## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee of the  
CalAmp Corp. Employees Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements**

We have performed audits of the financial statements of CalAmp Corp. Employees Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplementary Schedule Required by ERISA**

The supplementary schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS** **December 31, 2025 and 2024**

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the CalAmp Corp. Employees Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **(a) GENERAL**

The Plan is a defined contribution and savings plan for eligible employees of CalAmp Corp. (the Company or the Plan Sponsor). The Plan covers substantially all employees except for union employees, certain non-resident aliens, leased employees and employees classified as interns, as defined by the Plan Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan initially became effective on March 1, 1995 and was amended and restated effective March 1, 2024. The Plan was most recently amended, subsequent to year end, effective July 3, 2026 to freeze the Plan and suspend contributions in connection with the Plan Sponsor's transition to a Professional Employer Organization (PEO) arrangement, under which U.S. employees became eligible to participate in a new 401(k) plan administered through G&A Partners/Slavic401k. The transfer of participant balances and assets from the Plan is anticipated to be completed by September 30, 2026.

#### **(b) CONTRIBUTIONS**

A participant may elect to contribute up to 75% of pretax or net annual compensation, subject to Internal Revenue Service (IRS) regulation limitations, not to exceed \$23,500 for the year ended December 31, 2025. Participants who have attained the age of 50 by the Plan year-end may also make catch-up contributions of \$7,500 during the year ended December 31, 2025. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan provides for automatic salary deferrals equal to 4% of compensation. Participants direct the investment of their contribution into various investment options offered by the Plan. The Company contributes 100 percent of the first 3 percent of the salary deferrals that a participant contributes to the Plan. Participants direct the investment of their contributions and the employer matching contributions into various investment options offered by the Plan. For the year ended December 31, 2025, the Company made matching contributions of \$874,591.

#### **(c) PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Forfeitures of terminated participants' non-vested accounts are used first to re-credit accounts of re-hired participants and then used to reduce employer contributions or pay for Plan expenses for the Plan year. During the year ended December 31, 2025, no forfeitures were used to reduce employer contributions or pay for Plan expenses. Available forfeitures at December 31, 2025 and 2024 amounted to \$79,425 and \$15,723, respectively.

## **NOTES TO FINANCIAL STATEMENTS** **December 31, 2025 and 2024**

### **NOTE 1 - DESCRIPTION OF THE PLAN** (continued)

#### **(d) VESTING**

Participants are immediately vested in their contributions and employer matching contributions plus earnings thereon.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow up to 50% of their vested accrued benefits subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. Notes receivable from participants bear interest at a rate of 2% above the prime interest rate. The notes receivable are secured by the participants' vested interest in the Plan. Notes receivable from participants must be paid back within five years unless the notes are for the purchase of a principal residence. At December 31, 2025, the range of interest rates on notes receivable was 4.25% to 10.50%. Principal and interest are paid through payroll deductions.

#### **(f) PAYMENT OF BENEFITS**

On termination of service, a participant may elect to receive a single lump-sum payment of the vested interest of his or her account, or in installments over a period of not more than the participant's assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution or in installments over a period of not more than the participant's assumed life expectancy. Payment of benefits will begin as soon as administratively feasible following the date of termination.

#### **(g) ADMINISTRATIVE EXPENSES**

The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan. Transaction and investment fund expenses are paid by the participants.

## **NOTES TO FINANCIAL STATEMENTS** **December 31, 2025 and 2024**

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **(a) BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared under the accrual method of accounting.

#### **(b) USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

#### **(c) RISKS AND UNCERTAINTIES**

The Plan utilizes various investment instruments, including mutual funds and common collective trusts. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

#### **(d) INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025.

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

#### **(f) SUBSEQUENT EVENTS**

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2025, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through September 2, 2026, the date these financial statements were available to be issued. Except as otherwise disclosed in Note 1(a) of these financial statements, no material events or transactions were noted to have occurred.

### **NOTE 3 - INVESTMENTS**

The Plan's funds were maintained by ADP Retirement Trust Services, LLC (ADPRTS) as of December 31, 2025, and Reliance Trust Company (Reliance Trust) as of December 31, 2024, the trustees of the Plan. The funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2025 and 2024 are the values as reported to the Plan by ADP Retirement Trust Services, LLC and Reliance Trust Company.

The following were certified as being complete and accurate by ADPRTS and Reliance Trust:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Dividend Income, net appreciation in fair value of investments and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Supplementary schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Participants may change their investment options at their discretion.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

### NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopts a fair value measurement accounting standard (the Standard) for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the Standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2025 and 2024, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

|                                                             | Year Ended<br>December 31 | Fair Value Measurements Using                                                 |                                                           |                                                    |

(a) In accordance with Financial Accounting Standards Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a description of the valuation methodologies used for assets measured at fair value and net asset value:

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.
- **Stable Value Funds:** Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, and then divided by the number of shares outstanding. The investment strategy is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. There are no redemption restrictions or unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### **NOTES TO FINANCIAL STATEMENTS** **December 31, 2025 and 2024**

#### **NOTE 5 - TAX STATUS**

The Plan obtained its latest determination letter on October 3, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income tax has been recorded in the Plan's financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain investment instruments are managed by ADP Retirement Trust Services, LLC. ADPRTS is a trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

#### **NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
