REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Plan Administrator
St. Mary's Healthcare System for Children, Inc.
(403(b) Retirement Plan)

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We were engaged to perform audits of the financial statements of St. Mary's Healthcare System for Children, Inc. (403(b) Retirement Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for disclaimer of opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other matter - supplemental schedule required by ERISA

The supplemental Schedule H, line 4i-schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of St. Mary's Healthcare System for Children, Inc. ("St. Mary's") (403(b) Retirement Plan) (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted April 1, 2005. The Plan is a contributory defined contribution plan covering all eligible employees of the following controlled group of employers:

- St. Mary's Hospital for Children, Inc.
- St. Mary's Rehabilitation Center for Children
- St. Mary's Foundation for Children, Inc.
- St. Mary's Community Care Professionals, Corp.
- SMH Administrative Services
- Extraordinary Home Care, d/b/a St. Mary's Home Care
- SMH Case Management, Inc.
- Extraordinary Pediatrics

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended effective January 1, 2009 in order to comply with ERISA requirements. An amendment was made to the Plan effective July 1, 2012 to include union employees. Amendments for nonunion and union employees took effect on January 1, 2017 and January 1, 2020 and additional amendments for union employees took effect on January 1, 2023.

Eligibility

Employees are eligible to participate in the Plan and become eligible to receive employer matching and nonelective contributions upon employment.

Contributions

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

For nonunion employees, the employer contributes 3% of total annual base salary earned for employees effective at date of hire until two years of service, 4% for employees with at least three years of service but less than six years of service, 6% for employees with at least six years of service but less than eleven years of service, 8% for employees with at least eleven years of service but less than 16 years of service, 10% for employees with at least 16 years of service but less than 21 years of service, and 12% for employees with 21 or more years of service. In addition, the employer matches 100% of the first 3% of voluntary contributions made by plan participants with an annualized base salary of less than \$60,000 and the

employer matches 50% of the first 3% of voluntary contributions made by plan participants with an annualized base salary of \$60,000 or more.

Effective January 1, 2023, the Employer match for union employees ceased and employer contributions were modified to the following percentage of the employee's qualified compensation:

Employer Contribution for Employees whose Base Salary is LESS than \$60k		Employer Contribution for Employees whose Base Salary is GREATER than \$60k	
Years of Employment	Employers Non- Elective Contribution	Years of Employment	Employers Non- Elective Contribution
Up to 2 years	6%	Up to 2 years	4.5%
3 to 5 years	7%	3 to 5 years	5.5%
6 to 10 years	9%	6 to 10 years	7.5%
11 to 15 years	11%	11 to 15 years	9.5%
16 to 20 years	13%	16 to 20 years	11.5%
21+ Years	15%	21+ Years	13.5%

The Plan accepts rollovers and transfers from other qualified plans.

The total contribution to the Plan may not exceed the dollar limit for tax-deferred compensations set by the Internal Revenue Code (the "Code"). The contribution limit was \$23,500 for the year ended December 31, 2025. Employees over the age of 50 may make additional catch-up contributions not to exceed \$7,500 for 2025, while participants ages 60 through 63 may make additional catch-up contributions of up to \$11,250 for 2025.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the employers' contributions; and (b) the Plan's earnings and charged with an allocation of administrative expenses. Plan income and expenses are allocated based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

For new nonunion and union employees, employer contributions become fully vested upon completion of three years of service.

Payment of Benefits

Upon termination of service due to disability or retirement, a participant (or a designated beneficiary) may elect to receive distributions of his or her account in a lump sum or annuity payment subject to the limitations imposed by the Internal Revenue Service ("IRS") minimum required distribution requirements.

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum of the lesser of \$50,000 or 50% of their fund balance, with the minimum loan amount being \$1,000. Loans shall provide for level amortization with payments to be made not less frequently than quarterly over a period not to exceed five years. However, loans used to acquire a principal residence of the participant shall provide for such periodic repayment over

(403(b) Retirement Plan)**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

a reasonable period of time that may exceed five years. Loan repayments from participants are made through direct payments to the asset custodian. The interest rate charged on loans outstanding at both December 31, 2025 and 2024 ranged from 3.25% to 8.5%, based upon prime rates at the time of the loan. Delinquent participant loans are deemed as distributions based upon the terms of the plan document. During 2025, there were deemed distributions of \$135,399.

Forfeited Accounts

Available forfeitures from nonvested participant accounts may be used at the Plan sponsor's discretion to pay administrative expenses of the Plan, reduce required Plan sponsor contributions, or other eligible uses of the funds. In 2025, there were \$519,245 of forfeitures and related earnings. In 2024, \$492,347 of forfeitures were used to offset Plan sponsor contributions. As of December 31, 2025 and 2024, there were \$526,606 and \$493,986, respectively, of remaining forfeited nonvested account balances.

