INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Embrace Pet Insurance 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the accompanying financial statements of Embrace Pet Insurance 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Embrace Pet Insurance 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Embrace Pet Insurance 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Embrace Pet Insurance 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Embrace Pet Insurance 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Embrace Pet Insurance 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2024, and assets (held at end of year) as of December 31, 2024 (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Embrace Pet Insurance 401(k) Plan
Notes to Financial Statements
December 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the Embrace Pet Insurance 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Cleverland Holdings, LLC (the "Company", "Employer", or "Plan Sponsor"), is designed to qualify under Section 401(a) and related provisions of the Internal Revenue Code ("IRC"). The Plan was established on January 1, 2024. The Plan is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination of employment, or financial hardship. The Plan is subject to the provisions of the Department of Labor's ("DOL") Rules and Regulations for Reports and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws and the IRC.

The Employer was previously part of a related employer group and was a participating employer in the NSM Insurance Group 401(k) Plan, originally participating in such plan effective September 12, 2019. During 2024, \$9,598,275 of participant accounts balances were transferred into the Plan from the NSM Insurance Group 401(k) Plan. The transfer was recorded at the fair value of participant account balances on the transfer date and is presented as "Transfers in" in the Statement of Changes in Net Assets Available for Benefits.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Lincoln Financial Group Trust Company, Inc. ("Lincoln Financial", "Custodian" or "Trustee"), the trustee of the Plan, is responsible for the custody and management of the Plan's assets. Lincoln Retirement Services Company, LLC is responsible for maintaining participant accounts and transactions related to participant initiated activity.

Eligibility

Employees are eligible to participate in the Plan after completing one (1) month of service and upon attainment of age twenty-one (21). The Plan excludes employees covered by a collective bargaining agreement, nonresident aliens and leased employees. Entry dates are the first day of each month after the employee meets the eligibility requirements. Eligible participants are automatically enrolled to defer 5% of Plan compensation, increasing by 1% annually up to a maximum of 10% of Plan compensation. At any time, participants can opt out of the automatic enrollment provisions. In addition, any participants who contribute a flat dollar amount are not subject to the automatic enrollment/increase provisions.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Under the terms of the Plan, participating employees may defer a portion of their eligible compensation as pre-tax or after-tax (as Roth contributions) contributions, not to exceed the amount of allowable under federal limitations, which was \$23,000 for 2024. Participants age 50 or over may also contribute an additional \$7,500 in catch-up contributions to the Plan for 2024. Participants may also rollover amounts representing distributions from other qualified retirement or profit sharing plans.

The Plan is a safe harbor plan whereby the Company makes safe harbor matching contributions of 100% of salary deferrals not to exceed 3% of compensation. The Company may also provide discretionary employer contributions.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company's contributions, and the Plan's earnings, and charged with the Plan's losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments of their contributions into various investment options offered by the Plan.

Vesting

Participants' contributions, rollover contributions, and Company safe harbor matching contributions and earnings thereon are fully vested and nonforfeitable at all times.

The vesting schedule for the employer discretionary base contribution is as follows:

<u>Years of Service</u>	<u>Percentage</u>
1	25 %
2	50 %
3	75 %
4 or more	100 %

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Participants are eligible to receive a distribution from the Plan upon retirement, termination of employment, attainment of age 65, attainment of early retirement age and four (4) years of service, disability, or to a beneficiary upon a participant's death. Participants may elect to receive their vested account balance in a lump sum or rollover eligible amounts to an IRA or another qualified plan. If the balance is \$5,000 or less and no consent is provided, the Plan will automatically roll the amount into an IRA selected by the Plan Administrator. If the vested account balance exceeds \$5,000, distributions require participant consent.

The Plan also allows participants to take a hardship distribution from their vested balance in the event of undue financial hardship, as defined in the Plan documents. The maximum hardship withdrawal is 100% of the participant's total vested balance.

Notes receivable from participants

Participants may borrow not less than \$1,000 and up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The amount and duration of the loan is subject to limitations defined in the Plan. Loans are considered to be in default when a payment is not made by the end of a calendar quarter following the calendar quarter where a payment was missed. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll withholdings. Outstanding participant loans at December 31, 2024, bear interest at annual rates of between 3.25% and 9.50%, and mature at various dates through February 2044.

