21. The plan document is required to be amended by December 31, 2026, per IRS Notice 2024-2, to reflect the applicable provisions.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

#### Payment of Benefits

Benefit payments to participants and beneficiaries are recorded when paid.

#### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note D. Purchases and sales are recorded on a trade date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

#### Risks and Uncertainties

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. As of December 31, 2025 and 2024, five investment funds represented approximately 74% and 73% of total investments, respectively.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued**Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP), requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE C - INVESTMENTS**

The Plan's investments are held in trust and administered by Ascensus Trust Company and Newport Trust Company, LLC, the trustees, as of December 31, 2025 and 2024, and for the year ended December 31, 2025. The investments, investment income, notes receivable from participants, and interest income on notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus, LLC, an agent on behalf of the trustees.

**NOTE D - FAIR VALUE MEASUREMENT**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs for identical assets and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level within the fair value hierarchy, the Plan's investments at fair value:

|                                               | Investments at Fair Value as of December 31, 2025 |         |         |               |

Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes to the methodologies used at December 31, 2025 and 2024.

*Mutual Funds and Money Market Fund:* Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate at some future time, participants would become fully vested in their employer contributions.

**NOTE F - PLAN TAX STATUS**

The Plan's prototype non-standardized document obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The prototype has been amended since receiving the opinion letter for various amendments. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**NOTE F - PLAN TAX STATUS - continued**

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

**NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain plan investments are managed by the trustees of the Plan and, therefore, these transactions qualify as parties-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. The trustees are parties in interest as defined by ERISA as a result of investing plan assets in their funds and accounts and providing investment management services. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

**NOTE H - NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are reported at unpaid balances plus any unpaid accrued interest. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 under the Plan's loan provision. The loans may not exceed one-half of the employee's vested account balance and are generally limited to five years. Interest rates are determined by the Plan Administrator in accordance with the Plan's loan provisions. Loan repayments are made through payroll deductions. There is no credit risk involved with these loans as any defaults are then deemed taxable distributions to the participant. Loans are considered in default when they are not paid within the terms stated on the agreement, typically within 90 days. These loans satisfy the statutory exemption from the prohibited transaction rules.

**NOTE I - CONCENTRATION OF CASH AND SECURITIES RISK**

The Plan maintains its balances in a brokerage institution, which at times may exceed the Securities Investor Protection Corporation limits up to \$500,000 for balances (with a limit of \$250,000 for cash). The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and securities.

**NOTE J - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through August 25, 2026, the date the financial statements were available to be issued.
