Torchy's Tacos 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Torchy's Tacos 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Torchy's Tacos 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Torchy's Tacos 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Torchy's Tacos 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Torchy's Tacos 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Torchy's Tacos 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Torchy's Tacos 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

Torchy's Tacos 401(k) Plan (the "Plan") is a defined contribution plan covering substantially all eligible employees of Success Foods Management Group LLC (the "Company", "Employer", or "Plan Sponsor"). The Plan became effective January 1, 2017 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As of December 31, 2025 and for the period July 1, 2025 through December 31, 2025, all Plan assets are held by Principal Trust Company ("Principal"). As of December 31, 2024 and for the period January 1, 2025 through June 30, 2025, all Plan assets were held by Empower Trust Company ("Empower") and Massachusetts Mutual Life Insurance Company ("Mass Mutual"). Complete information regarding the Plan is included in the Plan Agreement. Significant Plan provisions are summarized below.

Plan Amendments

Effective January 1, 2025, the Plan was amended and restated to change the classes of employees that are not eligible to participate in the Plan to union employees, nonresident aliens, highly compensated employees, Job Level E10 and above employees, as defined, regional and market partners, and variable hour employees who have not completed 6 months of service. The eligibility age requirement was changed to 18, and the eligibility service requirement was changed to 30 days of service.

Effective July 1, 2025, the Plan was amended and restated to change the trustee from Reliance Trust Company to Delaware Charter Guarantee & Trust Company and to change the Plan recordkeeper and custodian from Empower to Principal. The Plan was also amended to change the eligibility service requirement to 60 days and to allow employees to enter the Plan on the date the eligibility requirements are met. In conjunction with the change in recordkeeper and custodian, Plan assets were transferred to Principal on July 1, 2025.

Eligibility

As amended on July 1, 2025, employees of the Company are eligible to participate in the Plan upon the attainment of 18 years of age and completion of 60 days of service. Employees are eligible to participate in the Plan on the date the requirements are met. Union employees, nonresident aliens, highly compensated employees, Job Level E10 and above employees, regional and market partners, and variable hour employees who have not completed 6 months of service are not eligible to participate in the Plan. Employees must be employed on the last day of the plan year and complete at least 1,000 hours of service during the plan year to be eligible for employer discretionary profit-sharing contributions and certain types of employer discretionary matching contributions.

Torchy's Tacos 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants are allowed to make elective pre-tax or Roth contributions to the Plan of up to 90% of their annual eligible Plan compensation, as defined, subject to limitation under the Internal Revenue Code (IRC). Participants may make a separate deferral election of up to 90% of irregular pay, as defined. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans or individual retirement accounts.

The Company may make discretionary matching and discretionary profit-sharing contributions to the Plan of amounts determined and authorized by the Plan and the Company's Board of Directors up to the maximum amounts permitted by the IRC. In 2025, the Company's Board of Directors approved a discretionary matching contribution equal to each participant's elective deferral, up to 3% of compensation, provided the participant completed at least 1,000 hours of service and was employed on the last day of the Plan Year. The discretionary matching contributions were funded in 2026. No discretionary profit-sharing contributions were made or approved for 2025.

Participant accounts

Participants direct the investment of their accounts among various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) the participant's contributions, (b) an allocation of employer contributions, and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, including rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions, plus actual earnings thereon, is based on years of credited service, as defined. A participant is 100% vested upon death, disability, or retirement. All employees hired prior to August 1, 2017 are always 100% vested in the Company's discretionary contributions.

All other participants are subject to the following vesting schedule for the Company's discretionary contributions:

<u>Years of Service</u>	<u>Percentage</u>
Fewer than 3 years	0 %
3 years	100 %

1. DESCRIPTION OF THE PLAN (continued)

Forfeitures

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a distribution of their vested account or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures are retained in the Plan and used either to pay Plan administrative expenses or to reduce future employer contributions. The forfeited unvested account balance totaled \$24,770 and \$4,070 at December 31, 2025 and 2024, respectively. For the year ended December 31, 2025, forfeitures totaling \$2,289 were used to reduce the Company's 2024 discretionary matching contributions.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of i) \$50,000 reduced by the highest outstanding note receivable balance over the prior twelve months or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prime rate plus 2%. Participants may only have one note receivable outstanding at a time. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years, unless the funds are used for purchase of a principal residence, in which case repayment terms may be extended. At December 31, 2025, interest rates on notes receivables from participants ranged from 5.50% to 10.50%, with varying maturity dates through August 2030.

