INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Associated Benefits Corporation
Plan Administrator for The Restated Thrift/Profit Sharing Plan for Cooperatives
(Participating Employer – Western Consolidated Co-op):

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Restated Thrift/Profit Sharing Plan for Cooperatives (Participating Employer – Western Consolidated Co-op), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements (modified cash basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Restated Thrift/Profit Sharing Plan for Cooperatives (Participating Employer – Western Consolidated Co-op) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Restated Thrift/Profit Sharing Plan for Cooperatives (Participating Employer – Western Consolidated Co-op) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule is prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principals generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule (modified cash basis) of assets (held at end of Plan year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 1 – DESCRIPTION OF PLAN

The Restated Thrift/Profit Sharing Plan for Cooperatives (“Thrift/Profit Sharing Plan”) is a defined contribution plan administered by Associated Benefits Corporation (the “Plan Administrator”). The participating employer, Western Consolidated Co-op, has adopted the Thrift/Profit Sharing Plan (the “Plan”). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the participating employer who are age 21 or older, completed four months of service, and are expected to be credited with at least 1,000 hours of service during their first twelve consecutive months of employment or during any calendar year. Employees who qualify to become participants may enter the Plan beginning on the first day of the month coinciding with or next following the date they satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Plan Amendments

Effective March 1, 2025, the Plan was formally revised to align with the requirements of SECURE 2.0 legislation and to provide additional clarity to plan provisions.

Contributions

Each year, participants may contribute up to 80% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated fund until changed by the participant. Participants may elect to have an automatic 1% increase in their contribution rate each July 1st until they reach the maximum allowed, as defined in the Plan document. The participating employer contributes a matching contribution equal to 233.33% of the first 3% of eligible compensation that a participant contributes to the Plan. Additional discretionary amounts may be contributed at the option of the participating employer’s Board of Directors. Contributions are subject to certain IRS limitations.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the employer's matching contributions, as well as allocations of the employer's discretionary contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 minus the participant's highest outstanding loan balance during the twelve-month period before a loan is granted. The loans are secured by the balance in the participant's account and bear interest at rates that range from 8.00% to 9.50% at December 31, 2025. The loan interest rate is set at one percentage point above the prime lending rate changed by Principal Trust Company, the trustee. A maximum of two loans can be outstanding at any time. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Terms range from one to five years unless for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial lump sum payments, or periodic installments. Withdrawals may be made for any reason upon attaining the age of 59 1/2, subject to mandatory withholding.

A terminated employee may also leave his or her vested benefit in the Plan, if it is greater than \$1,000, until such time as they wish to withdraw it, with the account continuing to share in the Plan's earnings. If a terminated participant's vested account balance does not exceed \$1,000, the Plan will distribute the benefit in a lump sum as soon as administratively practicable.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$114 and \$24, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses. Also, in 2025, employer contributions were reduced by \$7,556 from forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Under the modified cash basis of accounting, transactions are recorded in the financial statements on the cash receipts and disbursement basis; however, investments are adjusted to fair value. Accordingly, these financial statements are not intended to present the Plan's financial position or changes in financial position in conformity with GAAP. The principal differences in the Plan's financial statements relate to investment income and contributions, which are not recorded until received.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting, which is a basis of accounting other than GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the record-keeper and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income are recorded as received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**THE RESTATED THRIFT/PROFIT SHARING PLAN FOR COOPERATIVES
PARTICIPATING EMPLOYER - WESTERN CONSOLIDATED CO-OP
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Participant contributions and the participating employer's matching contributions are recorded when received by the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the participating employer. Expenses that are paid by the participating employer are excluded from these financial statements. All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investments.

Subsequent Events Consideration

The Plan has evaluated subsequent events through September 21, 2026, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**THE RESTATED THRIFT/PROFIT SHARING PLAN FOR COOPERATIVES
PARTICIPATING EMPLOYER - WESTERN CONSOLIDATED CO-OP
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

**THE RESTATED THRIFT/PROFIT SHARING PLAN FOR COOPERATIVES
PARTICIPATING EMPLOYER - WESTERN CONSOLIDATED CO-OP
NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Stable value common collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

		Assets at Fair Value			
		Level 1	Level 2	Level 3	Total
December 31, 2025					
Mutual funds		\$ 821,679	\$ -	\$ -	\$ 821,679
Investments valued at NAV practical expedient (a)					17,995,141
INVESTMENTS AT FAIR VALUE					\$ 18,816,820

		Assets at Fair Value			
		Level 1	Level 2	Level 3	Total
December 31, 2024					
Mutual funds		\$ 775,416	\$ -	\$ -	\$ 775,416
Investments valued at NAV practical expedient (a)					16,019,800
INVESTMENTS AT FAIR VALUE					\$ 16,795,216

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits (modified cash basis).

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Common collective trust funds	\$ 17,054,005	N/A	Daily	None

	<u>\$ 17,995,141</u>

Stable value common collective trust	<u>1,270,810</u>	N/A	Daily	12-month
	<u>\$ 16,019,800</u>			

**NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST
TRANSACTIONS**

Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants which are secured by the participant's account balances. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024**

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the participating employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The IRS has determined and informed the participating employer by a letter dated October 27, 2015, that the Plan and related Trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Under the modified cash basis of accounting, Plan management evaluates tax positions taken by the Plan and would recognize tax consequences when an amount has been paid or received. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

Factors beyond our control, such as, without limitation, natural disasters, extreme weather events, pandemics (including COVID-19), economic, political, regulatory, acts of war or threats of war, or other developments may adversely impact global financial markets.