Administrative Expenses

Expenses for professional services provided to the Plan are paid by the Plan sponsor. Fees paid by the Plan for investment management services and bookkeeping services are included as a reduction of the investment return on each fund. Transaction and contract administrative fees are charged to the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value, except for the fully benefit-responsive investment contracts, which are recorded at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of the Plan's fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If applicable, delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below.

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no transfers among levels within the ASC 820 fair value hierarchy for the years ended December 31, 2025 or 2024.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 as compared to those used at December 31, 2024.

- Mutual funds and Personal Choice Retirement Account - Valued at fair value of shares held at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

The following tables set forth by level, within the fair value hierarchy, the assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 114,298,400	\$ -	\$ -	\$ 114,298,400
Personal choice retirement account	64,249	-	-	64,249
	<u>\$ 114,362,649</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 114,362,649</u>
	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 97,385,654	\$ -	\$ -	\$ 97,385,654
Personal choice retirement account	52,163	-	-	52,163
	<u>\$ 97,437,817</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 97,437,817</u>

NOTE 4 - GUARANTEED INVESTMENT CONTRACTS WITH TRANSAMERICA FINANCIAL LIFE INSURANCE COMPANY ("TFLIC")

The Plan has entered into two fully benefit-responsive guaranteed investment contracts with TFLIC, with contract values totaling \$8,599,855 and \$9,245,322 as of December 31, 2025 and 2024, respectively. TFLIC maintains the contributions in a guaranteed pooled fund account and a fixed income account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer of the guaranteed investment contracts is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the issuer of the contracts but may not be less than the minimum guaranteed rate of 1% for the TFLIC Guaranteed Investment Option and 3.5% for the TFLIC Fixed Interest account. For the TFLIC Stable Value Fund, rates applicable to new deposits are established quarterly and remain in effect through the end of the calendar year, while rates applicable to existing contract balances are reset annually and remain in effect for the duration of the calendar year. The annualized crediting rates for the TFLIC Guaranteed Investment Option were 3.25% and 2.9% for the years ended December 31, 2025 and 2024, respectively. The annualized crediting rate for the TFLIC Fixed Interest account was 1% for the years ended December 31, 2025 and 2024. The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TFLIC, represents contributions made under the contracts, plus applicable interest credited, less previous withdrawals of transfers and administrative charges. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no unfunded commitments.

**St. Mary's Healthcare System for Children, Inc.
(403(b) Retirement Plan)**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 - INVESTMENTS AND INFORMATION CERTIFIED BY TRUSTEE AND ASSET CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected the method of annual reporting compliance with respect to the required audit of the financial statements. As a result of adopting this method, TFLIC, the insurance company, and State Street Bank and Trust Company ("State Street"), the Plan's trustee, have certified to the Plan Administrator that the statements of the insurance company and trustee, including information prepared by Transamerica Retirement Solutions, LLC, the record keeper of the Plan, were complete and accurate and that the reported assets were under their control.

- Investments, at fair value, investments, at contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income and interest income from notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

NOTE 6 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

The Plan's investments are held by State Street, the trustee of the Plan, and include shares of mutual funds and other investments of Transamerica and its related corporations, which also manage the Plan's investments. Fees paid by the Plan to State Street and Transamerica for investment management services and bookkeeping services were included as a reduction of the investment return on each fund. Additionally, there are loans to participants of the Plan. These transactions qualify as party-in-interest transactions, which are deemed to be exempt from prohibited transactions rules of ERISA.

NOTE 7 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan is using a volume submitter plan document which received an opinion letter dated February 18, 2025, from the IRS stating the form of the plan was acceptable under Section 403(b) of the Code. Although the Plan has been amended since receiving the advisory letter, the Plan Administrator believes that the Plan is currently designed and being operated, in all material respects, in accordance with the applicable requirements of Section 403(b) of the Code and therefore, believes the Plan is qualified and the related custodial accounts and tax-deferred annuities are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2025 and 2024

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, St. Mary's has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan offers a number of investment funds available for participants, which invest in various types of investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - ACCOUNTING AND PAYROLL RECORDS

In November 2007, the Department of Labor ("DOL") issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of ERISA, as amended. Prior to the amended regulations, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, various accounting and payroll records related to the Plan's 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 were not sufficiently maintained by the Plan. Consequently, the financial statements have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan's financial statements cannot be determined.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 24, 2026, which is the date the financial statements were available to be issued. Effective January 1, 2026, the Plan was amended to permit eligible participants to make designated Roth contributions.
