INDEPENDENT AUDITOR'S REPORT

To the Management of
the Bogen Communications LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the accompanying financial statements of Bogen Communications LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits-modified cash basis as of December 31, 2025, and the related statement of changes in net assets available for benefits-modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements-modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bogen Communications LLC 401(k) Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bogen Communications LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements

relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting which includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bogen Communications LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bogen Communications LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bogen Communications LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (held at end of year) (Schedule H, Line 4i) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2024 Statement of Net Assets Available for Plan Benefits

Plan management is responsible for the accompanying financial statements of Bogen Communications LLC 401(k) Plan (an employee benefit plan subject to the Employee Retirement Income Security Act of 1974), which comprises the statement of net assets available for benefits-modified cash basis as of December 31, 2024 and the related notes to the financial statements in accordance with the modified cash basis of accounting. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2024 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on the 2024 financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than

accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

NOTE 1: DESCRIPTION OF PLAN

The following description of Bogen Communications LLC 401(k) Plan (the “Plan”) provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A.) General: The Plan, adopted on April 1, 1998 and subsequently amended, is a defined contribution plan established to provide retirement benefits to eligible employees, as defined, of Bogen Communications LLC (the “Employer” or the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

B.) Administration: The Company supervises and manages the operations and administration of the Plan. Certain employees of the Company serve as Plan Administrators of the Plan. Empower Trust Company, LLC is the Trustee and Custodian (the “Trustee”) and Empower Annuity Insurance Company of America is the recordkeeper.

C.) Eligibility: All employees of the Company, who are not excluded by the plan agreement, who have six months of service and are age 21 or older are eligible to make elective deferral contributions or Roth contributions. The Plan has an automatic enrollment contribution policy which enrolls all new eligible employees into the Plan at 4% deferral of their eligible salary and increased by 1% annually to a maximum deferral of 10% of compensation unless modified by the participant. Employees must opt out of the automatic deferral if desired. An employee is eligible to receive a discretionary employer matching contribution if the employee has elected deferral contributions. An employee is also eligible to receive employer nonelective contributions if the employee completes 1,000 hours of service and is employed on the last day of the year.

D.) Contributions: Participants may elect to make elective deferral contributions or Roth contributions to the Plan through payroll deductions with a minimum of 1% and maximum of 100% of their pre-tax total eligible compensation, subject to certain Internal Revenue Service (“IRS”) limits. Participants who have attained certain ages are allowed to make catch-up contributions to the plan based on the IRS regulations. Participants may make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from other qualified retirement plans in which employees participated prior to their employment by the Company and certain IRA accounts.

The Company currently provides a matching contribution of 3% of the participants’ first 4% elective deferral. The Company has not made a discretionary nonelective contribution for 2025. The total employer contribution, which consists of the discretionary matching contribution, amounted to \$281,364 for the year ended December 31, 2025.

E.) Investment Options: Based on the participants’ elections, contributions and income are invested in investment funds offered through Empower Annuity Insurance Company of America. Investment allocations can be changed by the participant at any time.

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

F.) Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions including rollovers, allocations of the Company's matching or nonelective contributions and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

G.) Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and nonelective contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service or reaching the full retirement age.

H.) Notes receivable from participants: Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The minimum loan a participant may borrow is \$1,000 and the maximum number of loans outstanding at any time is one. Loans must be repaid over a period not extending beyond five years from the date of the loan unless the loan is for the purchase of your principal residence which extends the repayment period to ten years. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate at the time of loan origination, as defined. Principal and interest are paid ratably through payroll deductions.

I.) Payment of benefits: Withdrawals by participants during their employment are permitted with certain restrictions. For termination of service, a participant may receive a lump-sum amount equal to the vested amount of his or her account. Upon reaching the age of 73, Participants are required to take minimum distributions from their vested account balance. The Plan requires an automatic distribution of a participant's account if the vested balance is below \$7,000.

