Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SORREN CPAS, P.C.**

(2) EIN: **99-0658768**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	73474

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators and Participants
T.A. Loving Company 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of T.A. Loving Company 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements are comprised of the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at Year End) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

T.A. LOVING COMPANY 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note A - Description of Plan

The following description of T.A. Loving Company 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established effective January 1, 1989. The Plan covers all full-time and part-time employees of T.A. Loving Company (the “Company”), except union employees, nonresident aliens, leased employees, and reclassified employees, upon reaching the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Administrative Committee is responsible for oversight of the Plan. The Plan’s investment committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Administrative Committee.

Contributions

Eligible participants are automatically enrolled in the Plan with a 2% deferral rate. Participants may elect to opt out of the Plan or alter their deferral rate. Automatically enrolled participants will have their deferral rate increased by 1% each year to a maximum of 6%. Each year, participants may elect to contribute 1% to 50% of compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may elect to contribute to the Plan a matching percentage of employees’ contributions as determined by the Board of Directors. The Company makes a matching contribution equal to 60% of participant elective deferrals, up to 6% of eligible compensation, resulting in a maximum employer matching contribution of 3.6% of eligible compensation. Additional amounts may be contributed at the option of the Company’s Board of Directors. Contributions are subject to certain IRS limitations.

Investment Options

Participants direct the investment of their contributions to various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual funds, pooled separate accounts, collective investment trusts and a group annuity contract as investment options for participants.

T.A. LOVING COMPANY 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note A - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions in addition to actual earnings thereon. Vesting in the Company's nonelective and regular matching contributions, together with the related earnings, is based on years of credited service, as follows:

Less than 1 year	0%
Year 1	25%
Year 2	50%
Year 3	75%
Year 4	100%

Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable From Participants

The Plan does not allow for loans to participants.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive their distributions in the form of annual installments or as a single sum payment if their vested account at any time exceeded \$5,000. Participants entitled to benefits whose vested accounts never exceeded \$5,000 receive their distribution as a lump sum. Benefits are recorded when paid. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$109,644 and \$33,448, respectively. These accounts will be used to reduce future employer contributions or to pay plan administrative expenses. During the year ended December 31, 2025, \$14,700 of forfeitures were used to reduce Plan Expenses.

T.A. LOVING COMPANY 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note B - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's mutual funds, pooled separate accounts and collective investment trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement plan committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company, as applicable. See Note D for discussion of fair value measurements.

The Plan's guaranteed investment accounts are valued at contract value. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. See note E for discussion of the guaranteed investment accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Note D – Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement* are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

NOTES TO FINANCIAL STATEMENTS

Note D – Fair Value (Continued)

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual and money market funds: Mutual and money market funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at cost plus interest earned, which approximates fair value.

Collective investment trust: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value.

Pooled separate accounts: Units held in the pooled separate accounts are valued at the NAV based on the fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value.

NOTES TO FINANCIAL STATEMENTS

Note D – Fair Value (Continued)

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2025 Value</u>	<u>2024 Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment trust:				
Stable value fund	\$ 23,509,490	\$ 6,050,144	Daily	None
Pooled Separate accounts:				
Mid cap	445,812	-	Daily	None
Small cap	238,866	-	Daily	None
Asset allocation	21,364	-	Daily	None
Total	<u>\$ 24,215,532</u>	<u>\$ 6,050,144</u>		

There were no unfunded commitments for these investments as of December 31, 2025 and 2024.

The investment objectives for the registered investments measured using the net asset or unit value are as follows:

Stable value fund: Invests in a portfolio of financial instruments in order to simulate the performance of a guaranteed investment contract through the guarantee of a specific interest rate.

Asset allocation: To invest in a diversified portfolio of stock and bond funds that represent various asset classes and sectors. The fund's allocation between stock and bond funds will change over time in relation to its target retirement date.

Small cap: To invest in equity securities within its benchmark index or in small cap equity securities focused on companies across a wide range of sectors, growth rates and valuations that have favorable prospects for significant long-term capital appreciation.

Mid cap: To invest in mid cap equity securities that have the potential for strong earnings or sales growth or that are undervalued based on various financial ratios.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Note E – Investment Contract with Insurance Company

The Plan has traditional fully benefit-responsive investment contracts with Principal Life Insurance Company who maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for the Plan withdrawals and transaction fees charged by the Custodian. The guaranteed investment contract is contractually obligated to repay the principal and a specified rate that is guaranteed by the Plan.

As described in Note A, because the guaranteed investment account is fully benefit- responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account.

T.A. LOVING COMPANY 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note E – Investment Contract with Insurance Company (Continued)

The guaranteed investment account is presented on the face of the accompanying statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, partial or total Plan termination without prior notice to the Custodian, and the liberalization of Plan withdrawal or transfer rules. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Custodian may terminate the contract on the last day of the month specified in a written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets held or participants covered less than the amount or number required by the state of North Carolina, Plan disqualification, or if the contract owner is charged such that the Plan Sponsor would no longer be considered an eligible sponsoring organization for this type of contract.

Net increase in net assets available for benefits per Form 5500	<u>\$ 5,050,126</u>

Note G – Related Party and Party In Interest Transactions

Certain Plan investments are managed by the Custodian, and therefore, these transactions qualify as party in interest transactions. Administrative, recordkeeping, and investment fees paid by the Plan using Plan assets was \$108,348 for the year ended December 31, 2025. These fees were based on customary and reasonable rates for such services.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note H – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note I – Non-exempt Party-in-Interest Transactions

During the year ended December 31, 2025, it was discovered that the Plan's automatic enrollment provision was not functioning properly. The Plan engaged an ERISA attorney to correct these errors. The total amount to be remitted to the Plan to correct these errors totaled \$29,150 and are included on the accompanying statement of net assets available for benefits as corrective contributions. The corrective contributions were remitted to the Plan during 2026.

T.A. LOVING COMPANY 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note I – Non-exempt Party-in-Interest Transactions (Continued)

During the year ended December 31, 2024, the Company reported unintentional delays by the Company in remitting contributions to the Custodian in the amount of \$73,474. These delinquent contributions constitute prohibited transactions. At December 31, 2025, the Company was in the process of calculating the lost earnings for prohibited transactions related to the year ended December 31, 2024. The estimated amount of lost earnings is not considered material to the financial statements.

Note J – Tax Status

The volume submitter plan received an IRS Determination Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the IRS Determination Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note K – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
