INDEPENDENT AUDITOR'S REPORT

Trustees of 403(b) Thrift Plan of
Legal Aid Center of Southern Nevada, Inc.
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Legal Aid Center of Southern Nevada, Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of Legal Aid Center of Southern Nevada, Inc. (Plan) is provided for general information purposes only. Plan participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Legal Aid Center of Southern Nevada, Inc. (Employer) who are not classified as independent contractors and normally work more than 20 hours per week. The Plan was established January 1, 2003 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Provisions

The Plan has implemented certain requirements by the CARES Act, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within this act were implemented during the year ended December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Setting Every Community Up for Retirement Act 2.0 of 2022 (SECURE Act) Provisions

The Plan has implemented certain directives, where applicable, of the SECURE Act, which contain several provisions affecting retirement plans in the areas of distributions and loans. During the year ended December 31, 2023, the Plan implemented provisions related to the increased age for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance.

Eligibility

There are no minimum age or service requirements to make salary reduction contributions to the Plan. Participants must complete at least one year of service to receive Employer matching contributions under the Plan. There is no minimum age requirement to receive Employer matching contributions under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer's matching contributions, as well as allocations of the Employer's discretionary matching contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's earnings, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Each participant may direct their contributions into any one or combination of available investment options. Participants may elect to allocate their elective deferrals between pre-tax contributions or after-tax designated Roth contributions. Participants may change their investment options at will.

Contributions

The Plan provides for voluntary contributions by its participants and matching contributions by the Employer. Participants may elect to defer up to 100% of their annual compensation, as defined by the Plan, up to an annual dollar limitation in accordance with the Internal Revenue Code (IRC) (\$23,500 for 2025). Participants who have attained age 50 by the end of the plan year are eligible to make catch-up contributions of up to \$7,500 for 2025, as permitted under the IRC. Participants ages 60 through 63 are eligible for enhanced catch-up contributions of up to \$11,250 for 2025 in accordance with IRC provisions. The Plan allows participants to designate contributions as Roth contributions. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions.

The Employer matches 100% of the participant's contributions during the Plan year that does not exceed 5% of the participant's compensation received during the Plan year. In addition, each Plan year the Employer can elect to make an additional discretionary matching contribution to all eligible participants who are actively employed with the Employer on the last day of the Plan year. The discretionary matching contribution is allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's salary reduction contribution amount bears to the total salary reduction contribution amount of all participants for the Plan year. The Employer did not elect to make a discretionary matching contribution for 2025.

Effective February 1, 2014, the Plan was amended to automatically enroll new employees in the Plan with a 5% salary reduction contribution. Employees can opt-out of automatic enrollment and also have a 90-day period to request withdrawal of prior automatic contributions.

Vesting

Participants are immediately vested in their salary deferral contributions and actual earnings thereon. Participants are vested in employer contributions and actual earnings thereon after completing one year of vesting service. Participants also become fully vested upon reaching the age of 65, becoming totally and permanently disabled, or death.

Forfeitures

Upon withdrawal from the Plan, a participant's non-vested portion of employer contributions and earnings is considered a forfeiture. Forfeitures are first used to pay certain Plan expenses. Any amount of forfeitures remaining can be used to offset the Employer contributions to the Plan. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$0.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest in his or her account or regular monthly payments as defined in the Plan document upon retirement, death or disability. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance greater than \$1,000 may elect to retain their monies in the Plan.

In-service Withdrawals

Distributions may be made at the participant's election prior to termination upon attainment of age 59 $\frac{1}{2}$ or hardship as defined in the Plan document. Participants may also withdraw from their vested employer contribution balance after five years of participation in the Plan. The designated beneficiary is entitled to a death benefit distribution equal to the participant's vested account balance.

Administrative Expenses

Administrative expenses of the Plan are paid by the Employer or from the Plan. Certain expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments. Employer paid expenses are excluded from these financial statements.

Group Annuity Loans

Participants may borrow funds from Mutual of America Life Insurance Company using a portion of their Plan account as security for the loan. These loans are not funded with Plan assets and do not reduce the balance of the participants' accounts unless the loan is in default at the time when the benefits are distributable. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 50% of the participant's non-Roth vested account balance. Loans must be repaid within 5 years except for loans for purchase of principal residence, which may be for a longer term. The interest rate charged is generally equal to the greater of the credited Interest Accumulation Account rate plus 1% or the Monthly Average Corporate yield as shown in the Moody's Corporate Bond Yield Averages. The interest rate on group annuity loans at December 31, 2025 and 2024 was 5.85%. At December 31, 2025 and 2024, participants had outstanding loan balances of \$383,977 and \$262,452, respectively.

Due to different reporting requirements on the Form 5500, Plan administration reports the value of group annuity loans as participant loans and a reduction to the value of funds held in insurance company general account on the Form 5500.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation in fair value of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments.

Employer Contributions

The Employer's matching contributions are accrued in the period to which they relate.

Payments of Benefits

Benefits are recorded when paid.

NOTE 3. PARTY-IN-INTEREST

Mutual of America Life Insurance Company manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental Schedule of Assets (Held at End of Year).

403(B) THRIFT PLAN OF LEGAL AID CENTER OF SOUTHERN NEVADA, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2025 AND 2024

NOTE 4. FIXED ANNUITY CONTRACT

The Plan has investments in the Interest Accumulation Account, which is a fixed annuity contract with Mutual of America Life Insurance Company. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses as allowed by the Plan. Contributions to the fixed annuity contract are maintained in the general account of Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The Interest Accumulation Account is reported at fair value. Plan management has determined that contract value approximates fair value. Contract value represents contributions made under the agreement, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against the fund's value for credit risk of the contract issuer or otherwise.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2025 AND 2024

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 or 2024.

Fixed annuity contract (Interest Accumulation Account): Valued using a discounted cash flow valuation methodology. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire portfolio compared to the minimum crediting rate, as stated in the contract, and prevailing market conditions.

Variable annuity contracts (Separate Account): These investments are held in a Mutual of America Life Insurance Company separate account and primarily consist of investments in mutual funds registered with the Securities and Exchange Commission. They are valued at the net asset value of the observable market prices of the underlying assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Total	Level 1	Level 2	Level 3
Fixed annuity contract with insurance company	\$ 2,132,309	\$ -	\$ 2,132,309	\$ -
Variable annuity contracts with insurance company	15,738,610	15,738,610	-	-

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Fixed annuity contract with insurance company	\$ 1,461,222	\$ -	\$ 1,461,222	\$ -
Variable annuity contracts with insurance company	13,169,870	13,169,870	-	-
	<u>\$ 14,631,092</u>	<u>\$ 13,169,870</u>	<u>\$ 1,461,222</u>	<u>\$ -</u>

NOTE 6. RISKS AND UNCERTAINTIES

Each investment fund is diversified through a portfolio containing a wide variety of investments that fit the particular investment strategy and targeted composition. Further diversification is available to participants through participation in more than one fund. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. In addition, forced liquidation due to the complete or partial termination of the Plan, although not expected at this time, may affect the estimated value of the fixed annuity contract.

NOTE 7. INFORMATION CERTIFIED BY MUTUAL OF AMERICA LIFE INSURANCE COMPANY

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest income earned on investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company.

NOTE 8. TAX STATUS OF THE PLAN

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The Plan has adopted a prototype document designed by Mutual of America which has a determination letter dated March 31, 2017. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 9. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the Employer has the right under the Plan to amend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 14, 2026 the date the financial statements were available to be issued.
