INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
LitmanGerson Associates, LLP Salary Reduction Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of LitmanGerson Associates, LLP Salary Reduction Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying index as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified

investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SALARY REDUCTION PLAN**

Notes to Financial Statements

December 31, 2025 and 2024

NOTE A--DESCRIPTION OF THE PLAN

The LitmanGerson Associates, LLP Salary Reduction Plan (the "Plan") was formed on January 1, 1990.

Plan assets are currently held by Fidelity Management Trust Company, the Trustee of the Plan. Plan Trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The following description of the Plan provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all eligible employees of LitmanGerson Associates, LLP (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company serves as the plan sponsor and plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, controlling expenses of the administration, interpreting provisions of the Plan, and making determinations regarding questions which may affect the eligibility for benefits.

Plan Eligibility

Employees are eligible to participate in the Plan after completing three (3) months of service with the Company and enter the Plan on the first day of month following the satisfaction of the service requirement. Employees are eligible to receive a discretionary nonelective contribution if they are employed on the last day of or have more than 500 hours of services during the plan year.

Contributions

Each year, participants may contribute a percentage of their pretax and/or Roth post tax annual compensation to the Plan, subject to certain limitations as defined by the Plan and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes a safe harbor matching contribution to the Plan in an amount equal to 100% of the first 3% of eligible compensation deferred plus 50% of the next 2% deferred, for a maximum match of 4% of eligible compensation.

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE A--DESCRIPTION OF THE PLAN--Continued

Contributions--Continued

The Company, at its discretion, may also make discretionary nonelective contributions. Such contributions are determined by the Company and are allocated to the account balances of eligible employees in the same proportion that each participant's eligible compensation bears to the eligible compensation earned by all participants. The Company did not make discretionary nonelective contributions in 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's safe harbor matching contribution and allocations of (a) the Company's discretionary profit sharing contributions (if any), (b) the Plan's investment earnings (losses), net of investment expenses, and (c) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, and the Company's safe harbor matching contribution, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Notes receivable from participants are collateralized by the balance in the participant's accounts and bear interest at a rate commensurate with the local prevailing rates, which ranged from 4.25% to 10.50% as determined by the Plan Administrator. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, elect to receive distributions in installment payments if an account balance exceeds \$1,000, elect to be paid over a period not greater than the joint life expectancy of the participant and their designated beneficiary, or elect to rollover funds into an IRA or other retirement account.

If the participant does not elect a distribution upon termination and their vested account balance is between \$1,000 and \$5,000, the balance will be directed into an IRA or annuity.

Prior to termination, a participant may withdraw their pretax contributions in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE A--DESCRIPTION OF THE PLAN--Continued

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions to be invested in any of the investment choices available under the Plan. Investment fund choices include registered investment companies and a stable value collective trust fund. Participants may change the mix of investments from one fund to another on a daily basis.

All investments are participant-directed.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures will be used to reduce employer contributions and for administrative expenses of the Plan. As of December 31, 2025 and 2024, the Plan had no unallocated forfeitures.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain Plan fees are paid from Plan assets, and other administrative expenses of the Plan are paid directly by the Company. Management fees charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected as a reduction of investment return.

Subsequent Events

In accordance with U.S. GAAP, the Plan has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2025 and September 24, 2026, the date the financial statements were available to be issued.

The Company was acquired on July 1, 2026 by Citrin Cooperman. As a result of this acquisition, the Company made the decision to terminate the Plan on July 15, 2026, and is in the process of executing a termination amendment with the Plan's third-party administrator.

NOTE C--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Mutual Funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded. Mutual funds are classified as Level 1 investments within fair value hierarchy.

Collective Trust Fund

The Plan invests in a common collective trust fund for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the net asset value ("NAV") provided by the custodian as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or withdrawal restrictions.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of:

		Fair Value Measurements Using: Significant Other Observable Inputs (Level 1)
<u>December 31, 2025</u>	<u>Fair Value</u>	
Mutual funds	\$ 23,480,643	\$ 23,480,643
Money market funds	3,295	3,295
Total assets in the fair value hierarchy	23,483,938	<u>\$ 23,483,938</u>
Investments measured at NAV (a)	173,941	
	<u>\$ 23,657,879</u>	
 <u>December 31, 2024</u>	 -	
Mutual funds	\$ 19,605,936	\$ 19,605,936
Total assets in the fair value hierarchy	19,605,936	<u>\$ 19,605,936</u>
Investments measured at NAV (a)	23,497	
	<u>\$ 19,629,433</u>	

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE C--FAIR VALUE MEASUREMENTS--Continued

(a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE D--CERTIFIED INVESTMENT INFORMATION

Certain information related to investments disclosed in the financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE E--RELATED PARTY TRANSACTIONS

The Plan invests in shares of mutual funds managed by Fidelity. Fidelity Management Trust Company is the trustee and custodian of the Plan and Fidelity Investment Institutional Operations Company is the record keeper of the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from prohibited transaction rules.

NOTE F--PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Plan is in the process of being terminated (see Note B) and since participants are fully vested in all contribution sources, the Plan's expected termination will not have an impact on the vested balance of participant accounts.

NOTE G--TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

LITMANGERSON ASSOCIATES, LLP
SALARY REDUCTION PLAN

Notes to Financial Statements--Continued

NOTE G--TAX STATUS--Continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the U.S. Department of Labor. The Plan is subject to routine audits by federal taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2022.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
