INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
ESET LLC 401(K) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of ESET 401 (K) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ESET 401 (K) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in note 2 of the financial statements.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ESET 401 (K) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with modified cash basis of accounting described in note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ESET 401 (K) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as

fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ESET 401 (K) Profit Sharing Plan and Trusts internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ESET 401 (K) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at the end of the year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN

The following description of ESET LLC 401(K) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a single-employer, defined contribution plan under section 401(k) of the Internal Revenue Code, established in 2006. The Plan is sponsored by ESET LLC (the "Company"). For participant contributions and employer matching contributions, employees are eligible to participate and enroll in the Plan if they are at least 18 years of age and have completed two consecutive months of service. For employer profit sharing contributions, employees are eligible to participate if they are at least 18 years of age and have completed one year of service. Certain employees are not eligible to participate in the Plan including employees covered by a collective bargaining agreement, nonresident aliens who received no U.S. sourced income and those who became employees as a result of a merger or acquisition for a specified period defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Contributions to the Plan are as follows:

- 1) Participants may contribute up to 90% of their eligible compensation (excluding safe harbor fringe benefits) from their pretax and/or after-tax amounts (designed as Roth contributions) in 1% increments as defined by the Plan up to the Internal Revenue Service annual maximum limit of \$23,500 and \$23,000, respectively for 2025 and 2024. Participants greater than 50 years old can make catch-up contributions, up to the maximum amount allowed by the IRS (\$7,500 for 2025 and 2024). During 2025, participants between ages 60 and 63 are allowed to make higher catch-up contributions up to the maximum allowed by the IRS of \$11,250 under the SECURE 2.0 Act.
- 2) Participants may rollover or transfer amounts from other plans.
- 3) The Company makes safe harbor matching contributions equal to 100% of the deferral contributions, up to a maximum of 4% of the participant's eligible compensation, determined each payroll period. Matching contributions are recalculated based on the ratio of elective deferrals to compensation for each plan year and true-up contributions are made accordingly.
- 4) Additionally, the Plan allows the Company to make discretionary profit-sharing contributions allocated pro-rata to qualifying participants, as defined, based on their compensation to total compensation. During the years ended December 31, 2025 and 2024, the Company made no profit-sharing contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with their contribution, and an allocation of the Company's contributions (subject to vesting), if any, and the Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

INVESTMENT OPTIONS

Upon enrollment into the Plan, participants may direct their participant accounts to any or all of the investment options offered by the Plan. Subsequently, participants may change their allocations and transfer account balances among the investment options offered by the Plan. All earnings and losses on the directed investments are credited directly to the participants' accounts.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the Company's matching contribution portion as received. Participants vest in profit-sharing contributions after three years of credited service. A participant becomes fully vested in the event of death, disability or upon reaching normal retirement (age 65).

PAYMENT OF BENEFITS

The current value of a participant's account(s) may be withdrawn to provide benefits in accordance with the terms of the Plan document. The withdrawal may be taken as a lump-sum payment or an alternate form of payment, if permitted under the Plan, at the time of distribution.

For purposes of determining whether or not a withdrawal is being used to provide benefits in accordance with the Plan document, the term "benefits" is limited to amounts becoming payable to the participant due to:

- (A) Termination of Employment
- (B) Retirement
- (C) Disability
- (D) Death
- (E) In Service Distributions after 59.5 Years of Age

As defined in the plan document.

Withdrawals for reasons other than those listed above are allowed but may be subject to certain charges and adjustments.

The Plan does not allow hardship distributions.

In the event of a mandatory distribution greater than \$1,000, but no more than \$5,000, in accordance with the payment provisions of the Plan, if the participant does not elect to have such distributions paid

directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly under any form of payment allowed under the Plan, then the distribution will be paid in a direct rollover to an individual retirement plan designated by the plan administrator. Mandatory distributions of \$1,000 or less will be paid in cash as directed by the plan administrator, unless the Participant elects a direct rollover or elects to receive the distribution under another form permitted by the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Plan loans to participants who have an account under the Plan are available. The loans are secured by the participant's vested account balance in the Plan and may not exceed 50% of the vested account balance or \$50,000, whichever is less. The smallest amount available for withdrawal is \$1,000. Participant loans bear interest at a rate of 1% in excess of the prime lending rate. Principal and interest on loans are paid regularly through payroll deductions. Outstanding loans become due and payable upon a participant's termination of employment with the Company.

FORFEITED ACCOUNTS

Participants are 100% vested in the Company's matching contribution portion as received, as safe harbor matching contributions are made, resulting in no forfeitures. Prior to January 1, 2012, the Company made matching contributions which were subject to forfeitures. In the event that non-vested accounts were forfeited, such amounts were allocated to employee accounts. At December 31, 2025 and 2024, forfeited amounts totaled \$242 and \$235, respectively. Forfeitures reallocated to offset employer contributions during December 31, 2025 and 2024, totaled \$0 and \$654, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP) in the United States. Under this method, contributions are generally recognized when received, distributions are generally recognized when paid, investments are valued at the date of the financial statements, and gains and/or losses are recognized for the change in market value. Accordingly, these statements are not intended to be in conformity with GAAP.