Administrative expenses

Certain administrative expenses of the Plan, including reordering and audit fees, were paid directly by the Company for the years ended December 31, 2024. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

Participants may be charged for some or all the costs and expenses of operating the Plan. Such expenses include, but are not limited to investment expenses and costs to process distributions, loans, and domestic relations orders. Generally, the Company pays for any administrative expenses of the Plan. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amount of changes in net assets during the reporting period. Accordingly, actual results may differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Investment valuation and income recognition

Investments held by a defined contribution plan are required to be reported at fair value (see Note 4). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair market value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions or repayments have been separated from a participant's pay by the Company, which is the pay date. Employer contributions are recorded in the year earned to coincide with the year in which the Employer records the contributions in its general ledger. The Plan records the receivable for contributions attributable to the Plan year but received by the Plan subsequent to year end. Discretionary employer matching contributions, if any, are recorded in the year they are earned. Rollover contributions from participants are recorded based on the date the rollover contribution is received by the Custodian.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of December 31, 2024. Delinquent participant loans are recorded as deemed distributions based upon the terms of the Plan documents.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through September 1, 2026, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2024.

Embrace Pet Insurance 401(k) Plan
Notes to Financial Statements

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)
(continued)

- Net appreciation in fair market value of investments, dividend and interest income as shown on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2024 ("supplemental schedule").
- Interest income on notes receivable from participants as shown on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3 - inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of December 31, 2024.

4. FAIR VALUE MEASUREMENTS (continued)

Registered investment companies (mutual fund investments)

Mutual fund investments are valued at the net asset value ("NAV") of shares held by the Plan at year end which are determined and published and is the basis for current transactions. These investments are classified within Level 1 of the valuation hierarchy.

Pooled separate accounts

Pooled Separate Accounts are valued at the NAV of units of insurance company pooled separate accounts. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV. There were no transfers between fair value designations during 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 1,299,245</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,299,245</u>

Net increase to net assets available for benefits per the Form 5500	<u>\$ 1,611,959</u>

6. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. During 2025, the Company elected to terminate the Plan effective January 1, 2026 (see Note 10).

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 850, Related Party Disclosures, except that ERISA's definition is broader and includes all entries and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the plan year related to compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with fiduciaries or participants of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associate or relatives of such persons.

As such, transactions conducted by the Custodians and their affiliates, including any fee offset or revenue-sharing agreements, qualify as exempt parties-in-interest transactions. Purchases and sales of investments managed by either of the Custodians, or their affiliates, while considered parties-in-interest transactions under ERISA regulations, are permitted under the provisions of the plan documents and are specifically exempt under ERISA. Also, fees and expenses paid by the Company on behalf of the Plan qualify as exempt parties-in-interest transactions.

Notes receivable from participants and the related interest income are also considered party-in-interest transactions. The Custodians also earn compensation in the form of short-term interest (or "float") when funds are received either without investment instructions or past the point in a day when funds can be invested. Such amounts are held by a financial institution and earn interest at an interest rate provided by the financial institution from time to time.

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS (continued)

Also, fees and expenses paid by the Company on behalf of the Plan qualify as exempt parties-in-interest transactions. During the year ended December 31, 2024, administrative fees paid to Lincoln Financial were \$59,340.

Trinity Investment Advisors, LLC, provides investment advisory services to the Plan, and is a party-in-interest to the Plan. For the year ended December 31, 2024, investment advisory fees paid to Trinity Investment Advisors were \$15,075.

8. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has not been amended since receiving the determination letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

9. SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan merged into the Independence Pet Holdings, Inc. 401(k) Retirement Plan. All participant accounts and net assets of approximately \$14,457,000 were transferred to the Independence Pet Holdings, Inc. 401(k) Retirement Plan. The accompanying financial statements reflect the financial position and changes in net assets available for benefits of the Plan as of and for the year ended December 31, 2024, and therefore do not reflect the transfer of net assets resulting from the merger.