J.) Forfeited accounts: At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$13,618 and \$3,936, respectively. These accounts are used to reduce future employer contributions, subject to the Plan's provisions. During 2025, \$169 of these forfeited nonvested accounts were used to reduce fees.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

A.) Basis of accounting: The financial statements of the Plan are prepared on the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). Contributions are recorded when received and benefit payments and administrative expenses are recorded when paid.

B.) Use of estimates: The preparation of the financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C.) Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the settlement date under the modified cash basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D.) Contributions: Contributions from Plan participants and the matching contributions from the Company are recorded in the year in the contributions are received by the plan.

E.) Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems a participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

F.) Payment of benefits: Benefits are recorded when paid.

G.) Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to recordkeeping and advisory services are allocated each to participant's account and included in administrative expenses. Administration of notes receivable from participants and other direct expenses are charged directly to the participant's account and are included in administrative expenses.

H.) Subsequent events: The Plan has evaluated subsequent events through September 22, 2026, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology includes:

- Quotes prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Variable annuity separate account investments: Variable annuity separate account investments are valued at unit values calculated daily by the insurance company. Unit values are derived principally from the net asset values of the underlying publicly traded mutual funds, adjusted for applicable contract expenses. Because the investments are not traded in an active market and are valued using observable market inputs, they are classified within Level 2 of the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2025			
	Level 1	Level 2	Level 3	Total
Variable annuity separate account investments	\$ -	\$12,195,008	\$ -	\$12,195,008

	2024			
	Level 1	Level 2	Level 3	Total
Variable annuity separate account investments	\$ -	\$10,230,920	\$ -	\$10,230,920
Total investments at fair value	<u>\$ -</u>	<u>\$10,230,920</u>	<u>\$ -</u>	<u>\$10,230,920</u>

NOTE 4: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group fixed annuity contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and investment expenses.

The fixed annuity contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The contract may be terminated by either the contract holder or the issuer upon providing the required advance written notice specified in the contract.

The plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- A. The plan's failure to qualify under Section 401(a) of the Internal Revenue Code (the "IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
- B. Premature termination of the contracts.
- C. Plan termination or merger.
- D. Changes to the Plan's prohibition on competing investment options.
- E. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- A. An uncured violation of the Plan's investment guidelines.
- B. A breach of material obligation under the contract.
- C. A material misrepresentation.
- D. A material amendment to the agreements without the consent of the issuer.

NOTE 5: RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan assets are held by Empower Trust Company, LLC, the trustee of the Plan. In addition, Empower Annuity Insurance Company of America serves as the Plan's recordkeeper. Fees incurred for recordkeeping services totaled \$19,719 for the year ended December 31, 2025. Note receivables are due from participants of the Plan which qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: TAX STATUS

The IRS has determined and informed the Company by letter, dated November 11, 2022, that the Plan and related trust are designed in accordance with the applicable provisions of the Internal Revenue Code. Although the Plan has been amended since submitting for the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Bogen Communications LLC 401(k) Plan
Notes to Financial Statements – Modified Cash Basis
December 31, 2025 (Audited) and 2024 (Compiled)

NOTE 8: CERTIFIED INVESTMENTS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the year ended December 31, 2025, that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee of the Plan.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 10: CONCENTRATIONS

At December 31, 2025, substantially all of the Plan's investments consisted of a guaranteed investment contract and variable annuity separate account investments issued by Talcott Resolution Life Insurance Company. Accordingly, the Plan is exposed to certain risks associated with concentrations of credit and market risk. The ultimate realization of such investments is dependent upon future events, including factors affecting Talcott Resolution Life Insurance Company and the underlying investments.

NOTE 11: SUBSEQUENT EVENTS

The Company supervises and manages the operations and administration of the Plan. Certain employees of the Company serve as Plan Administrators of the Plan.

Effective July 1, 2026, the Plan changed the trustee (Empower Trust Company, LLC) and the recordkeeper (Empower Annuity Insurance Company of America) to Fidelity Management Trust Company.
