INDEPENDENT AUDITOR'S REPORT

To the Retiree Committee of the
Budd E&A VEBA Plan

Opinion

We have audited the accompanying financial statements of the Budd E&A VEBA Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of the Plan as of December 31, 2025 and 2024, and the change in its net assets available for benefits and of changes in its benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

BUDD E&A VEBA PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Budd E&A VEBA Plan (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General - The Plan was established in 2016 by a Voluntary Employee Benefits Association (VEBA) Committee consisting of five Retiree Committee members. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Plan provides medical, prescription drug, dental, and life insurance benefits for eligible participants. Medical, prescription drug, and life insurance benefits under the Plan are fully-insured, while dental benefits under the Plan are self-funded. The Plan also provides Medicare Part B premium reimbursements.

Funding Policy - The Plan was initially funded with a $70,000,000 contribution from ThyssenKrupp North America, Inc. (TKNA). This initial funding resulted from a settlement agreement between TKNA and the Section 1114 Committee of Executive and Administrative Retirees (1114 Committee), whereby TKNA agreed to pay $70,000,000 into a trust to resolve claims by the 1114 Committee against The Budd Company (Budd) in its Chapter 11 bankruptcy. The Plan also receives funding from ongoing contributions made by Plan participants.

Eligibility - Former executive and administrative employees of Budd, who were retired and receiving post-retirement benefits from Budd as of March 31, 2014 and July 31, 2016, and their eligible dependents, participate in the Plan. The Plan is closed to new participants.

Termination - In the event the Plan is terminated, the Retiree Committee (the Committee) shall use any remaining funds to satisfy existing and arising claims for benefits under the terms of this Plan and to pay reasonable administrative expenses until such funds are exhausted.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported (IBNR), eligibility credits, claims payable, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are carried at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determine the Plan's valuation policies utilizing information provided by its investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest income is reported on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk - Financial instruments that potentially subject the Plan to concentrations of credit risk consist primarily of cash. The Plan currently keeps its cash accounts with one financial institution. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 in a single financial institution. As of December 31, 2025, the Plan had no cash balances in excess of federally insured limits.

Administrative Expenses - Administrative expenses are paid by the Plan.

Other Plan Benefits - Plan obligations as of December 31, 2025 and 2024 for claims incurred but not reported, net of amounts currently payable, are estimated by the Plan's management based upon the historical experience of the Plan. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Stop-Loss Insurance - Premiums for stop-loss insurance are included in the benefits paid to participants in the accompanying statements of changes in net assets available for benefits. During the years ended December 31, 2025 and 2024, the Plan paid $-0- in stop-loss premiums and received $-0- in refunds from claims paid.

Reclassifications - Certain reclassifications may have been made to conform to current year financial statement presentation. These reclassifications had no effect on the net assets available for benefits.

NOTE 3. POSTRETIREMENT BENEFITS

The postretirement benefit obligations represent the actuarial present value of those estimated future benefits that are attributed to participants' service rendered to the valuation date, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for currently retired or terminated employees and their beneficiaries and dependents.

The actuarial present value of the expected postretirement benefit obligations is determined by an independent actuary and is that amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, withdrawal or retirement) between the valuation date and the expected date of payment. The actuarial present value of the expected postretirement benefit obligations is net of the actuarial present value of estimated future contributions, for postretirement benefits, expected to be received from participants based on the terms of the Plan document.

The following economic assumptions were used in valuing the liabilities and benefits under the plan.

Discount Rate: 5.15% at December 31, 2025 and 5.50% at December 31, 2024.

Mortality: Headcount-Weighted Pri-2012 Healthy Annuitant Mortality Table with generational projection from 2012 using Scale SSA-2025.

Health Care Cost Trend Rates:

2052 & later	4.50	4.50	4.50	5.00	4.50

NOTE 3. POSTRETIREMENT BENEFITS (CONTINUED)

Retiree Contribution Increase Rate:	No annual increase in any required retiree contribution was assumed.
Administrative Expenses:	An administrative expense load of $542 per participant increasing at 6.0% per year was added to projected incurred claim costs in developing the benefit obligations.