Payment of benefits

Upon termination of service due to death, disability, normal retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in partial withdrawals or lump-sum form. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant account balances that are less than \$5,000 will be paid as a direct rollover to an individual retirement account.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

1. DESCRIPTION OF THE PLAN (continued)

SECURE 2.0

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until December 31, 2026, to amend the Plan for the changes related to SECURE 2.0. Effective January 1, 2026, the Plan was amended to incorporate certain provisions of SECURE 2.0.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedules.

Investment valuation and income recognition

The Plan's investments are reported at fair value except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3). Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan (see Note 4). The Plan's Investment Committee determines the Plan's valuation policies using information provided by investment advisers and the trustee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and expenses charged to the Plan for investment accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Plan's trustee.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of the investment. The Plan is not required to reimburse the Plan Sponsor for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and through the report date, September 21, 2026, the date the financial statements and supplemental schedules were available to be issued.

Effective January 1, 2026, the Plan adopted a good faith amendment to implement certain provisions of SECURE 2.0 requiring catch-up contributions made by certain participants to be contributed as designated Roth contributions.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Pooled separate accounts*: Pooled separate accounts (PSAs) are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The net asset value (NAV) of a PSA is based on the market value of its underlying investments. The PSA NAV is not a publicly-quoted price in an active market. The NAV is used as a practical expedient to estimate fair value.
- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 5,531,830</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,531,830</u>

Torchy's Tacos 401(k) Plan
Notes to Financial Statements

3. FAIR VALUE MEASUREMENTS (continued)

Investments, at fair value, that are valued using NAV as a practical expedient totaled \$0 and \$4,595,596 as of December 31, 2025 and 2024, respectively.

4. FULLY BENEFIT- RESPONSIVE INVESTMENT CONTRACTS

As of December 31, 2024, the Plan held a traditional investment contract with Mass Mutual that meets the fully benefit-responsive investment contract criteria and, therefore, was reported at contract value. The traditional investment contract with Mass Mutual had a contract value of \$17,235 at December 31, 2024 and was terminated in June 2025 in conjunction with the change in trustee and custodian.

Following the change in trustee, the Plan invests in a traditional guaranteed investment contract issued by Principal Life Insurance Company ("Principal Life") through Principal that meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made, plus earnings, less participant withdrawals and administrative expenses. The traditional investment contract with Principal Life had a contract value of \$322,763 and \$0 at December 31, 2025 and 2024, respectively.

The traditional investment contract in which the Plan invests is a guaranteed investment contract that is designed to accrue interest based on crediting rates established by Principal Life. Principal Life is contractually obligated to credit interest and repay principal and accrued interest in accordance with the terms of the contract. Interest is credited to participant account balances based on a composite crediting rate established by Principal Life and may not be less than 0.15%. The crediting rate is periodically reviewed and reset by Principal Life. The crediting rate is reset semiannually and, as of December 31, 2025, the net crediting rate was 4.75%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on Principal Life's ability to meet its financial obligations. The guarantees provided under the traditional investment contract are backed by the general account of Principal Life. Principal Life's ability to meet its contractual obligations may be affected by future economic and regulatory developments. In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) termination of the Plan's interest in the contract, (2) certain plan amendments, mergers, spin-offs, or other significant employer-initiated transactions, (3) transfers to competing investment options subject to the contract's equity wash provisions, and (4) certain early termination or accelerated withdrawal events that may result in installment payments, surrender charges, or early termination charges. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

5. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower and Mass Mutual, the custodians of the Plan as of December 31, 2024 and for the period from January 1, 2025 to June 30, 2025, and Principal, the trustee and custodian of the Plan as of December 31, 2025 and for the period from July 1, 2025 to December 31, 2025, have certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, at fair value and contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Total investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025.

The Plan administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items. Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Plan assets include funds managed by Empower and Mass Mutual as of December 31, 2024 and for the period from January 1, 2025 to June 30, 2025, and Principal as of December 31, 2025 and for the period July 1, 2025 to December 31, 2025, and notes receivable from participants. Empower and Mass Mutual serve as Plan custodians, and Principal serves as Plan trustee and custodian, as such, these transactions qualify as party in interest transactions under ERISA.

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

The custodian retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

8. TAX STATUS

The Plan adopted a non-standardized pre-approved plan document which received an opinion letter from the IRS dated June 30, 2020, which stated that the pre-approved plan document is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 6,362,354	\$ 5,015,691
