INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Hopkinsville Elevator Company 401(k) Plan
Hopkinsville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hopkinsville Elevator Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOPKINSVILLE ELEVATOR COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

1. Description of Plan

The following description of the Hopkinsville Elevator Company 401(k) Plan (the "Plan") is provided for general information purposes only. Participants may review the Plan Adoption Agreement for a more complete presentation of the Plan's provisions. The Plan was adopted on February 1, 1996, by its sponsor, Hopkinsville Elevator Company, Inc.

General

The Plan is a defined contribution plan that provides retirement and other benefits for all employees of Hopkinsville Elevator Company, Inc. ("HEC") and its subsidiaries (collectively referred to as the "Company"). Employees who are age 18 or older and have completed three months of employment may enroll on the first day of the quarter following thereafter. Subsidiaries of HEC include Commonwealth Agri-Energy, LLC ("CAE") and Agri-Chem, LLC ("AGC"). Employees who are residents of Puerto Rico, covered by a collective bargaining agreement, or are nonresident aliens with no income from a U.S. source are not eligible to participate in the Plan. All employees who make deferral contributions into the Plan are eligible for employer matching contributions. Contributions are subject to certain statutory limitations. A representative of the Board of Directors and senior management oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

The Company controls and manages the operation and administration of the Plan. Fidelity Management Trust Company ("Fidelity") serves as trustee of the Plan. The Company pays certain operating expenses incurred in the ongoing administration of the Plan.

Contributions

Participants in the Plan may elect to contribute through salary deferrals (i.e. payroll deductions) an amount not less than one percent or more than one hundred percent of their earnings, as defined in the Plan's Adoption Agreement. The maximum annual contribution for each participant (\$23,500 and \$23,000 for calendar years 2025 and 2024, respectively) may be adjusted annually for inflation by federal statute. Participants may elect to change their contribution percentage or cease salary deferrals into the Plan at any time.

Additional contributions, called "catch-up" contributions, are allowed for employees who are age 50 or older by the end of the calendar year in which the catch-up contributions are made. Qualifying participants can make the additional contributions (limited to \$7,500 for calendar years 2025 and 2024) once the participant's regular contributions have reached the maximum annual deferral limit prescribed by federal statute. Catch-up contributions are included in the calculation of the Company's matching contributions.

The Company may make a discretionary matching employer contribution on behalf of each eligible participant as set forth in the Plan document. For the years ended December 31, 2025 and 2024, HEC, CAE, and AGC made matching contributions to the Plan equal to 100% of the lesser of: (1) each participant's total contributions to the Plan, or (2) 5% of the participant's earnings.

Additionally, the Company may make discretionary nonelective contributions in an amount to be determined for each Plan year, as defined in the Plan. A participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any nonelective contributions that may be made for that Plan year. This requirement does not apply in the event of a participant's death, disability, or retirement. Discretionary nonelective contributions, if any, made by

HOPKINSVILLE ELEVATOR COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2025 AND 2024

1. Description of Plan (Cont'd)

Contributions (Cont'd)

the employer will be allocated to participants based on a formula as set forth in the Plan document. HEC elected to make a discretionary nonelective contribution of 1% of each participant's eligible compensation, as defined in the Plan, through June 30, 2023. Effective July 1, 2023, the Company ceased making discretionary nonelective contributions.

The employer may designate all or a portion of any nonelective contributions for a Plan year as "qualified nonelective contributions" and allocate them to certain non-highly compensated employees to help the Plan pass one or more annually required Internal Revenue Code non-discrimination test(s). Participants will be 100% vested in these contributions and may not request a hardship withdrawal of these contributions. The employer made no qualified nonelective contributions for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's matching contributions, any discretionary nonelective contributions, and Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Qualified nonelective employer contributions, if any, shall be allocated only among those participants who are non-highly compensated employees, as defined in the Plan, and are designated by the employer as eligible to receive a qualified nonelective employer contribution for the Plan year. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, including any rollovers, and qualified nonelective contributions, plus actual earnings thereon. Vesting in the remainder of the account is based on years of service, as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

At December 31, 2025 and 2024 forfeited nonvested accounts totaled \$11,884 and \$5,186, respectively. These accounts will be used to pay future administrative expenses or reduce future employer contributions. During the years ended December 31, 2025 and 2024, employer contributions were reduced by \$16,973 and \$55,759, respectively, from forfeited nonvested accounts.

Investment Options

All investments within the Plan are participant-directed. An investment election form is initially completed by each participant upon enrollment in the Plan. Participants may elect to invest their entire account, or any portion thereof, in one or more of the following investment options:

Mutual Funds: Twenty-nine options that offer participants the opportunity to invest in shares of specified mutual funds.