Per Capita Cost Development:

Medicare Medical and Drugs:	Per capita costs were based on the premiums for the valuation year. For the Medicare plan, actuarial factors were applied to the premium to estimate individual retiree and spouse costs. They are no longer adjusted by age and sex.
Dental:	Per capita costs were based on actual paid claim experience furnished by the Plan Administrator for the period January 1, 2023 through December 31, 2025. Claims were separated by plan year, then adjusted as described above (except for the age and gender factors) to yield per capita expenses.
Administrative Expenses:	Administrative expenses were based on experience furnished by the Plan Administrator for the period January 1, 2023 through December 31, 2025. Expenses were separated by plan year, then adjusted as described above to yield per capita expenses. Per capita expenses for each plan year were then combined by taking a weighted average.
Per Capita Health Cost:	The annual per capita dental and pre-Medicare medical and prescription drug claims cost for plan year 2025 was estimated to be $850 and $35,453, respectively. These costs are net of deductibles and other benefit plan cost sharing provisions.

Using trend rates 1% higher than the assumed health care cost trend rates will increase the Accumulated Postretirement Benefit Obligation to $78,291,371 as of December 31, 2025, an increase of $5,160,477 over the reported number.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Short-term investments: Valued at cost, which approximates fair value.

Mutual funds: Valued at the net asset value (NAV) of shares held by the fund at year end.

Limited partnerships: The fair values of limited partnerships recorded by the Plan are determined from financial statements received by the Plan from the limited partnerships or other entities in which the Plan has invested. Some of these financial statements are financial statements audited by independent accountants other than the Plan's independent auditors and some are unaudited financial statements. In addition, most of these investment vehicles operate as "fund of funds" which invest in limited partnerships

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

and other nonmarketable investments. The entities in which the Plan invests prepare their financial statements stating their investments at fair value as determined in good faith by the general partner or by a third-party valuator based on the best information available, in the absence of readily ascertainable market values.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, of the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025

Total assets in the fair value hierarchy	57,160,276	$ 57,160,276	$ -	$ -
Investments measured at NAV*				
Limited partnerships	18,765,151			
Total investments at fair value	$ 75,925,427			

*In accordance with Accounting Standards Codification, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Fair Value of Investments Measured at NAV

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Limited partnerships	$ -	None	N/A	N/A

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Limited partnerships	$ 18,765,151	None	N/A	N/A

The Plan's investment in the limited partnership category consists of Western Asset US Intermediate Plus. This investment seeks to generate attractive returns through long-term opportunistic investments in commercial mortgage-backed securities. These investments are subject to various restrictions on redemption and frequency.

NOTE 5. PLAN CONTINUATION

The Plan is designed and maintained by a five-member VEBA committee (the Committee) as set forth in the trust agreement for the Budd E&A VEBA (the Trust). It is the present intent of the Committee to continue the Plan for an indefinite period. Although it has not expressed any intention to do so, the Committee reserves the right at any time to terminate the Plan in whole or in part subject to applicable law. In the event of termination, the assets then remaining in the Plan shall continue to be used and applied for the payment of benefits incurred prior to termination, the payment of reasonable and necessary expenses incurred in connection with such termination, the payment of taxes, or as permitted by applicable law.

NOTE 6. TAX STATUS

The assets of the Plan are held in the Trust. By letter dated October 21, 2016, the Internal Revenue Service (IRS) determined the Trust was exempt from federal income tax under Internal Revenue Code Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for this plan year.

NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As disclosed in Note 2, the Plan pays certain administrative, investment, and professional fees to various service providers. In addition, Central Data Services (CDS) is recordkeeper for the Plan. These transactions are party-in-interest transactions under ERISA.

NOTE 8. RISKS AND SIGNIFICANT UNCERTAINTIES

The Plan invests in various investment securities (mutual funds). Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9. SIGNIFICANT PLAN AMENDMENTS

There were no significant plan amendments during the Plan years ended December 31, 2025 and 2024, respectively.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the Plan's net assets available for benefits per the accompanying financial statements to Form 5500 for the years ended December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per financial statements	$ 77,770,630	$ 76,160,036
Less: benefit obligations currently payable	(76,000)	(83,000)
Net assets available for benefits per Form 5500	$ 77,694,630	$ 76,077,036

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2025:

Benefits paid to participants per the financial statements	$ 8,646,981
Add: amounts currently payable at December 31, 2025	76,000
Less: amounts currently payable at December 31, 2024	(83,000)
Benefits paid to participants per the Form 5500	$ 8,639,981

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under generally accepted accounting principles (GAAP) and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

A reconciliation for additions per the financial statements to income per Form 5500 for the year ended December 31, 2025:

Additions per financial statements	$ 10,556,792
Add: investment expenses	136,896
Income per Form 5500	$ 10,693,688

A reconciliation for deductions per the financial statements to expenses per Form 5500 for the year ended December 31, 2025:

Deductions per financial statements	$ 8,946,198
Add: investment expenses	136,896
Expenses per Form 5500	$ 9,083,094

NOTE 11. SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 7, 2026, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