Use of estimates - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investments valuation and income recognition - Investment in mutual funds are reported at fair value as certified by the institution that holds the Plan's assets as an investment manager and are under the custody of the Plan's trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Common collective trust funds are valued at net asset value (NAV) as a practical expedient of fair value. The NAV is based on the underlying investments, which are traded in an active market. The net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Page 11

as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Fair value measurement - The Plan follows accounting standards consistent with the Financial Accounting Standards Board Codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

Classification and measurement of financial instruments - The Plan follows applicable accounting guidance for the recognition, measurement, and disclosure of financial instruments, where most equity investments are measured at fair value. Additionally, the Plan is not required to disclose the method and significant assumptions used to estimate the fair value for instruments not recognized at fair value in the Plan's financial statements.

Credit losses - The Plan applies an expected credit loss model to measure credit impairment on financial assets measured at amortized cost. Under this model, the Plan estimates expected credit losses based on historical experience, current conditions, and reasonable and supportable forecasts. The expected credit loss methodology applies to trading receivables, financing receivables, held-to-maturity debt securities, and certain off-balance sheet credit exposures, including loan commitments, standby letters of credit, financial guarantees, and other similar instruments. It also applies to net investments in leases recognized by a lessor.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest accrues according to the loan agreements throughout the term of the loans. Related fees are recorded as administrative expenses, charged to participant accounts and expensed when paid.

Benefits - Benefits are recorded when paid.

Income taxes - The Plan is tax exempt under the Internal Revenue Code Section (IRC) 401(a) and consequently pays no income tax.

The Company has adopted a prototype plan that relies upon the prototype plan's opinion letter from the Internal Revenue Service, dated July 2014, which stated that the Plan and related trust are in compliance with the applicable requirements of the IRC. Therefore, no provisions for income taxes have been included in the Plan's financial statements. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan follows accounting standards for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It also provides guidance on derecognition and measurement of a tax position taken or to be taken in a tax return. As of December 31, 2025 and 2024, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 3 ADMINISTRATIVE EXPENSES

The administrative expenses of the Plan were paid by the participants for the years ended December 31, 2025 and 2024. A participant's account balance will be charged with certain fees and expenses. The Company also pays a portion of the Plan's administrative expenses. Certain investment related expenses are included as a reduction of investment return and are not separately reflected.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time with respect to all participants by the adoption of an appropriate resolution by its owners. In the event of a complete termination of the Plan, the rights of all participants in their account balances accrued to the date of the termination are fully vested and not subject to forfeiture.

NOTE 5 INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE

The Company has obtained certifications from ADP Retirement Trust Services, LLC and Reliance Trust Company, the trustees of the Plan, that all of the information provided to the Company by Reliance Trust Company is complete and accurate. Reliance Trust Company certifications apply to substantially all of the Plan's investment assets, transactions and supplemental schedules.

During 2025 and 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the years) appreciated in value by \$2,900,649 and \$2,076,591, respectively.

NOTE 6 COMMON COLLECTIVE TRUST FUNDS

The Plan holds an interest in the Federated Hermes Capital Preservation Fund and Putnam Large Cap Value ("the Funds"). The Funds are collective investment funds that may only accept assets of certain defined contribution plans which are specified in the Fund's Declaration of Trust. The Funds invest in stable value products, including traditional, synthetic and separate account guaranteed investment contracts as well as money market instruments. The issuers' ability to meet these obligations may be affected by economic developments in their respective companies and industries. Although it is the policy of the Funds to use best efforts to maintain a stable NAV, there is no guarantee that the Funds will be able to maintain that value. The Funds are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

There are no unfunded commitments. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner. In addition, the Funds require 12 months' advance written notice, and other limits on transfers and redemptions may apply.

NOTE 7 FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value and NAV in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

ESET LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Page 14

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

The fair value of the interest in the mutual funds is based on the closing price reports in the active market where the individual securities are traded, when available and is classified as Level 1 investments.

The common collective trust funds are valued at the NAV of units held at year end. The NAV is used as a practical expedient to estimate fair value. The NAV is calculated by the fund based on net assets which includes benefit responsive contracts at contract value.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Financial assets carried at fair value at December 31, 2025 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 PARTY IN INTEREST

ADP Retirement Trust Services, LLC is the trustee, effective January 1, 2025 (previously Reliance Trust Company) as defined by the Plan with ADP Retirement Services as the plan administrator. Administrative fees incurred by the Plan to ADP Retirement Services and passed through to applicable participants for loan fees and distributions totaled \$3,510 and \$2,975 for the year ended December 31, 2025 and 2024, respectively. Consulting fees incurred by the Plan to Newfront Retirement Services, Inc. totaled \$32,114 and \$6,529, respectively for the years ended December 31, 2025 and 2024. Consulting fees incurred by the Plan to UBS Financial Services, Inc. totaled \$0 and \$26,298 for the years ended December 31, 2025 and 2024, respectively. The Company provides administrative services to the Plan at no cost to the Plan. Substantially all of the Plan's operating expenses are paid by the Company. These transactions qualify as party-in-interest transactions, however are exempt from the prohibited transaction rules of ERISA.

NOTE 10 SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 14, 2026, the date which the financial statements were available to be issued. There were no material subsequent events which affected the amounts or disclosures in the financial statement except as noted below:

In August 2026 agreements were entered into whereby Fidelity Management Trust Company ("Fidelity") will be the new trustee and Fidelity Workplace Services, LLC will be the plan administrator. Plan assets will be transferred to Fidelity on October 1, 2026. In addition, effective October 1, 2026, certain amendments were made to the plan document which include a change in enrollment for participants to the first day of the following month of employment as well as the ability for participants to request hardship distributions.