HOPKINSVILLE ELEVATOR COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2025 AND 2024

1. Description of Plan (Cont'd)

Distributions to Participants

Upon termination of service due to attainment of normal retirement age, death, or permanent disability (each as defined by the Plan), a participant will receive the vested value of his or her account in a lump sum distribution. The participant may delay the distribution of the vested value if his or her account exceeds \$5,000. Upon termination of employment for any reason other than retirement, death, or disability, the vested value of the participant's account will be paid in a lump sum distribution, if not greater than \$5,000, or as directed by the participant, if the account exceeds \$5,000. Withdrawal of part or all of a participant's account may be authorized by the Plan administrator prior to termination of employment if the participant experiences a financial hardship, as defined by the Plan.

Notes Receivable from Participants

Participant loans are limited to the lesser of 50% of the vested portion of a participant's account balance or \$50,000, with the minimum amount of each loan being \$1,000. Loans are secured by the balance of the participant's account; bear interest at a commercially reasonable rate that is compounded annually; and are repaid through payroll deductions over a period generally not to exceed five years, unless the loan is used to acquire a home at which time the loan term would be extended over a reasonable period of time. A non-refundable fee of \$75 per loan is charged to the participant and deducted from his or her account after the loan is processed.

Plan Termination

The Company expects the Plan to continue indefinitely. However, the Company retains the right under the Plan to discontinue Company contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of Plan termination, the participants shall become 100% vested in their accounts.

Date of Management's Review

Subsequent events have been evaluated through September 23, 2026, which is the date the financial statements were available to be issued.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with U.S. generally accepted accounting principles using the accrual method of accounting.

Plan Year End

The Plan year end is December 31.

Valuation of Investments

The Plan's mutual fund investments are stated at fair value based upon quoted market prices of the underlying mutual funds, as certified by Fidelity. Net realized gains or losses from dispositions and the net unrealized gain or loss from changes in fair value are combined and presented in the "Statement of Changes in Net Assets Available for Benefits" as "Net appreciation in fair value of investments". Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis using the simple interest method.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
DECEMBER 31, 2025 AND 2024

2. Summary of Significant Accounting Policies (Cont'd)

Contributions Receivables

The Plan records a receivable at December 31 whenever employer or participant contributions attributable to that Plan year are not received by the Plan until the following Plan year. Due to the nature of the receivable, an allowance for uncollectible contributions receivable is generally unnecessary.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant estimates used in preparing these financial statements principally include those assumed in establishing the fair values and contract value of investments. It is at least reasonably possible that the significant estimates used by the Plan administrator will change within the next year and that such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. An allowance for uncollectible notes receivable from participants is generally considered unnecessary because the outstanding loan balances are collateralized by the vested portions of the respective participants' account balances.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$-0- at December 31, 2025 and 2024.

3. Related Party Transactions

All Plan investments are managed by Fidelity, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fidelity Workplace Services, LLC serves as the third party administrator of the Plan. Therefore, these transactions also qualify as party-in-interest transactions. Fees paid to the trustee and the third party administrators by the Plan were \$43,610 and \$38,389 for the years ended December 31, 2025 and 2024, respectively.

4. Investments and Related Information Certified by the Trustee

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's independent auditor did not perform any auditing procedures with respect to the information certified to as complete and accurate by Fidelity, the trustee for the Plan, except for comparing such information to the related financial statements and supplemental schedule of assets (held at end of year).

Accordingly, all information presented in the accompanying financial statements and supplemental schedule pertaining to investments held at December 31, 2025 and 2024, and investment income and net appreciation in fair value of investments for the Plan years then ended, was obtained from certifications by Fidelity, and is therefore unaudited.

5. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

5. Fair Value Measurements (Cont'd)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,608,943	\$ -	\$ -	\$ 18,608,943
Total	<u>\$ 18,608,943</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,608,943</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,620,303	\$ -	\$ -	\$ 15,620,303
Total	<u>\$ 15,620,303</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,620,303</u>

6. Tax Status

The Internal Revenue Service has determined and informed the Plan administrator by a letter dated March 8, 2011, that the Plan was designed in accordance with the applicable regulations of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is no longer subject to U.S. federal, state and local income tax examinations by tax authorities for fiscal years ended before December 31, 2022.

Plan participants are not subject to federal income taxes on contributions to their accounts or the related account earnings until they receive a distribution from the Plan. Distributions that are rolled over to another qualified retirement plan generally continue to be tax deferred until ultimate distribution to the participant.

7. Risks and Uncertainties - Investments

Financial instruments that potentially subject the Plan to significant concentrations of credit risk consist principally of cash and mutual funds. The Plan places its cash with federally-insured financial institutions. The Plan's mutual funds include investments which are inherently exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying "Statements of Net Assets Available for Benefits."
