To the Plan Administrator and Fiduciary Committee
Commonwealth Engineers, Inc. Savings Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Commonwealth Engineers, Inc. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements' section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in

the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 9, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis of accounting, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the Commonwealth Engineers, Inc. Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on November 30, 1977, covering all employees of Commonwealth Engineers, Inc. (the Plan Sponsor or the Company), except for seasonal and certain part-time employees. Long-term part-time employees who satisfy the Plan's applicable service requirements are eligible to participate in the Plan in accordance with the terms of the Plan. Employees are eligible to enter the Plan on the date of hire. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute up to 100% of pretax annual compensation as defined by the Plan, up to the maximum allowable under the Internal Revenue Code (IRC), or designate all or a portion of elective deferrals as Roth elective deferrals. Participant contributions are presented net of prior-year excess contributions distributed (if any). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans in the form of rollovers.

The Company may elect to provide a discretionary matching contribution each plan year. The extent and amount of each year's discretionary contributions, if any, are at the discretion of the Company and are calculated and funded annually. Participants must be employed on the last day of the plan year to be eligible for a matching contribution. During 2025, the Company approved discretionary matching contributions of \$497,226, net of forfeitures, which were equal to 50% of participant deferrals up to 6% of eligible compensation (maximum match of 3% of eligible compensation). The discretionary matching contributions were paid on March 12, 2026.

The Company may also make discretionary profit-sharing contributions to the Plan. Participants must have attained at least 21 years of age, have performed one year of service (defined as 1,000 hours of service during the plan year) and be employed on the last day of the Plan year, except in the event of death, disability, or retirement during the year, to be eligible for the profit-sharing contribution. During 2025, the Company approved discretionary profit-sharing contributions of \$777,412, net of forfeitures. The discretionary profit-sharing contributions were paid on March 12, 2026.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, allocations of the Company's profit-sharing contributions (if any), plan earnings or losses, and expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	10%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

On termination of service, death, disability, or retirement, participants or beneficiaries may receive a lump-sum amount equal to the value of their vested interest in his or her account. If, at termination, the participant's vested balance is \$5,000 or less, the Plan may distribute the entire vested balance out of the Plan, as allowable by the Plan. Partial distributions and installment payments are also allowed. Additionally, under certain circumstances of financial hardship, participants are allowed to withdraw funds from the Plan.

Forfeited Accounts

Forfeitures from nonvested participant accounts may be used to reduce future employer discretionary contributions, profit-sharing contributions, or to pay administrative expenses of the Plan.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

At December 31, 2025 and 2024, forfeited non-vested accounts were \$12,689 and \$28,892, respectively. Forfeitures are used to reduce future Company discretionary contributions, profit-sharing contributions, or pay plan expenses. During 2025, there were \$22,310 of forfeitures used to reduce employer discretionary contributions.

Administrative Expenses

The Plan's expenses are paid by the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits (modified cash basis). Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in net appreciation in the fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts, and the balance of the net assets of the Plan would be allocated among the participants and beneficiaries as prescribed by ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting. As such, benefit payments to participants and contributions from participants are accounted for on the cash basis. Investment income is recorded when received. The modified cash basis differs from the cash basis in that investments are recorded at fair value and participant loans are recorded as receivables (reductions) when the amounts have been advanced to (repaid from) the participant.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian and trustee. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when received. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties

The Plan provides investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Plan Tax Status

The Plan has adopted a pre-approved plan document sponsored by Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) which has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the form of the pre-approved plan document, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is August 26, 2026.

3. INFORMATION CERTIFIED

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America ("Empower"), the custodian of the Plan, and Empower Trust Company, LLC, the trustee of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the schedule of assets at December 31, 2025, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Mutual funds*: Valued at the net asset value (NAV). The NAV is based on quoted prices in active markets. As a result, the fair value of the account is classified as Level 1.
- *Self-Directed Brokerage Accounts*: Consist primarily of common stock, mutual funds, and cash and cash equivalents. The fair value of the individual investments is valued at the NAV of shares held by the Plan on the last trading day of the plan year based on quoted market prices. As a result, the fair value of the account is classified as Level 1.
- *Collective trust*: Valued at the NAV of units of a collective trust. The NAV, as provided by the custodian, is based on the contract value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth financial assets measured by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	2025		2024	
	Level 1	Total	Level 1	Total
Assets:				
Mutual funds	\$ 25,287,079	\$ 25,287,079	\$ 21,570,317	\$ 21,570,317
Self-directed brokerage accounts	<u>165,070</u>	<u>165,070</u>	<u>130,239</u>	<u>130,239</u>
Total assets in the fair value hierarchy	<u>\$ 25,452,149</u>	25,452,149	<u>\$ 21,700,556</u>	21,700,556
Collective trust *		<u>467,576</u>		<u>-0-</u>
Total assets at fair value		<u>\$ 25,919,725</u>		<u>\$ 21,700,556</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statements of net assets available for benefits.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust	\$ 467,576	None	Daily	None

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan maintains a fully benefit-responsive insurance contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of this investment contract is \$334,752 and \$291,876 at December 31, 2025 and 2024, respectively.

The investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the contract, may limit the Plan's ability to transact at contract value. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

COMMONWEALTH ENGINEERS, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

6. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Certain Plan investments are managed by Empower, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services were \$42,530 in 2025. Additional investment fees paid to the Trustee are netted against investment returns. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the plan sponsor for these services.
