## Report of Independent Auditors

The TIP Committee and Participants  
Analog Devices, Inc. The Investment Partnership Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Analog Devices, Inc. The Investment Partnership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

with confidence**

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matter**

### *Supplemental Schedules Required by ERISA*

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year then ended (referred to as the “supplemental schedules”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANALOG DEVICES, INC.  
THE INVESTMENT PARTNERSHIP PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2025 and 2024

**A. Description of Plan**

The following description of the Analog Devices, Inc. (the “Company”) The Investment Partnership Plan (the “Plan” or “TIP”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. *General.* The Plan is a contributory defined contribution plan sponsored and administered by the Company. The TIP Committee (the “Committee”) is responsible for the administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

2. *Eligibility.* Substantially all domestic employees of the Company are eligible to participate in the Plan on the first day of employment, as defined in the Plan.

3. *Contributions.* Basic employer contributions are made at the sole discretion of the Company. For 2025 and 2024, the Company made basic contributions of 5% of each participant’s total eligible compensation. The Internal Revenue Code (the “Code”) limited total eligible compensation to an amount not to exceed \$350,000 and \$345,000 for 2025 and 2024, respectively. For 2026, this limitation will increase to \$360,000. The Plan also offers Roth 401(k) contributions in addition to pre-tax contributions and after-tax contributions. In addition to the basic contribution, the Company matches each participant's pre-tax contribution and/or Roth 401(k) contributions, if any, by contributing an amount equal to 100% of the first 2% of total eligible compensation plus 50% of the next 2%, not to exceed 3% of such participant's eligible compensation. The Company does not match after-tax or catch-up contributions. A participant may elect to contribute up to 50% of his or her total eligible compensation to the Plan, up to established federal limits, indexed annually. Eligible participants are automatically enrolled in the Plan after sixty days from their employment commencement date, unless they affirmatively decline to participate. If a participant is automatically enrolled, the deferral is set at 5% of pre-tax eligible compensation.

Company contributions, participants’ pre-tax contributions and the net investment income related to all contributions are excluded from the participants’ income for federal income tax purposes until such amounts are withdrawn or distributed.

Rollovers represent amounts contributed to the Plan by participants from prior employer plans.

\* Investment option solely available indirectly as a component of the Custom Target Retirement Date Funds.

\*\* Represents Custom Target Retirement Date Funds which are self-managed and provide an asset allocation and investment strategy based on a future retirement date.

Additionally, participants have the option to invest assets in a self-directed brokerage service that allows participants access to a wide variety of stocks, bonds, short-term securities, mutual funds, common collective trusts and other securities.

5. *Vesting of Participant Contributions.* Participants are immediately 100% vested in their contributions, plus actual earnings thereon.

*Company Contributions.* Effective January 1, 2019, active participants in the Plan as of that date are immediately 100% vested in Company basic and match contributions. For participants who terminated employment with the Company prior to January 1, 2019, Company basic and match contributions and investment earnings thereon become fully vested upon the first to occur of: (i) completion of three years of service with the Company, (ii) attaining age 65 while employed by the Company, (iii) death or permanent disability while employed by the Company, or (iv) if employment is terminated by the

Company due to job elimination, the closing of a facility or as the result of the disposition of a business unit.

6. *Benefits.* Upon normal retirement at age 65, death, permanent disability or termination of employment, the participant's vested benefits are paid to the participant or his or her beneficiary, at the election of the participant, either in a partial or full lump sum or in monthly installments over a period of up to ten years. A participant may elect to defer payment of his or her account until he or she attains age 73. However, if a participant's vested benefits are less than \$1,000 upon termination of employment, distribution will be made in the form of a lump-sum payment within one year following termination of employment. A participant may request an in-service withdrawal for any reason after he or she attains age 59 1/2. In addition, the Plan allows hardship withdrawals (as defined by the Plan).

7. *Notes Receivable from Participants.* Participants may borrow the lesser of 50% of the vested account balance, as defined by the Plan, or \$50,000 less the highest outstanding loan balance over the prior 12 months. Participants repay loans plus interest to their accounts through payroll deductions, generally over a five-year period unless the loan is for the purchase of a primary residence, in which case the repayment period may be extended up to a maximum of twenty years. The interest rate on loans is set quarterly and remains fixed for the duration of the loan. The interest rate is Prime plus 1% for all loans (8.25% at December 31, 2025 and 9.00% at December 31, 2024).

8. *Accounting.* A separate account is maintained for each participant. Account balances are adjusted periodically for participant and Company contributions, withdrawals and a pro rata share of net investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All transactions of the Plan (including contributions, withdrawals and exchanges) have been accounted for and reported using units, as well as dollars. Net investment income in each fund is allocated based on the shares or units in each participant's account, except for the Self-Directed Brokerage Service, whereby earnings are recorded on a transaction specific basis.

9. *Investment allocation.* The vested and nonvested share of a participant's account balance is invested in one or more of the investment options, depending upon the allocation instructions of the participant. In the absence of such allocation instructions, all amounts accruing to the participant are invested in a Custom Target Retirement Date Fund as the Qualified Default Investment Alternative ("QDIA"), based on their projected retirement time frame. Participants may change this election at any time.

