INDEPENDENT AUDITOR'S REPORT

Administrators of The Sharp Shopper, Inc.
Profit Sharing & 401(k) Plan
Ephrata, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate that raise substantial doubt about The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of the Schedule of Delinquent Participant Contributions as of December 31, 2025 and the Schedule of the Assets Held for Investment Purposes as of December 31, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan

Notes To Financial Statements

Note 1 – Plan Description

The following description of The Sharp Shopper, Inc. (the “Company”) Profit Sharing & 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan with a 401(k) provision covering all employees of the Company who have completed 1,000 or more hours of service in a twelve consecutive month period and have attained the age of twenty-one. The Plan was amended effective January 1, 2022 to allow Roth deferrals and in-plan Roth rollovers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to 100% of eligible compensation, not to exceed the annual amount permitted by Federal law. Catch-up contributions are permitted for eligible participants age 50 or older by the end of the calendar year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a common collective trust fund and various mutual fund options for participants.

The Company may, at its discretion, decide to match participant contributions to the Plan. For the years ended December 31, 2025 and 2024, the Company contributed a matching contribution equal to 100% of the amount deferred by the employee, up to 4% of compensation. Additional contributions by the Company are at the discretion of the Board of Directors. There were no such additional discretionary contributions during 2025 or 2024. The matching Company contribution and additional Company contributions are directed into the various investment options by the participants.

Participant Accounts – Each participant's account is credited with the participant's deferred contribution and allocations of the employer matching contribution, Plan earnings, and the Company's discretionary contribution. Each account is also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in all contributions, plus any earnings thereon.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans must be repaid within five years unless the loan is used in the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The rate of interest on all outstanding loans as of December 31, 2025 was 4.25 – 9.50%, respectively. Principal and interest is paid ratably through weekly payroll deductions.

Note 1 – Plan Description – Continued

Payment of Benefits – Upon termination of service, a participant may elect to receive a lump-sum distribution equal to the vested value of his or her account. Automatic distributions will be made to terminated participants with vested balances of less than \$1,000. If a terminated participant's vested balance is in excess of \$1,000 but less than \$5,000, the third party administrator will roll over the distribution into an individual retirement account (IRA) absent a distribution direction from the participant. If the terminated participant's vested balance exceeds \$5,000, a written request from the participant is required before distribution. In-service distributions may be made regardless of separation from service provided the participant has reached normal retirement age. Hardship withdrawals are permitted from any account which is fully vested.

Note 2 – Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value as determined and certified by the Plan's Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. The collective investment trust fund is recorded at fair value based on the underlying assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – All administrative expenses will be paid by the Plan unless paid by the Company. Certain administrative expenses associated with the Plan were paid by the Company.

Subsequent Events – Events that occurred subsequent to December 31, 2025 have been evaluated by the Plan's management through September 11, 2026 which is the date the financial statements were available to be issued.

The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan

Notes To Financial Statements

Note 3 – New Accounting Standards

Pronouncements issued by the Financial Accounting Standards Board (FASB) with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

Note 4 – Investments

As of December 31, 2025 and 2024, the Plan's investments are held in a trust fund administered by Ascensus Trust Company.

During the years ended December 31, 2025 and 2024, the Plan's investments in a collective investment trust fund and in mutual funds, including gains and losses on investments bought, sold and held during the year, appreciated in fair value by \$1,601,899 and \$1,297,787 respectively.

Note 5 – Fair Value Measurements

Generally accepted accounting principles in the United States of America have an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5 – Fair Value Measurements – Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at quoted market prices, which represent the net asset value (“NAV”) of shares held by the Plan at year end.

Collective investment trust fund: The Plan invests in a collective investment trust fund. The Fund is designed to deliver safety and stability by preserving principal and accumulating earnings. This fund is primarily invested in guaranteed investments contracts and synthetic investment contracts. The fund is valued based upon the NAV of the underlying investments. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025 and 2024, respectively:

<u>2025</u>	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
Mutual funds	17,201,366	0	0	17,201,366
	17,201,366	0	0	
Investments Measured at Net Asset Value ⁽¹⁾				253,152
<u>Total Assets</u>				<u>17,454,518</u>
 <u>2024</u>	 Level 1	 Level 2	 Level 3	 Total
	\$	\$	\$	\$
Mutual funds	14,504,702	0	0	14,504,702
	14,504,702	0	0	
Investments Measured at Net Asset Value ⁽¹⁾				283,745
<u>Total Assets</u>				<u>14,788,447</u>

- (1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The Sharp Shopper, Inc. Profit Sharing & 401(k) Plan

Notes To Financial Statements

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 7 – Tax Status

The Company adopted a non-standardized pre-approved Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020. The opinion letter stated that the Prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan did not apply for a separate determination letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Parties-In-Interest Transactions

As previously discussed, the Plan may issue loans to participants that are secured by participant account balances. All these transactions qualify as party-in-interest transactions.

Everence Trust Company provided investment advisory services to the Plan. Fees paid by the Plan for these services amounted to \$33,154 and \$13,322 for the years ended December 31, 2025 and 2024, respectively.

Ascensus Trust Company provided record keeping services to the Plan. Fees paid by the Plan for these services amounted to \$2,525 and \$6,134 for the years ended December 31, 2025 and 2024, respectively.

Notes To Financial Statements

Note 9 – Information Prepared and Certified by Trustee

The following information for the years ended December 31, 2025 and 2024 included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company, the Trustee of the Plan.

- Investments, at fair value
- Investment income
- Schedule of Assets Held for Investment Purposes
- Notes receivable from participants

Note 10 – Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
