INDEPENDENT AUDITOR'S REPORT

September 17, 2026

To the Retirement Plan Committee of the
United Cerebral Palsy Association of the North Country, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the United Cerebral Palsy Association of the North Country, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED CEREBRAL PALSY ASSOCIATION OF THE NORTH COUNTRY, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the United Cerebral Palsy Association of the North Country, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) pension plan covering substantially all employees of United Cerebral Palsy Association of the North Country, Inc. (the Association) who have at least one year of service in which 1,000 hours were worked and are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Association sponsors and administers the Plan. Transamerica Retirement Solutions, LLC (Transamerica) is the record-keeper of the Plan.

Contributions

Each year, participants may elect to contribute a percentage of their annual wages on a pre-tax basis to the Plan. Participants age 50 and over are also permitted to make additional "catch-up" contributions. Contributions are subject to certain limitations as defined by the Plan and the Internal Revenue Code (the Code). Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

The Association made discretionary contributions to the Plan of approximately 5% of each eligible participant's compensation in 2025 and 2024. Eligible participants must be employed at the Association at the end of the year and in the Plan at the date of contribution. Bonuses are excluded from compensation for purposes of calculating the Association's contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Association's contributions and an allocation of Plan earnings/losses on contributions. Allocations of earnings/losses and administrative expenses are based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings/losses thereon. Vesting in the Association's contributions plus earnings/losses thereon is based on years of service. Participants are 20% vested in the Association's contribution after two years of service. Vesting increases in increments of 20% for each additional year of service thereafter until 100% vesting occurs after six years.

Participant Loans

Participant loans are not permitted by the Plan.

1. DESCRIPTION OF PLAN (Continued)

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution, or deferred annuity.

The normal retirement age is the date upon which a participant reaches age 65. Participants may also receive hardship distributions under certain circumstances, as defined. All account balances less than \$5,000 are automatically paid out in a lump sum.

Forfeitures

The non-vested portion of terminated participant account balances is subject to forfeiture. Forfeitures are used to reduce employer contributions to the Plan and/or pay Plan expenses. Forfeitures of approximately \$46,800 and \$16,700 were used to reduce employer contributions for the years ended December 31, 2025 and 2024, respectively. Forfeitures of approximately \$2,000 and \$100 were used to pay Plan expenses for the years ended December 31, 2025 and 2024, respectively. Unallocated forfeitures at December 31, 2025 and 2024 were \$15,300 and \$46,000, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

Risks and Uncertainties

The Plan's underlying investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying financial statements.

Fair Value of Financial Instruments

GAAP establishes a framework for measuring fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly, are considered level 2 measurements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Valued at the net asset value of shares held at year end based on quoted prices in active markets.

There were no changes in the valuation techniques during 2025 and 2024.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan's year end. The Plan recognizes an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. No significant improvements or deteriorations are expected in the future economic conditions, therefore management has determined that no allowance for credit losses is necessary for the years ended December 31, 2025 or 2024.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants.

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that may affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. INVESTMENTS

The following information was certified as accurate and complete by Transamerica and is included in the accompanying financial statements and schedule:

	<u>2025</u>	<u>2024</u>
Cash	\$ <u>6,969</u>	\$ <u>6,191</u>
Investments	\$ <u>9,369,461</u>	\$ <u>8,022,897</u>
Interest and dividend income	\$ <u>175,636</u>	\$ <u>148,581</u>
Net appreciation in fair value of investments	\$ <u>1,110,996</u>	\$ <u>696,109</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. STABLE VALUE FUND

The Plan is invested in a fully benefit-responsive investment contract with Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the credited interest rate and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate was at an average of 2.05% during 2025 and 2024.

As described in Note 2, because the stable value fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The stable value fund is not considered a guaranteed interest contract and there is no stated minimum or maximum interest rate. Contract charges may reduce the return. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Although plan participants generally may withdraw assets from the stable value fund without restrictions, Transamerica Financial Life Insurance Company may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

5. FAIR VALUE MEASUREMENTS

The following are measured at fair value on a recurring basis at December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ <u>9,350,860</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,350,860</u>

5. FAIR VALUE MEASUREMENTS (Continued)

The following are measured at fair value on a recurring basis at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 7,974,299	\$ -	\$ -	\$ 7,974,299

6. PARTY IN INTEREST TRANSACTIONS

Transamerica is the recordkeeper of the Plan. Therefore, transactions between Transamerica and the Plan qualify as party in interest transactions.

7. INCOME TAXES

The pre-approved plan has obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Association has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

9. RECONCILIATION TO FORM 5500

The classification of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, differs between these financial statements and Form 5500. However, the total changes in net assets available for benefits for the years then ended agrees between these financial statements and Form 5500.

10. SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended to implement an automatic enrollment feature with a 2% default deferral rate, modify eligibility requirements for all contribution sources to 60 days of service, and revise the vesting schedule to provide for 100% vesting upon completion of four years of service.

Subsequent events have been evaluated through September 17, 2026, which is the date the financial statements were available to be issued.