10. *Continuation of the Plan.* While the Company has not expressed any intent to terminate the Plan or suspend contributions, it is free to do so at any time. In the event of such termination or suspension, each participant will become 100% vested and have a nonforfeitable right to all monies in his or her account.

THE INVESTMENT PARTNERSHIP PLAN  
NOTES TO FINANCIAL STATEMENTS (Continued)

**B. Summary of Significant Accounting Policies**

1. *Basis of presentation.* The accompanying financial statements have been prepared on the accrual basis of accounting.

2. *Notes receivable from participants.* Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded ("Deemed Distributions"). Deemed Distribution balances were \$721,321 and \$604,908 as of December 31, 2025 and 2024, respectively.

3. *Investments.* Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Plan management is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments. Plan management applies a three level hierarchy which prioritizes the inputs to valuation techniques used to measure fair value and bases the categorization of investments within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1 measurements") and the lowest priority to unobservable inputs ("Level 3 measurements"). See Note D for further discussion and disclosures related to fair value measurements.

4. *Contributions.* Contributions from participants are recorded when the Company makes payroll deductions from plan participants. Company contributions are accrued at the end of the period in which they become obligations of the Company based upon the terms of the Plan.

5. *Investment income.* Net investment income consists of dividends, interest and capital gains distributions, realized gains or losses on sales of investments and the change in net unrealized appreciation between the cost and market value of investments at the beginning and end of the period. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

All dividends, interest and capital gains distributions are reinvested in the respective funds and are recorded as earned on an accrual basis.

6. *Benefit Payments.* Benefits are recorded when paid.

7. *Income Tax Status.* The Plan has received a determination letter from the Internal Revenue Service ("IRS"), dated September 13, 2023, stating that the Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore, believes the Plan is qualified and the related trust is tax-exempt.

ANALOG DEVICES, INC.  
THE INVESTMENT PARTNERSHIP PLAN  
NOTES TO FINANCIAL STATEMENTS (Continued)

Accounting principles generally accepted in the United States of America ("U.S. GAAP") require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. *Related Party.* Certain Plan investments are shares of mutual funds and common collective trusts managed by Fidelity Management and Research ("FMR") Corporation. FMR is a related party to the trustee and recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. However, these transactions are exempt from the prohibited transactions rules under ERISA. Fees paid by the Company to the trustee and recordkeeper for administrative expenses amounted to \$3,900 and \$6,900 for the years ended December 31, 2025 and 2024, respectively.

Notes receivable from participants also qualify as party-in-interest transactions.

9. *Administrative expenses.* The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping, trustee, and advisor fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Certain expenses resulting from participant loans and investment fees are deducted directly from participant accounts. All other administrative expenses of the Plan are paid by the Company.

Total administrative fees charged to the Plan amounted to \$588,349 and \$634,108 during 2025 and 2024, respectively. Fidelity Management Trust Company ("FMTTC") provides certain administrative services to the Plan, pursuant to a trust agreement between the Company and FMTTC. FMTTC receives revenue from mutual fund and collective trust fund service providers for services FMTTC provides to the funds. This revenue is used to offset certain amounts owed to FMTTC for its administrative services provided to the Plan. Such expense offsets amounted to \$230,532 and \$305,134 during 2025 and 2024, respectively.

If the revenue received by FMTTC from such mutual fund or collective trust fund service providers exceeds the amount owed under the trust agreement, FMTTC remits the excess to an unallocated account ("ERISA account") in the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of participants. At December 31, 2025 and 2024, the balance remaining in the ERISA account was \$1,079,174 and \$821,611, respectively.

10. *Delinquent Participant Contributions.* During 2025, the Company failed to transmit certain participant and loan contributions to the Plan in the amount of \$5,788,134 within the time period prescribed by ERISA. The Company transmitted the late participant and loan contributions to the Plan by November 2025. The Company has reimbursed the Plan for the lost earnings and paid the applicable excise taxes.

11. *Use of estimates.* The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and accompanying notes and supplemental schedules

ANALOG DEVICES, INC.  
THE INVESTMENT PARTNERSHIP PLAN  
NOTES TO FINANCIAL STATEMENTS (Continued)

and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

12. *Risks and uncertainties.* The Plan and its participants invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **C. Trustee and Plan Recordkeeper**

FMTC and Fidelity Workplace Services serve as trustee and recordkeeper, respectively, to the Plan.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, capital gains distributions and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by FMTC, the trustee of the Plan.

### **D. Fair Value Measurements**

Plan management establishes a three level hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

*Level 1* – Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

*Level 2* – Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability. As of December 31, 2025 and 2024, the Plan held no Level 2 investments.

*Level 3* – Level 3 inputs are unobservable inputs for the asset or liability in which there is little, if any, market activity for the asset or liability at the measurement date. As of December 31, 2025 and 2024, the Plan held no Level 3 investments.

ANALOG DEVICES, INC.
