## Report of Independent Auditor

To the Board of Directors and Participants  
Neapco Holdings, LLC 401(k) Retirement Savings Plan  
Farmington Hills, Michigan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Neapco Holdings, LLC 401(k) Retirement Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the year ended December 31, 2025, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment Information, including its form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2025 AND 2024*

---

**Note 1—Description of the Plan**

The following description of the Neapco Holdings, LLC 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

Under the Plan, any affiliate of Neapco Holdings, LLC can also adopt the Plan. The following were adopting employers: Neapco Components, LLC and Neapco Drivelines, LLC. All adopting employers will be collectively referred to as the “Company”.

Effective February 1, 2025, Neapco Holdings, LLC created the Neapco Holdings, LLC Non-Union 401(k) Retirement Savings Plan (“Non-Union Plan”). Assets of the Plan totaling \$65,666,482 were transferred to the Non-Union Plan between February 2025 and December 2025.

*General* – The Plan is a defined contribution plan covering all union employees of the Company who have attained the age of 18 and have completed one month of service except those that are leased employees, nonresident aliens, or certain temporary employees. Initial enrollment is available at the beginning of the month after reaching eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

*Administration* – The Company has designated certain employees, who serve without additional compensation, to administer the Plan. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities.

*Contributions* – Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan Agreement. Participants have the option of contributing a percentage of their taxable compensation as a Roth contribution. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations as outlined in the Internal Revenue Code (“IRC”).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in the Fidelity Freedom Index Income Fund until changed by the participant.

The Company will make non-discretionary matching contributions equal to 33% of a participant's deferral limited to 6% of eligible compensation on behalf of participants who made a pretax or Roth contribution to the Plan. For participants aged 50 or over, the Plan provides for additional employer-matching contributions of 33% of the first 6% such participants contribute to the Plan. During the year ended December 31, 2025, the Company made matching contributions of \$694,189.

The Company will make a fixed nonelective contribution based on 2% of annual compensation for all eligible participants and the Company may also make discretionary profit sharing contributions on behalf of eligible participants. To be eligible for Company fixed nonelective and profit sharing contributions, an eligible participant must be employed on the last day of the Plan year. During the year ended December 31, 2025, the Company made fixed nonelective contributions totaling \$647,810.

**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2025 AND 2024*

---

**Note 1—Description of the Plan (continued)**

*Participant Accounts* – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and Company contributions, and an allocation of Plan investment results. Participant accounts are charged with their withdrawals and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, specific participant transactions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting and Forfeited Accounts* – Participants are vested immediately in their contributions plus actual earnings thereon. All participants who were employed by Neapco Components, LLC (formerly known as Neapco, LLC) as of July 1, 2006 are immediately vested in all Company contributions. For participants hired after July 1, 2006, vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

The nonvested portion of former participants' accounts may be used to pay administrative expenses of the Plan or to reduce the amount of future Company contributions. Forfeited accounts approximated \$10,300 and \$27,700 at December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, forfeitures totaling \$66,476 were used to reduce the amount of Company contributions and \$332 were used to pay administrative expenses. During 2026, forfeitures totaling \$8,000 were used to reduce the amount of Company contributions allocated at December 31, 2025.

*Investment Options* – Upon enrollment in the Plan, participants may direct the investment of their accounts into various investment options offered by the Plan. They may change their investment options among those investments provided at any time during the Plan year.

*Notes Receivable from Participants* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

*Payment of Benefits* – Upon termination of service or attaining normal retirement age, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments not exceeding the participant's life expectancy. In-service and hardship withdrawals are also allowed as defined in the Plan Agreement.

**Note 2—Summary of significant accounting policies**

*Basis of Presentation* – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

*Use of Estimates* – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition* – The Plan's investments are reported at fair value. U.S. GAAP defines fair value as the exchange price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the Plan year.

**Note 2—Summary of significant accounting policies (continued)**

*Investment Management Fees and Operating Expenses* – Investment management fees and operating expenses charged to the Plan for certain investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and Plan management considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Payment of Benefits* – Benefits are recorded when paid. There were no benefit payments requested and not yet disbursed at December 31, 2025 and 2024.

*Administrative Expenses* – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

**Note 3—Information certified by the qualified institution**

Plan management has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity MTC"), a qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule:

- Investments at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025.

**Note 4—Fair value measurements**

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value, including the general classification of such assets pursuant to the valuation hierarchy. There have been no changes in the methodology used at December 31, 2025 and 2024.

*Money Market and Mutual Funds* – Valued at the daily closing price as reported by the fund. The money market and mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded and are therefore classified within Level 1 of the valuation hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 5—Related party and party-in-interest transactions**

Certain administrative services are provided by the Company at no cost to the Plan and certain administrative costs incurred by the Plan are paid by the Company. The Plan has entered into various service agreements with parties-in-interest and includes certain Plan investments managed by Fidelity MTC. Notes receivable from participants and related activity also qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from prohibited transaction rules of ERISA.

**Note 6—Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all Plan accounts.

**Note 7—Income tax status**

The Internal Revenue Service ("IRS") ruled on June 30, 2020, that the pre-approved plan of FMR, LLC, the document sponsor of which the Plan is based, is designed in accordance with applicable sections of the IRC. The Plan has been amended since receipt of the opinion letter. However, Plan management believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8—Risks and uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the financial statements.

**Note 9—Non-exempt transactions**

During the Plan year December 31, 2024, employee withholdings totaling \$69,576 were not remitted to the trust within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company remitted the withholdings and lost earnings during the year ended December 31, 2025.

**Note 10—Subsequent events**

The Plan has evaluated all subsequent events through September 17, 2026, which is the date these financial statements were available to be issued and has determined there are no subsequent events that require disclosure.
